

# Professional Development Opportunities for Teachers and Education Professionals

College of Education and Human Development

**April 29-30, 2010**

International Educational Tools for Success is a multi-session conference focusing on research, innovative ideas, tools, strategies, and techniques for the education of ALL students. Sessions are geared toward the latest research in the educational field, use of new technologies to improve student learning, and information to help reach students on all levels of learning.

Registration for students and teachers \$10, Higher Education Faculty and Educational Agencies \$50

Registration/Information: [ulm.edu/iets](http://ulm.edu/iets)

**June 1-11, 2010  
& Academic Year**

Out Standing In the Field immerses thirty 7th and 8th grade science teachers in earth, life and environmental science data collection at local sites such as Black Bayou and Poverty Point. During the two-week summer session and four follow-up Saturday sessions, teachers work with university scientists to bring real-life science into the classroom.

Teacher Stipend \$2,250 (max)

Registration/Information: [ulm.edu/dream](http://ulm.edu/dream)

**June 27-July 2, 2010**
