I am a senior studying Communication Studies and am looking for an internship in public relations. Over the past few years, I have worked with my communications student organization, UNCA, as a Social Media and Marketing Director. Through this position, I have developed a better understanding of the Public Relations field as well as useful marketing and communication skills that I hope to use in my next positon. I know that Target is currently hiring for your marketing internship for next summer. I am very interested in applying. Could you tell me more about the application process?</p>

Example 2
<p>"Good afternoon [Mr. Ms. Last Name]. I read on your company website that you are a leader in the tech industry, and I am looking to start my career with a strong organization like yours. In my spare time, I enjoy making mobile apps and I maintain my student organization's website. This experience and my MIS degree have given me basic technical skills, but I would like to expand them further through a tech internship. I see you hire software development interns. Could you tell me more about it?</p>
