**ULM office hours:**

Monday – Thursday 7:30 am to 5:00 pm
Friday 7:30 am to 11:30 am
The Dual Enrollment Program at the University of Louisiana Monroe offers students at participating schools the opportunity to earn college credit and meet the requirements for high school graduation.

DE Courses are taught in Fall and Spring semesters either at the high school or online by SACSCOC-qualified Instructors.

This DE Handbook provides information on the application, registration, payment, & grading processes for Dual Enrollment and instructions for using the ULM Campus systems. ULM contact information is at the end of the handbook.

**Advantages:**

- Earning college credit while in high school may help reduce the time needed to earn a degree after high school
- The variety of courses available allows students to explore electives as well as complete introductory and/or Core Curriculum courses
- Participation in DE can help smooth the transition between high school and college
- All ULM DE courses are reserved for Dual Enrollment students
- DE courses are offered at reduced tuition – $150 per course – which can help stretch financial aid, scholarships, and family budgets after high school
- Extended tuition payment period accommodates third-party verification and payment
- Students are registered manually through the ULM DE office in cooperation with the HS counselor
  *This ensures all SACSCOC, LA BOR, ULM, & individual high school requirements are met
- Dual Enrollment course semester schedules are customized
  - F2F courses have a slightly extended semester that is adjusted to the high school’s schedule
  - Online courses have a slightly compressed semester to accommodate varying school start and end dates and allow time to purchase required texts, access codes, etc.

**Dual Enrollment Admission Requirements:**

**Louisiana Board of Regents Dual Enrollment Admission Requirements**

1. Address the TOPS Core (TU) curriculum
2. Minimum 2.5 OVERALL high school GPA
3. Minimum 19 ACT Composite (990-1020 SAT total)
4. Minimum English ACT of 18* (320 SAT ERW)
5. Minimum MATH ACT of 19* (510 SAT Math)

*HS students who meet other readiness indicators but are in need of remediation must be making progress to address the necessary remediation to enroll in ANY course on the Articulation Matrix:

- Students with an ACT sub score of <18 in English who meet all other requirements may enroll in a MATH course, an Introductory Science course, and/or an elective course not specifically listed on the Articulation Matrix if they concurrently address the reading/writing deficiencies.
- Students with an ACT sub score of <19 in MATH who meet all other requirements may enroll in English, Foreign Language, History, Introductory Social Science, Humanities, and/or Fine Arts courses if they concurrently address the Mathematics deficiencies.

Addressing deficiencies includes continuing HS courses in the TOPS Core Curriculum, increasing ACT sub scores, successfully completing remedial college courses, &/or earning eligible scores on a placement test (ex: Accuplacer).
Before enrolling in any course on the Master Articulation Matrix in the Spring semester of the Senior year in high school, students MUST demonstrate readiness in both English & Mathematics.

High schools must provide proof of eligibility prior to the beginning of the Senior-year Spring semester:
- Qualifying ACT/SAT scores in both English and Mathematics
- College credit in required remedial course
- Eligible Accuplacer score in deficient subject

Additionally, in order for students to be enrolled in courses, the following conditions apply:
1. Must be at least a Sophomore in high school
2. Admitted to ULM prior to the posted deadline
3. High school provides proof that all course prerequisites are met
4. Requested courses are on the SACSCOC-approved course list for the student's high school
5. Requested and approved courses have available space

Important Information Regarding Registration:
- Dual Enrollment course grades are posted to the student’s permanent college transcript
- The student is responsible for following the ULM Dual Enrollment calendar and the specific course schedule outlined in each course. **ULM school breaks and holidays may differ from those of the high school.**
- The student is responsible for officially withdrawing (prior to the posted deadline) from any course he/she chooses not to complete. During the drop/add period, students who request to drop from courses have no permanent record of enrolling in those courses. After the ULM 14th class day, official withdrawals result in a “W” grade on the ULM transcript and tuition is owed to ULM.
- Registration in a Dual Enrollment course creates a tuition balance due to ULM – whether the student completes the course or the student withdraws from course after the ULM 14th class day.
- The student is responsible for adhering to all ULM policies and procedures governing student conduct and academic honesty published in the ULM Code of Student Conduct

DE Application Process:

**STEP 1: Signature Page**
Print & Complete the current academic year ULM Dual Enrollment Signature Page – on the website.
NEW DE STUDENTS: Must have signature page and all required items in checklist
CONTINUING STUDENTS: Signature page must be provided once each academic year
Students should submit form to the high school Dual Enrollment Counselor
Signature Pages may be faxed to ULM DE at (318) 342-1451. High schools are required to keep originals on file.

The Signature Page is an agreement between ULM, the student, the parent(s), and the student’s high school.
An online application to ULM for the Dual Enrollment program is required to be admitted.

**STEP 2: Online ULM Application**
www.ulm.edu/dualenrollment
-NEW applicants
- previously applied but did not enroll within the academic year
- previously applied but were not admitted
- previously registered for/completed DE courses, but have not enrolled in the past two semesters
STEP 3: Additional Required Application Documents/Information

New DE Students: The following items must be received by ULM to complete admission:
1. NON-REFUNDABLE $20.00 application fee paid by check or Money Order made out to ULM, with student's full name noted
2. Official High School Transcript (also submit unofficial to ULM DE office)
3. Official, electronic ACT/SAT Scores - via official site only (also submit unofficial score report to ULM DE office)
   ACT (http://www.actstudent.org/scores/send/) – ACT code for ULM: 1598
   SAT (https://collegereadiness.collegeboard.org/sat/scores/sending-scores) - SAT code for ULM: 6482
4. If a student has taken DE courses at another college or university, s/he must send an Official College Transcript to ULM Admissions AND an unofficial transcript to the ULM Dual Enrollment office.

Follow the checklist at the bottom of the Signature Page to ensure all requirements are met.

DE Registration Process

STEP A. Enrollment roster- An Excel file is sent to high school DE contacts prior to the beginning of each semester. DE contacts complete the rosters, get student signatures, and verify it by signing themselves. Then the DE contact sends the roster to the ULM DE office.

1. One roster for each class.
   To add a tab with a new Enrollment Roster: RIGHT-CLICK the tab marked 1. CLICK Move or Copy. CLICK the box that says Create a Copy. CLICK Okay. This will create a new tab marked 1(2) with the exact same Enrollment Roster as the tab marked 1.

2. DE contacts should type High School name, Course Name and Number, and CRN (if known). ONLY type in Instructor name for F2F classes.

3. DE contacts must type student’s legal name in alphabetic order by last name. Legal names are required to match the online ULM application with the HS transcript, official ACT scores, and Signature Page. **When names do not match legal records, a copy of the birth certificate and/or social security card must be provided to verify the student's name. This can delay admission to ULM and cause the student to miss the course registration deadline.

4. DE contacts should CONFIRM that students have read and understand what signing the roster means. Ensure students understand PRIOR to signing.

   Students: Your signature acknowledges you want to be registered in this class for college credit. You are NOT YET officially enrolled in this course. You understand once you are enrolled, payment is due for applicable course tuition and you will receive a final grade on your ULM transcript unless you withdraw by the posted deadline. If you wish to withdraw, you must abide by university policies and deadlines.

5. SIGNED Enrollment rosters – signed by students, teacher if F2F, and Principal/School Representative. They should be faxed to (318) 342-1451 as soon as they are ready; but no later than the deadline marked on the roster.
   Once rosters are sent in, all requests to ADD or DROP a class require a signed request form. The ADD request & DROP request forms are on marked tabs in the workbook. Use ONE REQUEST FORM per class.

TO USE QUALIFYING CLEP SCORES as a prerequisite for a 2nd MATH or ENGL course:
1. The student MUST also have a MATH ACT sub score of 19 or higher for registration in a 2nd MATH
2. The student MUST also have an ENGL ACT sub score of 18 or higher for registration in a 2nd ENGL
3. A Candidate Score Report showing the test date and qualifying CLEP score AND an ACT Score Report showing qualifying scores must be faxed to the ULM DE office:
   http://catalog.ulm.edu/content.php?catoId=23&navoid=2875#Credits_for_Distance_Learning_Extension_Examination_and_Military_Service
6. If Online DE classes do not meet minimum enrollment and are cancelled, DE contacts will be notified by email. Students will have AT LEAST TWO DAYS to request registration in an alternate course by using a signed, ADD request form.

Students are registered in the order in which the SIGNED Enrollment Rosters are received, if they are admitted. Students should have an alternate course in mind in case the first-choice class is cancelled or fills up before they can be registered.

**STEP B. Official Registration is requested by the DE office through the Registrar’s office with the following:**

- admission to ULM for the DE program prior to the posted deadline
- signed enrollment roster
- all course prerequisites are met
- registration requested is in courses on the SACSCOC approved list for student’s high school
- courses have spots available for registration
- **NOTE:** The DE registration period is different from the regular ULM registration period

**STEP C. Notification of registration & student CWID numbers:**
The ULM DE office will send DE contacts notification of the students officially registered in classes. The list includes the student’s CWID. DE contacts are responsible for sharing CWID numbers, information and instructions with students. DE contacts should have students check registration in Banner (steps below) and must notify the ULM DE office immediately if there is an error:

Go to [www.banner.ulm.edu](http://www.banner.ulm.edu) – click Login to Access Your Personal ULM Information
Enter User ID [student CWID number] & pin [same as the one used to log into Moodle]
Click Student tab (at the top)
Click Registration
Click Select Term – Choose the current term (ex: Fall 2018) from the drop-down menu
Click SUBMIT
Click Concise Student Schedule

This page lists the classes for which you are registered for the term.
All of the detailed information about the class is included.

**DE Payment Process**

**STEP 1. Tuition Rosters:**
Rosters confirm student enrollment and tuition balances. DE contacts must verify the rosters and note electronically on the spreadsheet how the tuition will be paid (SCA, school funds, student pay, etc.). Verified rosters must be returned by the posted semester deadline. If your school requires an invoice, please request one from our office.

**STEP 2. Tuition Payments:**
DE students making individual payments for tuition may pay:
*Online via student BANNER account: [http://www.ulm.edu/dualenrollment/how_to_pay_online.pdf](http://www.ulm.edu/dualenrollment/how_to_pay_online.pdf)*
*By check or money order made out to ULM with the student’s full name and CWID. Students submit check or money order to the school’s DE contact who will then submit payments to the ULM DE office. Tuition is owed for any course in which a student is enrolled after the ULM 14th class day. This date is on the DE Semester Monthly Calendar and is posted on the ULM website.*

*A $50 LATE FEE is added to tuition balances after the payment deadline for students paying individually* All student balances verified as “to be paid by SCA or school funds” will NOT have late fees assessed.
DE Grading Process - Students should monitor their own grades throughout the semester

At Midterm for each semester, DE students should check their grades, either with the F2F teacher or via Moodle for online courses. If students want to withdraw from a course, the Withdrawal Request form must be completed. It must be signed by the student, the teacher if F2F, and the DE contact, and submitted to the ULM DE office by email or fax prior to the posted deadline. Withdrawal from a course results in a grade of "W" on the student's transcript and any tuition balance for the course is still owed to ULM.

Grade Rosters for face-to-face (F2F) Classes are sent to DE contacts near the end of the semester. High school teachers/DE contacts submit verified and signed grade rosters to the DE office by the stated deadline. The DE office will post grades to the Banner system and official grades are posted on the ULM transcript. The grading scale is determined by the high school.

Online grades are submitted to the DE office by the online Instructors. The DE office will compile Grade Reports and send them to the schools so grades can be posted on the high school transcript. The DE office will also post grades to the Banner system and official grades are posted on the ULM transcript. The grading scale for the grade posted on the ULM transcript is determined by the ULM faculty for the course.

Students do not receive ULM Dual Enrollment grades by mail.

DE students are covered under FERPA

The acronym FERPA stands for the Family Educational Rights and Privacy Act (20 U.S.C. 1232g, 34CFR§99), which Congress enacted in 1974. It is sometimes referred to as the Buckley Amendment.

Faculty, staff, and administrative officers at ULM are required by FERPA to treat education records in a legally specified manner. The Act specifies the institutional penalties for violation of its stipulations, as well as procedures for providing student access to and maintaining the privacy of student records. The University's more detailed response to FERPA is printed yearly in the Student Policy Paper under the Student Records sections entitled Access to Records, Confidentiality of Student Records, Correction of Educational Records, Cost, Directory Information, Maintenance of Records, Notification of Rights Under FERPA, Procedures for Challenge, and Requesting a Transcript.

Please click the link to download the PDF or to view the complete FERPA section: FERPA [.pdf]

ULM faculty and staff cannot discuss detailed student information, course activity, grades, etc. with anyone (including parents) other than the student and assigned HS contact without a signed waiver.
**Dual Enrollment Course Information: Face-to-Face (F2F)**

F2F courses are ONLY available to students who attend the specific high school at which they are taught. Some courses are offered either Fall semester or Spring semester; some are offered both Fall & Spring semesters; and some F2F courses are offered for the full academic year (August to May).

F2F courses available at specific high schools with teachers who meet ULM/SACSCOC adjunct faculty criteria include:

Go to www.ulm.edu
• MyULM (toward right side, under search bar)
• HELP tab (at the top, 2nd tab from left)
• Enter CWID number into box on right side of page. CWIDs are listed on both the Notification of Registration AND Tuition Rosters sent to DE contacts
• Get account name
• The MyULM User ID will show: Your assigned account name is EX: lastname
  o Your password is initially assigned using your birth month, birth day and last two digits of the birth year, followed by a dash and the last 4 digits of your CWID. Ex: 090395-1234.
• ULM EMAIL – Your email address is ex: lastname@warhawks.ulm.edu
  ▪ -yourMyULMUser ID@warhawks.ulm.edu Your ULM email can be accessed via MyULM.

You can access Office365 help via: http://www.ulm.edu/computingcenter/office365_help/web_users.html

Students are required to use the ULM Warhawks email address (@warhawks.ulm.edu) when communicating with ULM instructors &/or coordinators.

For problems with resetting a password or logging into the ULM Campus systems, contact the ULM Help Desk at 318-342-3333.

• Go to www.ulm.edu
• MyULM (toward right side, under search bar)
• Enter your MyULM User ID and password.
• Click the Campus Systems tab (second from left)

NOTE REGARDING MOODLE: The first time students log into Moodle, they will not see courses. Students must log into Moodle and immediately log out. Within 30 minutes to 3 hours after the initial login, courses will have loaded into student Moodle pages and they can access courses through Moodle.
To log into the Banner system
Students can either click the Banner Sign On within MyULM or go to www.banner.ulm.edu
Login to Access Your Personal ULM Information
Enter the **CVID number** & PIN (the PIN is initially the same as the initial MyULM password)

**HOW TO: Your video guide to simplifying access to ULM's student resources:**
http://www.ulm.edu/howto/

To check the unofficial transcript in the Banner system
Login to Banner (following the steps above)
- Student tab (at the top)
- Student Records
- Academic Transcript
- SUBMIT
  The student’s unofficial transcript will show all registrations and posted grades.

If grades **DO NOT SHOW** for a course, the grades may not have officially rolled into transcript history yet. It is a detailed process that can take a while as the DE schedule runs later than the regular ULM schedule.

**NOTE REGARDING TRANSCRIPTS:** colleges and universities cannot post grades from unofficial transcripts. See the "To Transfer ULM DE Credit to other Universities" section on page 11.

**HOLDS:**
Students with outstanding balances and/or students who have not yet provided required items to ULM (ex: application fee, Signature Page, official HS transcripts, official college transcripts, official, electronic ACT/SAT scores) will have holds placed on their accounts.
These holds prevent registration in future semesters and the receiving or sending of official transcripts.

Once such holds are placed on an account, **it is the student’s responsibility** to contact the ULM Dual Enrollment office to pay the debt and/or provide the required documents to have the holds cleared.
To continue at ULM as a beginning freshman:

The Dual Enrollment application to ULM will be converted to a First-time Freshman application for the following Fall semester for all graduating Senior students whose admission to ULM is complete (all requirements met – not on provisional admission status).

Students should ensure their application/admission for DE is complete by submitting all necessary requirements in a timely manner:

- Official High School Transcript (from current and previous high schools, as applicable)
