- General Federal Regulations
 - [The Code of Federal Regulations](#) contains the text of public regulations issued by the agencies of the Federal government. Proposed regulations and regulations issued so recently that they are not yet in the Code of Federal Regulations database, may be found in the Federal Register.
 - [The Federal Acquisition Regulations System](#) is established for the codification and publication of uniform policies and procedures for acquisition by all executive agencies. The Federal Acquisition Regulations System consists of the Federal Acquisition Regulation (FAR), which is the primary document, and agency acquisition regulations that implement or supplement the FAR.
- Other Federal Sites
 - [Federal Register](#) – Government document announcing the availability and deadlines for applying for Federal grant programs. It also includes proposed and final regulations, legal notices from the Federal agencies, presidential proclamations, executive orders, and other documents of interest to the public. The Federal Register is published by the Office of the Federal Register, National Archives and Records Administration.
 - [The Catalog of Federal Domestic Assistance](#) – The catalog of Federal Domestic Assistance is a government-wide compendium of Federal programs, projects, services and activities that provide assistance or benefits to the American public. It contains financial and non-financial assistance programs administered by departments and establishments of the Federal government.
 - [Grants Net](#) – General grant resources and information.
 - [FirstGov](#) – The first-ever government website to provide the public with easy, one-stop access to all online U.S. Federal Government resources.
