

## FACULTY DATA SUMMARY SHEET

**J. David Williamson, Ph.D.**

**Head and Associate Professor, Graduate Faculty, Appointed, 1992**

### 1. Academic Degrees

Ph.D.	East Texas State University	1986	Psychology
M.A.	East Texas State University	1972	Psychology
B.S.	East Texas State University	1967	Psychology

### 2. Professional Experience

1997-present	Head and Associate Professor of Psychology, University of Louisiana at Monroe
1996-1997	Associate Professor of Psychology, Northeast Louisiana University
1992-1996	Assistant Professor of Psychology, Northeast Louisiana University
1987-1992	Assistant Professor of Psychology, Fort Hays State University
1986-1987	School Psychologist, Dallas Independent School District
1985-1986	Doctoral Assistant, East Texas State University
1984-1985	Ad-Interim Instructor of Statistics, East Texas State University
1982-1984	Assistant Instructor of Psychology, East Texas State University
1978-1982	Associate School Psychologist, Port Arthur Independent School District
1975-1977	Assistant Instructor of Psychology, East Texas State University
1974-1975	Instructor of Psychology, Old Dominion University
1972-1974	School Psychologist, Norfolk City Schools

### 3. Faculty and Administrative Load

Department Head

Fall:

PSYC 522.01	Quantitative Methods	3 S.H.
PSYC 439.01	Statistics for Behavioral Sciences	3 S.H.

Spring:

PSYC 439.01	Statistics for Behavioral Sciences	3 S.H.
PSYC 439.50	Statistics for Behavioral Sciences	3 S.H.

### 4. Other Collegiate Assignments

Past Member and Head, Research Council, University of Louisiana at Monroe  
Member, CEHD Administration Council  
Chair, CEHD Building Committee

### 5. Current Professional and Academic Association Membership

Society for Applied Multivariate Research  
Southwestern Psychological Association  
National Association of School Psychologist

### 6. Current Professional Activities

Secretary, Society for Applied Multivariate Research

### 7. Publications and Presentations

#### Journal Articles

Wilkerson, K., McGahan, J., Low, J., Stevens, R., & Williamson, D. (2008-In Press). Judgement and judgement latency for freedom and responsibility relatedness given subtle linguistic variations. *The Journal of Psychology*.  
Low, J., Williamson, D., & Cottingham, J. (2004). Predictors of university student lawbreaking behavior. *Journal of College Student Development*, 45(5). 535 – 548.

Baker, G., Wilkerson, K., McGahan, J., McCown, B., & Williamson, D. (2002). Judgement about length, weight, and width covariation as a function of intelligence and depth of processing in elementary school children: A preliminary study. *Psychological Reports, 90*, 1109-1114.

Yates, M., McGahan, J., & Williamson, D. (2000). Intuitive covariation assessment of the illusory correlation. *Journal of General Psychology, 127*(4), 397-411.

Pryor, P., McGahan, J., Hutto, C., and Williamson, J.D. (2000). The effects of imaginary sexual stimulation on the perceived correlation of freedom and responsibility. *Journal of Psychology, 134*(3), 325-335.

McGahan, J., McDougal, B., Williamson, D., and Pryor, P. (2000). The equivalence of contingency structure for intuitive covariation judgements about height, weight, and body fat. *Journal of Psychology, 134*(6), 645-658.

McGahan, J., Hutto, C., Williamson, D., Ware, A., Harrison, C., Pryor., and Goodwyn, M. Visual interaction as a function of exposure duration. *British Journal of Social Psychology.*

McGahan, J., Williamson, D., Bonnette, C., Pettway, J., & Antley, M. (1998). Height weight and body fat: Assessment of covariation based on visual or reported correlations. *Perceptual and Motor Skills, 86*, 99-110.

McGahan, J., Williamson, D., & Stoecker, J. (1998). Length, weight, width: Covariation assessment based on haptic exploration. *Perceptual and Motor Skills, 86*, 1459-1468.

### **Presentations**

Low, J.M., Teves, J., Cottingham, B.J., & Williamson, D. (2008). A cross-cultural study of identity development and decision making. Rocky Mountain Psychological Association Conference, Boise, ID.

McGahan, J.R., Hutto, C.W., & Williamson, J.D. (2008). Gaze by competitive or cooperative dyads with identical exposure times. Southwestern Psychological Association Conference, Kansas City, MO.

Wilkerson, K., Gray, N., McGahan, J., Stevens, R., & Williamson, D. Judgements about freedom and responsibility covariation based on cognitive versus affective response formats. Paper presented at Southwestern Psychological Association convention, Memphis, TN, April, 2005.

McGahan, J., Blancher, A., Burmett, J., and Williamson, D. Threat levels in facial configurations representing threat, seduction, or romantic attraction. Paper presented at Southwestern Psychological Associations annual convention, San Antonio, Tx, April, 2004.

Coker, W., Low, J., and Williamson, D. The relationship between emotional intelligence and campus deviance. Paper presented at Southwestern Psychological Associations annual convention, New Orleans, April, 2003.

Belinge, H., Cordell, D., McGahan, J., Williamson, D., and Hutto, C. The effects of familiarity on mutual gaze. Paper presented at Southwestern Psychological Associations annual convention, New Orleans, April, 2003.

McGahan, J., Williamson, D., Hutto, C., & Thompson, S. Visual Interaction resulting from cooperation and familiarity. Paper presented at Southwestern Psychological Associations annual convention, Corpus Christi, TX, April, 2002.

McGahan, J., Hutto, C., Williamson, D., et. al. *Symposium: Eye Contact, Attraction, and Parallels between Threat and Seduction.* Symposium presented at Southwestern Psychological Associations annual convention, Houston, TX, April, 2001.

Baker(Futch), G., Wilkerson, K., McGahan, J., Williamson, D., and McCown, B. Intelligence, depth of processing, and covariation reasoning. Paper presented at Southwestern Psychological Associations annual convention, Houston, TX, April, 2001.

Truelove, L., McGahan, J., Hutto, C., & Williamson, D. *Dominance and visual interaction between college classmates.* Paper presented at Southeastern Psychological Association annual convention, New Orleans, March, 2000.

Perkins, T., Lewis, V., Wilhite, P., & Williamson, D. *Impact of computerized mathematics instruction on elementary student achievement.* Paper presented at Southwestern Psychological Association annual convention, Dallas, TX, April, 2000.

### **Grants**

McGahan, J., Hutto, C., Goodwyn, M., and Williamson, J. D. (1999). *Covariation in gaze and conversation as a function of familiarity, gender, and processing objectives*. (\$1,000 from Northeast Louisiana University)

McGahan, J., Smith, H., Hutto, C., Williamson, J. D., and Goodwyn, M. (1998). *The effects of familiarity, gender, and processing objectives on visual and vocal interaction*. (\$6,400 from Northeast Louisiana University)

#### **8. Other Scholarly Activities**

Texas A & M University-Commerce (formerly ETSU) 115 Outstanding Alumni, 2005 & Alumni Ambassador, 1997

Mortar Board Mentor Award, Northeast Louisiana University, 1994
