

FALL 2020 ONLINE Dual Enrollment course list

ONLINE courses must meet minimum enrollment and are subject to maximum size limits

Textbooks and/or Access codes for online courses can be found on each Moodle course page. Students must log in to their Moodle account as quickly as possible once registered to ensure they have the correct textbook and/or access code.

It is the student's responsibility to have textbooks and/or access codes within one week of the posted online course start dates even if they are paid for by the school or district.

Students admitted to ULM for the Dual Enrollment Program may take only those courses on their high school's SACSCOC course list.
SACSCOC course lists are individually sent to each high school's DE Contact.

AHSC 2000. MEDICAL TERMINOLOGY. 3 cr. Origin of words and principles of their construction. Definitions of medical terms, diseases, syndromes, and application of terms in clinical practice are stressed. Overview of anatomy and physiology and application to each system is reviewed. LCCN: CHLT 1103

Offered through DE in Fall and Spring semesters.

Students must have a MATH ACT sub score of 19 or higher.

ART 1009. ART APPRECIATION. 3 cr. A general orientation and understanding of visual and plastic art forms. For non-art majors.

LCCN: CART 1023. **Offered through DE in Fall and Spring semesters.**

Students must have an ENGL ACT sub score of 18 or higher.
