Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education?

<https://www2.ed.gov/programs/tqpartnership/awards.html>

- Yes
 No

If yes, provide the following:

AWARD YEAR

GRANTEE NAME

PROJECT NAME

GRANT NUMBER

LIST PARTNER DISTRICTS/LEAS (ONE PER LINE)

LIST OTHER PARTNERS (ONE PER LINE)

PROJECT TYPE

- Residency
- Pre-baccalaureate
- Both Residency and Pre-baccalaureate

List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

THIS PAGE INCLUDES:

>> [Program Information](#)

Program Information

List each teacher preparation program included in your alternative, ihe-based route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <https://www2.ed.gov/programs/tqpartnership/awards.html>.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
MAT - Elementary Education & Special Education Mild/Moderate (Grades 1-5)	No	
MAT Elementary Education (Grades 1-5)	No	
MAT Multiple Levels (Grades K-12) - Minor/Concentration: Health and Physical Education	No	
MAT Secondary Ed & Special Education Mild/Moderate (Grades 6-12): Concentration in Social Studies	No	
MAT Secondary Education & Special Education Mild/Moderate (Grades 6-12): Concentration in Biology	No	
MAT Secondary Education & Special Education Mild/Moderate (Grades 6-12): Concentration in Chemistry	No	
MAT Secondary Education & Special Education Mild/Moderate (Grades 6-12): Concentration in Earth Sci	No	
MAT Secondary Education & Special Education Mild/Moderate (Grades 6-12): Concentration in English	No	
MAT Secondary Education & Special Education Mild/Moderate (Grades 6-12): Concentration in Math	No	
MAT Secondary Education & Special Education Mild/Moderate (Grades 6-12): Concentration:General Sci	No	

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
MAT Secondary Education (Grades 6-12) - Minor/Concentration: Biology	No	
MAT Secondary Education (Grades 6-12) - Minor/Concentration: Chemistry	No	
MAT Secondary Education (Grades 6-12) - Minor/Concentration: Earth Science	No	
MAT Secondary Education (Grades 6-12) - Minor/Concentration: English	No	
MAT Secondary Education (Grades 6-12) - Minor/Concentration: French	No	
MAT Secondary Education (Grades 6-12) - Minor/Concentration: General Science	No

MAT Secondary Education (Grades 6-12) - Minor/Concentration: Social Studies	No	
MAT Secondary Education (Grades 6-12) - Minor/Concentration: Spanish	No	

Total number of teacher preparation programs: 19

Program Requirements

THIS PAGE INCLUDES:

- >> [Admissions](#)
- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Postgraduate

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- Yes
 No

3. Provide a link to your website where additional information about admissions requirements can be found:

http://www.ulm.edu/teach

4. Please provide any additional information about or exceptions to the admissions information provided above:

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the undergraduate level?

- Yes
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Required for Entry	Required for Exit

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

2.5

3. What was the median GPA of individuals accepted into the program in academic year 2015-16?

3.001

4. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

3

5. What was the median GPA of individuals completing the program in academic year 2015-16?

3.937

6. Please provide any additional information about the information provided above:

For admission, students must complete 20 observation hours, a Knowledge Skills and Dispositions Checklist and a combined score of 1875 on a scale which is found by multiplying their total undergraduate grade-point average by the combined Graduate Record Examination General Test score (Verbal plus Quantitative).

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2015-16. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

[Additional guidance on reporting supervised clinical experience and nonclinical coursework.](#)

Average number of clock hours of supervised clinical experience required prior to student teaching	0
Average number of clock hours required for student teaching	0
Average number of clock hours required for mentoring/induction support	90
Number of full-time equivalent faculty supervising clinical experience during this academic year	1
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	4
Number of students in supervised clinical experience during this academic year	40

Please provide any additional information about or descriptions of the supervised clinical experiences:

MAT students must complete 20 hours of observation in culturally diverse sites that fall within their certification area and level prior to being admitted to the program. Once admitted students are required to complete one week of supervised field experience. During this time, candidates co-plan and co-teach with a master, lead teacher in their field, who provides instructional coaching. They are expected to conduct a pre and post test, provide formative assessment and feedback and teach a solo lesson. Adjunct professors, who act as mentors, observe and evaluate the teaching and provide feedback. Teacher candidates are required to complete two consecutive semesters of internship, beginning with the fall. During the internship, students serve as the teacher of record in their certification area. As teachers of record, candidates work full time for 180 days. They are responsible for planning, teaching, managing classrooms, assessing, managing data, and maintaining adequate records. They are evaluated and compensated by the district and must meet standards of teaching effectiveness and professionalism. Candidates have access to all the same professional learning and development opportunities provided by the district. In some districts they are also provided with a mentor. Candidates are completing relevant coursework concurrent to their internship. The internship course requires them to perform action, practitioner research to improve their practice through reflective thinking.

Enrollment

THIS PAGE INCLUDES:

>> [Enrollment](#)

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2015-16	<input type="text" value="73"/>
Unduplicated number of males enrolled in 2015-16	<input type="text" value="14"/>
Unduplicated number of females enrolled in 2015-16	<input type="text" value="59"/>

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. ([§205\(a\)\(1\)\(C\)\(ii\)\(H\)](#))

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2015-16. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

[Additional guidance on reporting teachers prepared by subject area.](#)

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2015-16. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2015-16 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Program Completers](#)

Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years.

2015-16	<input type="text" value="35"/>
2014-15	<input type="text" value="37"/>
2013-14	<input type="text" value="32"/>

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Annual Goals - Mathematics](#)
- >> [Annual Goals - Science](#)
- >> [Annual Goals - Special Education](#)
- >> [Annual Goals - Instruction of Limited English Proficient Students](#)
- >> [Assurances](#)

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in mathematics in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in mathematics in 2015-16?

5

3. Did your program meet the goal for prospective teachers set in mathematics in 2015-16?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

The School of Education is working with the Graduate School to develop a recruitment plan. This will include cohesive literature that will be shared with the Graduate School intended to direct students to the MAT (alternative route) program. There is also going to be stronger collaboration with the Mathematics Department in the School of Sciences to counsel students with a degree in Mathematics into the MAT program if they are interested in exploring options for a higher degree.

6. Provide any additional comments, exceptions and explanations below:

Academic year 2016-17

7. Is your program preparing teachers in mathematics in 2016-17?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in mathematics in 2016-17?

1

9. Provide any additional comments, exceptions and explanations below:

Academic year 2017-18

10. Will your program prepare teachers in mathematics in 2017-18?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in mathematics in 2017-18?

2

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in science in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in science in 2015-16?

6

3. Did your program meet the goal for prospective teachers set in science in 2015-16?

- Yes
- No

5

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing

professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in special education in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in special education in 2015-16?

15

3. Did your program meet the goal for prospective teachers set in special education in 2015-16?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

The School of Education has convinced many students that there is a benefit to dual-certification because it makes the candidate more marketable and flexible to find a position in the school or area that he or she desires. There is also a need for dual-certified teachers which increases the candidate's chance of finding a position.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

12. Provide any additional comments, exceptions and explanations below:

Assurances

Please certify that your institution is in compliance with the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#), [§206\(b\)](#)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
- No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes
- No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
- No
- Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
- No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
- No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
- No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
- No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

Curriculum is approved by the Board of Regents, which ensures successful candidates fulfill requirements for initial licensure. Program Completers are deemed highly qualified according to state requirements. In addition, we provide monthly seminars that address best practices and current research as informed by partner district personnel. Also, program providers have established a two-way information sharing system that entails an electronic database of teacher candidates and completers and reported district shortages and current staffing needs. This open communication provides the basis for collaboration around current instructional practices and action research data. All of our program plans of study for regular ed candidates include coursework related to students with exceptionalities as well as culturally proficient pedagogy and practices. This provides the foundational understanding for differentiation and meeting the needs of all learners. Conversely, all teacher candidates pursuing a special education certification are required to receive dual certification in general elementary or a secondary content area.

Low-Performing

THIS PAGE INCLUDES:

>> [Low-Performing](#)

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

1. Is your teacher preparation program currently approved or accredited?

- Yes
 No

If yes, please specify the organization(s) that approved or accredited your program:

- State
 NCATE
 TEAC
 CAEP
 Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- Yes
 No

Use of Technology

THIS PAGE INCLUDES:

>> [Use of Technology](#)

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

During their program, our teacher education candidates take an introduction to educational technology course. This course provides instruction in the selection, organization, and integration of technology-based instructional materials into instructional settings and offers laboratory practice for the production of computer-based materials. Also in their professional education courses, students are required to create lesson plans that contain student centered technology use. Additionally, teacher education candidates create electronic showcase portfolio, which contain edited video snippets of their teaching and MP3 recordings of read aloud and other multimedia projects.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. [\(§205\(a\)\(1\)\(G\)\)](#)

1. Does your program prepare general education teachers to:

a. teach students with disabilities effectively

- Yes
 No

b. participate as a member of individualized education program teams

- Yes
 No

c. teach students who are limited English proficient effectively

- Yes
 No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

The undergraduate and ULM MAT programs include modules in all pedagogy and methodology coursework that includes strategies and interventions for students with special needs, including students for whom English is a second language. The courses that focuses exclusively on special needs for the undergraduate program is SPED 2002 (Survey of Children with Special Needs) and SPED 3010 (Behavior Support Interventions for Students with Special Needs). The course that focuses exclusively on special needs for the MAT program is CURR 5045 (Educational Techniques for Diverse Learners in Inclusive Classrooms). These courses familiarizes students with characteristics of disabilities and accommodation strategies to implement in the general education classroom. Students learn about RTI and the referral/IEP process and the role(s) they will play in the process and have opportunities to create and teach. It is important to note that even though the MAT program is essentially online, all participants of the cohort participate in an intensive three-week face-to face series of seminars that provide opportunities for simulation activities and interaction with speakers knowledgeable in teaching ESL students and in inclusive classroom academic and behavioral management

3. Does your program prepare special education teachers to:

a. teach students with disabilities effectively

- Yes

- No
- Program does not prepare special education teachers

b. participate as a member of individualized education program teams

- Yes
- No
- Program does not prepare special education teachers

c. teach students who are limited English proficient effectively

- Yes
- No
- Program does not prepare special education teachers

4. Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Initial certification Special Education programs at ULM is only offered at the graduate level through the alternative certification program (MAT in Special Education). Special education courses included in the program focus on culturally relevant pedagogical practices that increase success for students with limited English proficiency and those with special learning needs. Students apply these strategies in supervised lesson delivery. Faculty provide guidance and support through videotaped lesson observation analyses and feedback as well as simulation experiences and case studies. Students learn to respond to special learner characteristics by planning adaptive/ accommodative strategies that will be applicable in tiered instructional design and they receive training in interpretation of evaluation results for instructional planning. The program provides guidance and supervision in the roles and responsibilities of the special educator in RTI, IEP, and transition processes, and provides background information and experiences to promote culturally sensitive collaboration between parents, students, school professionals, and pupil appraisal. Every course includes field experiences and opportunities to reflect on and share insights with other participants in the course. Since the students in this program are teaching full-time in classrooms, they have multiple opportunities to apply preparatory coursework concepts in actual IEP meetings and collaboration with parents. Starting in July 2010, all MAT students will be receiving special education coursework and will be qualified to be dually certified in special education and general education.

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.
