Purpose of Form: This form must be completed by the student and academic department of any F-1 student requesting CPT authorization from International Student Services (ISS). CPT may be authorized to an F-1 student who has been lawfully enrolled on a full time basis for one full academic year. **Please complete the entire form** and return to the ISS office. Our contact information is listed above.

What is Curricular Practical Training (CPT)? CPT is work authorization for F-1 international students to receive additional training that is directly related to their degree level and major. Federal regulations permit F-1 students to engage in CPT that is an integral part of an established curriculum. Curricular practical training is defined to be alternative work/study, internship, cooperative education, or any other type of required internship or practicum that is offered by sponsoring employers through cooperative agreements with the school. Exceptions to the one academic year requirement are provided for students enrolled in graduate studies that require immediate participation in curricular practical training. A student may begin curricular practical training only after receiving his or her Form I-20 with the DSO endorsement (8 CFR 214.2(f)(10)(i)).

A student authorized for CPT may only be employed by a specific employer, at a specific location and for specific dates as approved by ISS. Any changes in the employment (i.e. employer, location, dates of employment) require a new CPT application.

I understand the following:

- I must register and receive course credit for the internship unless the internship is a requirement for all degree candidates that earns no credit.
- I must not begin work prior to receiving CPT authorization from my DSO. I will only engage in CPT employment after my CPT is approved and noted on my I-20.
- I must keep my DSO updated with any changes in employment. All changes in employment must be approved and updated on my I-20 prior to engaging in employment with another employer.
- I am only authorized to work during the specific dates of CPT employment stated on my I-20.
- I must adhere to CPT requirements and policies – failure to do so could result in the termination of my F-1 status.
- I understand that if I earn an aggregate of one year or more of full-time CPT, I will be ineligible for optional practical training (OPT) at the same educational level (8 CFR 214.2(f)(10)(i)).
