Statement of Cooperation:

The **employer** agrees to provide supervised work that complements the student's educational and career goals, evaluation of the student's progress during the internship, and the opportunity for a site visit by a University of Louisiana Monroe representative.

The **University of Louisiana Monroe** agrees to provide academic preparation, advising, and direction to ensure that the student intern receives appropriate educational benefits from this work experience.

The **student intern** will comply with the Academic Internship Program's guidelines and regulations.

Statement of Learning Objectives:

With assistance from the work supervisor and academic advisor, the student will determine **3-5 learning objectives** desired as a result of holding the internship. ***The objectives must be specific, measurable, attainable, approved by both the work supervisor and academic internship advisor,*** and submitted to the Academic Internship Office within 2 weeks of the beginning of the internship semester**.** Progress on the learning objectives will be evaluated by both the student and the work supervisor at the end of the internship; this evaluation must be submitted to the Academic Internship Office by the last day of classes.

EXAMPLES OF LEARNING OBJECTIVES:

- **Develop marketing brochure targeting new clients.**
- **Assist production manager with creation of spreadsheets and charts tracking production efficiency.**
- **Organize company's United Way fundraising campaign.**
