<b>DISCUSSION TOPICS</b>	
	<p>Athletics and Compliance: (Erika Cheung, Scott McDonald) -- No report.</p> <p>FAR/Academic Integrity and Compliance Subcommittee: (Mary Adams) -- Sun Belt meeting went very well. Meeting between FAR and student athletes at Sun Belt conference were productive. Big focus at Sun Belt was life after sports for athletes. In addition, discussion around being mindful of student athletes as they feel isolated on campuses and out of touch with the rest of campus/student body. Initiatives being created to provide alternative times for activities to reduce exclusion. An example is that career fairs are scheduled times discussed last meeting and how it is difficult for athletes to attend these career fairs when they are dealing with missing classes or practices when these events take place. Discussion is centering around how to provide those alternative schedules to allow for participation in activities like career fair, internships, etc. Mary attending COHS lunch and learn to discuss faculty role in advising student athletes.</p> <p>Equity and Student-Athlete Well-being: (L.
