Agenda topics

DISCUSSION	Update on budget. Library use.	
DISCUSSION	The Provost has indicated that it's possible that the library will be spared budget cuts next year. That would mean that next year won't be worse and may even get better.	
	Purchase of items requested by the Pharmacy has been completed.	
	Medline was brought on this year at a cost of \$5000 annually and is very widely used. Access to articles has been so high that the cost per article is very low.	
	Usage of Netlibrary is higher than for everything else in the building put together. Money is available to continue what we have and possibly to add more next year.
