Re: Submitting unresolved complaints concerning ACPE standards.

---

In reviewing the College of Pharmacy Self-Study, the faculty have noted that the College needs to educate students on a mechanism to submit a complaint directly to ACPE if the student feels that there are unresolved issues related to a complaint concerning the accreditation standards. Students who believe that there are any unresolved issues related to a complaint concerning an ACPE accreditation standard (see pages 171 and 172 of your student handbook for procedures to file the initial complaint) can submit the complaint directly to ACPE in writing by going to [www.acpe-accredit.org/complaints/default.asp](http://www.acpe-accredit.org/complaints/default.asp).

As always, we encourage you to address complaints or problems through the chain of command listed in your student handbook. If you have any questions concerning this process, please feel free to contact me or the Office of Student and Professional Affairs.
