Alumni and Friends:

I have *Good News* about the *Good News* e-mail sent twice a month since June of 2003.

In order to continue to inform our alumni and friends about all the exciting news from your university, *Good News* is undergoing a design and format change which will debut on August 15th. The “new” *Good News* will:

- Have a fresh new look – in the form of an online newsletter.
- The new online newsletter will still contain all the latest *Good News* from ULM covering Campus, Alumni, and Athletic events while updating you on the achievements of our Faculty and Students.
- The new *Good News* newsletter will save you time with its easier-to-read layout. Stories will be grouped by subject (Top Story, On Campus, Alumni News, Warhawk Athletic News, etc.) so you can find them easier.
- The new *Good News* will also contain photos which you can easily view without clogging your computer.
- *Good News* will be archived on the Alumni web site (<http://www.ulm.edu/alumni>) so if you miss an issue, or need to find something, you can peruse the archives.
- *Good News* will take up less space. You won't have to download the entire publication, we'll simply send you a link letting you know *Good News* is ready for you to read. It will be housed on our server.
- Pick and chose the stories that interest you, stay up to date with our Calendar of Events, pay your dues and financially support ULM online, all while not having to store the e-mail in your inbox.
- *Good News* will be sent once a month starting around the 15th of each month.

Good News now reaches over 11,350 alumni and friends and that number is growing. The new format, which was designed by our own Web Division, will enhance our abilities to keep you informed about your university. I hope you're excited about the new *Good News*. Thanks for your continuing support of ULM.
