#### **Section III: Activities**

#### Mission

The committee approved the following mission statement for adoption and included it in the guidelines:

"The mission of the University Athletic Academic Advisory Committee (UAAAC) is to support the President and the Athletic Director in establishing and maintaining an environment conducive to both academic and athletic success, while ensuring the quality of student life for the student-athletes at ULM."

#### Scheduling

Athletic schedules were reviewed using the Missed Class form to ensure that teams miss no more than 7 MWF classes and 5 TR classes. Below is a breakdown of missed classes by team:

## Faculty of the Year

In an effort to standardize the Faculty of the Year award, the committee determined the following procedure:

## Criteria for Selection

- All candidates should meet the following criteria:
  - i. member of ULM faculty, including full-time faculty and adjunct/part-time faculty
  - ii. minimum of three years of faculty service
  - iii. contact with student athletes
- Candidates should then be ranked through consideration of the following factors:
  - iv. why has this person been nominated? (we are assuming that nominating students will list their reasons)

- v. has this person won before? (priority should be given to nominees who are not previous recipients)
- vi. does this person submit GradesFirst reports?

## *Selection of Recipient(s)*:

- The Chair of the UAAAC will solicit nominations for the faculty award from the Athletics Department Student Advisory Council (SAC) and the Academic counselors assigned to the Athletic teams.
- The Chair will compile a list of the top five nominees
- The recipient will be selected by popular vote of the UAAAC from the list of nominees.
- The Chair will then send the name of the recipient to Bernard Heflin (bheflin@ulm.edu)

## Athletic Budget

The athletic budget was not reviewed by UAAAC as the budget was not available.

## **Membership**

Based on the predominating majors of student athletes, the committee determined the following regarding composition, and amended the bylaws accordingly:

- UAAAC should be composed of 8 faculty members instead of 6
  - o Two of these members should represent Arts & Sciences
  - Two should represent Business
  - o Two should represent Education, with at least one coming from Kinesiology
  - One should represent Health Sciences
  - o One should represent Pharmacy
