II. Activities

- a. The committee reviewed sixty-three proposals during the 2014-2015 fiscal year: Zero proposals from Academic Affairs, six proposals from College of Arts, Education and Sciences, fourteen proposals from the College of Business & Social Sciences, forty-two proposals from the College of Health and Pharmaceutical, and one proposal from Student Affairs. All exempt and expedited review projects were emailed to various members for review rather than delaying for a full board review at regularly scheduled committee meetings.
