Directions

Above you will find the degree plan that begins in Fall 2020 for full-time study. All of the required courses are listed according to what semester and year they need to be taken. Note that (*) Career Counseling can be taken the first or second year summer and Principles of Administration of MHC can be taken second or third year spring. To complete this form, please fill in your name at the top, choose at least four elective courses (include their course number, name, credit hours, and when they are scheduled to be taken), and print, sign and scan, and send the form to Thomas Foster at tfoster@ulm.edu

If you are part-time, please work with your advisor to adjust the semesters you will take each class
