Section I. Introduction

Planning at the University of Louisiana at Monroe

1. Purpose

Each department at The University of Louisiana at Monroe has an Emergency Operations Plan to maintain or restore important business and/or academic operations. The Emergency Operations Plan defines the department's actions before, during and after a disaster event.

In addition to the Emergency Operations Plans, The University of Louisiana at Monroe has developed a Business Continuity Plan (BCP) to establish policies, procedures and organizational structure for response to emergencies. The BCP defines procedures to maintain and/or restore critical business and academic operations.

The University of Louisiana at Monroe has also developed an Emergency Response Plan to direct university personnel during actual emergency events. Other emergency response guidelines have been prepared for faculty, staff and students.

All of these specific purpose plans are intended for use in concert to greatly lessen the loss of life and the extent of injuries, limit equipment and property damage, and maintain or rapidly restore normal business and academic operations.

2. Mission

The University of Louisiana at Monroe will respond to an emergency situation in a safe, effective and timely manner. University resources and equipment will be utilized to accomplish the following priorities:

- Priority I: Protection of Human Life
- Priority II: Support of Health & Safety Services
- Priority III: Protection of University Assets
- Priority IV: Maintenance of University Services
- Priority V: Assessment of Damages
- Priority VI: Restoration of General Campus Operations

Department Planning

3. Requirements of All Departments

Emergency Operations Plans prepared by all University Departments shall be consistent with the guidelines established in this Business Continuity Plan. Each department shall, as appropriately directed, execute that portion of their plan required to assure optimum endurance and rapid recovery from the effects of an emergency. Deans, directors, department heads and other responsible parties shall at a minimum develop and maintain procedures to accomplish the following:

1. Identify the individuals and alternates to whom the specific responsibilities are assigned:
 - a. Emergency Operations Plan execution / emergency response
 - b. Emergency Operations Plan maintenance – all departments are required to provide the BCP Coordinator with an updated Emergency Operations Plan every year
2. Develop procedures for communication
 - a. Emergency contacts
 - b. Contact list for all department employees
 - c. As applicable, contact list for critical subcontractors, suppliers and service providers that may be needed after an emergency event
3. Develop procedures to protect all vital records
4. Develop procedures to perform normal duties manually / without computer support

4. Specific College of Business and Social Sciences Responsibilities

- Develop plans to utilize a course management system in a post-disaster environment
