***All certificates for Module 1 must be completed by Wednesday, October 14.									
*Check Points due before the time of the related test **Actually due by Sunday, September 13, 2009									

Warning: Work should be completed in advance of the designated due dates. Be prepared. Technology issues arise but will NOT be accommodated.

Reminder: When submitting certificates and /or checkpoints, it is the student's responsibility to check his/her progress report to verify immediately that the results have been uploaded to the HLS server. This can be done by clicking on the Progress Report button in the HLS software or by going to <http://www.hawkeslearning.com/ulmcol> and using the student's access code.

UPDATE: You must make sure when working on computers outside the MRC that: the date and time on the computer are set correctly, the loaded curriculum is ULM College Algebra - FALL 2009 and the version of the software is College Algebra Fall 2009 (2.9.0). The software information can be found by clicking on Help and About in the software.
