Chair Report:

None

AD Report:

Bennett introduced Kevin Price, Senior Associate Athletics Director , who will represent the AD at all UAAAC meetings. Price took a moment to more fully introduce himself and to share his work philosophy. He emphasized that there is no reason our athletes cannot be successful in the classroom and on the field of play.

FAR Report:

Bennett noted the Implementation Report for AIP is almost complete. He stated that one UAAAC subcmte of at least 3 members will take over the AIP reports. He asked for volunteers and emphasized that he hopes for a smooth transition from the PATF to this new subcmte; he therefore suggests that the incoming members of this subcmte attend several upcoming PATF meetings.

Thameling asked for clarification on the PATF's role, and Bennett stated that the cmte was formed to write an academic improvement plan for teams who are underwater with the NCAA's APR requirements (beneath minimum score of 930). Bennett noted that this Academic subcmte will meet as needed. Thameling and DeNardin volunteered to serve alongside Bennett and Michaelides, who are both PATF members planning to maintain involvement with the process.

Athletic Academics:

Michaelides will begin reporting at next month's meeting.

Next Meeting:

Our next meeting is scheduled for Tuesday, October 1st at 4 pm.

Respectfully Submitted,

Mary Adams

Secretary of UAAAC
