MATH ACT 23+ (SAT 570+) = MATH 1013 (pre-calculus)

MATH ACT 19+ (SAT 500-510) = MATH 1011 (Algebra) **OR** **MATH 1009^** (non-Calculus Algebra) **alone**

MATH ACT 16, 17, or 18 (SAT 470-490) = MATH 1009^ WITH MATH 1000 (2 CR) – **COREQUISITES**

ENGL ACT 14 OR BELOW (NEW SAT 22 or OLD SAT 400 OR BELOW) = MUST TAKE DEVELOPMENTAL ENGLISH AT ANOTHER INSTITUTION OR PLACEMENT EXAM

Adult learners are automatically eligible to take the math and/or English placement exam.

Information regarding eligibility and registration for placement tests can be found on the ULM website (<http://www.ulm.edu/testingcenter/placement.html>). Placement tests may be taken at ULM or any school offering ACCUPLACER. If the test is taken at another test site, the test results must be faxed (318-342-3553) or emailed (testing@ulm.edu) to ULM directly from school where the test was taken. Students should contact the test site for registration procedures and fee information.

Once a student attends a recitation course (MATH or ENGL 1000), placement testing is no longer an option.

Math and English **CREDIT** based on ACT/ SAT Scores

Credit for **MATH 1011** = ACT Math score of 26 or higher or SAT (March 16 – present) Math score of 610-690

Credit for **MATH 1013** = ACT Math score of 30 or higher (or SAT Math score of 670 +)

Credit for ENGL given only if scores are earned on a single test date:

Credit for **ENGL 1001** = ACT English score of 28 or higher AND an ACT Composite score of 25 or higher on same test date (or SAT Verbal score of 630 or higher plus a combined Reading and Math SAT score of at least 1130)

3) Other important information

-After registering at PREP, **students may NOT change their schedules on their own.**

-If a transfer class that is a pre-requisite for another course is not yet posted, a PREQ override is needed [SFASRPO form]

-If a student is **BFR for Fall BUT IS EITHER enrolled in SUMMER classes OR is a SOPHOMORE classification by hours**, a **CAPACITY** override is needed for the student to register in an open BFR class [SFASRPO form]

- **IF in MATH or ENGL 1000, students MUST take the recitation course in the FTF Fall semester.** Students also **SHOULD NOT** register for more than 16 cr & **SHOULD NOT** take Science courses (unless necessary)

- **RECITATION COURSES are co-requisites** (MATH 1000 & 1009; ENGL 1000 & 1001) and if they are dropped, the set must be dropped. A student who withdraws from MATH 1000/1009 loses 5 credit hours; from ENGL 1000/1001 loses 4 credit hours which can affect financial aid and scholarships.

-If a student has a ULM Scholarship, he/she must earn a TOTAL of 30 hours per year (Fall to Fall).
