COMMENCEMENT ETIQUETTE

Degree Candidates: You are expected to behave in a manner which is appropriate for the occasion. Commencement is a serious academic ceremony, not an athletics or social event. Behavior that is not acceptable in the classroom is not acceptable during commencement. Be happy, but be appropriate and respectful!

Guests: Please ask your guests to do the same. Any noise other than normal applause keeps your name from being heard by your family and friends. If you want your name heard, respect your classmates' wishes for the same by asking your guests to act appropriately.
