II. Activities

a. The committee reviewed sixty-two proposals during the 2013-2014 fiscal year. Two proposals from Academic Affairs, six proposals from College of Arts and Sciences, thirty-five proposals from the College of Education and Human Development, seven proposals from the College of Health Sciences, and twelve proposals from the College of Pharmacy. All exempt and expedited review projects were emailed to various members for review instead of waiting for a full board review on the next scheduled committee meeting.
