A. Textbook(s) and Materials:

Required Text: Pharmacy: An Introduction to the Profession, 2nd Edition by L. Michael Posey (this can be found in the Library toolbox course on Moodle, under the APhA Pharmacy Library Section).

B. Attendance Policy:

Class attendance is regarded as an obligation as well as a privilege, and students are expected to know attendance regulations and to attend regularly and punctually classes in which they are enrolled. Failure to do so: (1) may prevent access to the classroom during regularly scheduled times; (2) may jeopardize a student’s scholastic standing; and (3) may lead to suspension from the college or University. With the following exceptions professors are to determine whether absences are excused or unexcused: 1) Absences arising from authorized trips away from the University or from special duties at the University shall be excused. 2) Absences arising from a student’s confinement in a hospital or other in-patient facility or doctor’s excused absences shall be excused. 3) Absences arising from a death in the immediate family shall be excused. The immediate family is defined as spouse, child, step-child, mother, father, sister, brother, grandmother, grandfather, stepmother, step-father, step-brother, step-sister, aunt, uncle, mother-in-law or father-in-law.

In all instances, students are responsible for following the College’s Excused Absence Policy.

C. Make-up Policy:

Each student is expected to complete each assignment at the date and time
specified. If a student cannot complete an assigned project due to an excused absence, he/she must speak directly with the course instructor. Failure to complete an assigned project will result in a zero (0) grade for that assignment.
