Selected work will be displayed for a period of one year from the date of installation. All work remains in the ownership of the artist and will be returned to the artist after the display period. The University of Louisiana at Monroe, VAPA, and the Division of Art will not retain any commission on the sale of these works. Patrons expressing interest in the purchase of a work will be placed in direct contact with the artist. The University of Louisiana at Monroe will not insure the works.
