

ROCK YOUR JOB AND INTERNSHIP SEARCH

- Career Fairs – Use this great opportunity to meet a large number of companies in one place and learn about several career opportunities. Look at the list of participating employers and make a note of who you would like to talk to. Prepare a brief introduction of yourself, bring resumes, and wear business professional attire.
- Career Connections Online Job Board – Only ULM students and alumni have access to this list of full-time and internship opportunities. Create a profile and upload your resume. Be sure to keep your profile up-to-date to apply to positions.
- On-Campus Recruiting –Attend on-campus events such as employer panels, lunch and learns, career week events, interviews, and more.
- In-Person Networking –This can give you an edge over the competition and is one of the top ways to find a job. Join LinkedIn to keep track of your network. Reach out to your network around holidays and school breaks to keep in touch.
