ULM Kitty DeGree School of Nursing Dominates the National Boards

Graduates from the ULM Kitty DeGree School of Nursing exceeded both the national and state averages on the NCLEX exam. ULM's average score of 94.12% exceeded Louisiana's state average of 87.01% by more than seven percent and more than 11 percent higher than the national average of 83.04%. The Kitty DeGree School of Nursing at ULM was particularly proud of their graduates' accomplishments since the difficulty level of NCLEX was significantly high this year.
