The University of Louisiana at Monroe is a comprehensive, state-funded institution of higher education that offers high quality educational and experiential opportunities to meet the academic, cultural, vocational, social, and personal needs of undergraduate, graduate, and continuing education students. Today, ULM claims more than 55,000 alumni and an annual enrollment of over 8,000 students.

Founded in 1931, ULM's campus, one of the state's most attractive, is located in the eastern part of Monroe, a city whose metropolitan area population exceeds 100,000 when combined with its sister city of West Monroe. The Twin Cities rest on either bank of the Ouachita River which was named one of the nation's most beautiful rivers by National Geographic magazine. Together, these communities serve as a commercial, medical and cultural hub for all of Northeastern Louisiana. Beautiful Bayou DeSiard flows through the 238-acre, tree-shaded campus.

ULM is located in Monroe, Louisiana, USA, and within two miles of Interstate 20, which allows for easy access to Jackson, MS, Shreveport, LA and Dallas, TX.

With an average annual temperature of 82°F (27°C) and a cost of living index well below the national average, this is a wonderful area in which to pursue one's studies.
