III. New Business

A. Extra Credit policy

- a. If using students as research subjects in order to fulfill course requirements or to allow them extra credit, the following must be stated in the IRB Request for Review:
 - **Explain how participants will be recruited:** Students in ULM classes may be offered the opportunity to participate in various research projects in order to fulfill requirements of the course.
 - **Statement of Possible Risks and Benefits:** Students who participate as subjects in the research, beyond that which is a course requirement, may have the opportunity to earn extra credit points for their participation. If students choose not to participate as subjects in the research, other equivalent opportunities to earn equivalent credit will be provided by the course instructor.

IV. Other Business
