Hello Dude. I hope this card finds you  
well and settled in a quake free zone of  
★ the City of Angels.

★  
Don't spend all of your money on Surf  
boards, Roller blades, Maps to the stars  
homes, or Telephoto lenses for stalking.

You still have to Pimp your ride with  
hydraulic Suspension lifters, wild Paint,  
more Chrome, under-carriage Lighting, and  
at least an extra 2000 watts of Audio boost.
