

Electronic Learning Committee Summary

2013-2014

The goal for the 2013-2014 Electronic Learning Committee was to develop a Distance Learning Policy to be completed by the end of the 2014 spring semester. The committee met twice in the fall semester to review research related to distance learning policy and various policies developed by other institutions. The committee determined that the following categories should be included in the policy: (1) Academic, (2)Philosophical, (3)Fiscal, Geographic, Governance, (4)Faculty, (5)Student, (6)Technical, and (7)Legal. Subcommittees were formed and members have been working to develop their category for the policy in Moodle. The policy is on target to be completed by the end of the spring 2014 semester.
