The meeting was called to order at 3:30 p.m. by Dr. Rob Hanser in SUB 170. Due to the fact that the committee's workshop on National American Indian Heritage Month had to be scheduled at 4:00 p.m., it was considered prudent to have the committee meet for 30 minutes in SUB 170, the same location of the workshop. The following items were discussed:

Item 1 – Old Business

Hanser noted that the minutes for the meeting on 10-27-2008 and the minutes for this meeting would be available on the 01 December, 2008 meeting. Given the time schedule, there was insufficient time for a full meeting.

The committee noted that the Mix-It-Up event turned out well with many attendees being present throughout the lunch period.

Item 2 – National American Indian Heritage Month

At 4:00 p.m. the committee sponsored and attended the workshop for National American Indian Heritage Month in SUB 170. Dr. Roger Carpenter was invited as the guest speaker for this event, his expertise being recognized in realm of Native American history. Other presenters, both committee members and student attendees, provided insight and perspective.

There being no further business, the meeting was adjourned at 4:00 P.M.

Respectfully submitted,

Dr. Robert D. Hanser
Chair, ULM Diversity Committee
