Welcome

The 37,000 square foot facility of the ULM Bayou Pointe Student Event Center (Bayou Pointe) will provide indoor and outdoor venues for many different types of events such as meetings, lectures, workshops, conferences, banquets and social functions. Our experienced staff is ready to provide guidance and suggestions to help ensure the success of your event.

Mission Statement

The mission of Bayou Pointe is to provide students, faculty, staff, alumni, and guests with quality facilities, services, programs, and learning opportunities.

In addition, we want to assist our students to become successful in their life ambitions, establish lifelong friendships, and become productive citizens in a culturally diverse complex society.

History of Bayou Pointe (formerly Oxford Natatorium)

Built at a cost of \$ 1.9 million in 1978, Oxford Natatorium was the first Olympic size pool in Northeast Louisiana. Built as a “recreation pool” for ULM students, NCAA men and women’s swim teams were added in 1980. For over 35 years, Oxford Natatorium hosted numerous events, including but not limited to, age group swimming, collegiate meets, scuba classes, water aerobics and numerous Intramural events. In 2012, the YMCA leased the facility for a short period of time and in April 2014, the Natatorium was closed. Through the initiative of ULM Students and the Student Government Association (SGA), the students requested the Natatorium be converted into a Student Event Center. \$7,000,000 in requested funding from the Student Activity Enhancement Fund was approved in the fall of 2015 to renovate Oxford Natatorium into a Student Event Center with ballrooms, spirit group practice area, a small theater with reception area, and outdoor social deck. Renovated Bayou Pointe opened in March 2018.

Alcohol Policy

Alcoholic beverages (including mixed drinks, beer, wine, and champagne) may be served under the terms and conditions consistent with the laws of the State of Louisiana and the policies of the University of Louisiana Monroe. Permission to use such beverages must be obtained from and approved by the Bayou Pointe Scheduling Office.

General Guidelines:

1. The RSO, university departments, and other groups must follow the Alcohol Policy as stated in the Student Policy Manual.
2. It is a violation of Louisiana law to serve alcohol to anyone under 21 years of age. Lack of knowledge of the person's age shall not be a defense.
3. Third party licensed vendors and/or bartenders are required and must be licensed to sell and serve off-premise and certified by the State of Louisiana. Bartender's license must be on file at least 2 weeks prior to the event. Special event permits may need to be secured from the City of Monroe. Proof of license and certifications may be required if not on file with the University.
4. Any ULM group planning a function that is likely to be attended by individuals under 21 is strongly discouraged from serving alcohol to anyone at the function. If the university group plans to serve alcohol at a function that will be

attended by guests under the age of 21, the group must submit to the Office of Student Life and Leadership, as part of the approval process, a written explanation of the method by which it will determine which guests are over 21 and how it will assure that guests under 21 do not obtain alcohol from guests over 21. Such precautions might include:

- ★ A sign on the bar that says “Over 21 Only” and an instruction to the bartender to ask for proof of age whenever there is any doubt that an individual is 21.
- ★ Stamping of hand if over 21, or by placing a wristband on the ones who are legal.
- ★ For RSOs a University Police Officer will be required to check IDs and issue wristbands.

It is the host group's responsibility to be certain that individuals under the age of 21 not be served any alcohol.

All alcoholic beverages must be provided by the user group, except in cases where the caterer has a state permit that allows the caterer to provide such beverages as are requested by the user group. Under no circumstances are guests of the event allowed to bring their own alcohol. If such an event occurs, Bayou Pointe reserves the right to immediately shut down the event. UPD must be present at any and all times alcohol is present in the facility. There are no storage facilities for alcohol at Bayou Pointe. Consequently, the user group must bring the alcohol immediately before the event and remove it immediately after the events ends.

No Smoking Policy

Use of tobacco products are prohibited anywhere on the ULM campus.

The policy applies to all University faculty, staff, students, visitors, and contractors. Tobacco use includes but is not limited to: smoking (cigars and cigarettes), smokeless tobacco (dipping), E-Cigarettes, Juuls, vapes, and chewing tobacco.

The use of tobacco products is prohibited in all university buildings and leased spaces. This prohibition area applies to any area enclosed by the perimeter (outermost) walls of the building, including restrooms, storage areas, balconies, patios and stairwells.

The sale, distribution, or advertisement of tobacco products is prohibited in University buildings and public areas.

Children

Please remember, at no time during an event, should children be left unattended in the building, lobbies, deck areas, or hallways where they can get hurt, lost, or cause damage to items in the facility. We ask that you please alert your guests with children of the need to exercise care.

Damage/Clean-Up Deposit

A \$500 damage/clean-up deposit is due 2 weeks in advance of the event for non-university groups and individuals. It is expected that all meeting and ballroom spaces will be returned to their original condition and set-up at the completion of your meeting/event. Individuals or groups reserving space will be charged for any damages to Bayou Pointe or equipment. The charges will be equal to the cost of repairs. Damages shall be photographed and itemized through an inspection by Bayou Pointe staff on duty at the time of the event. Damages to facilities could result in the loss of reservation privileges and forfeiture of deposit. Once post-event inspections are completed and no damage is found, damage deposits will be refunded via check no later than fourteen business days after the event.

**This damage/clean-up deposit applies to entering areas of Bayou Pointe not included in facilities rental, as well as taking items from Bayou Pointe storage rooms and break rooms without the permission of Bayou Pointe staff.
