OTHER PROGRAM REQUIREMENTS

An audition on the student's primary instrument or voice is required for admission to the program. Prospective students are also required to complete a Music Theory Placement Exam and Piano Placement Exam if they have developed some skill level in that area.

BA students are required to perform in a major ensemble, related to their major instrument or voice, each semester of attendance.

Ensemble hours may be counted as free electives with approval from the adviser.

BA students are required to enroll in the Student Recital course (MUSC 1000/2000/3000/4000) each semester of attendance.

This is a NASM accreditation requirement.

In close consultation with the adviser, the BA student will develop an Individual Study Plan (ISP) that maps and tracks progress from matriculation to completion. An ISP is different from the degree check sheets widely used on the ULM campus in that it is an individual plan for one single student rather than a degree check sheet that applies to many students within a curriculum.

(*) In their final semester, BA students are required to complete a capstone project constructive of their intended career path.

The capstone could be a recital, research project, or other scholarly activity as approved by the adviser.

The senior project could also be an internship with a local music organization such as the Monroe Symphony Orchestra, local recording studio, music store, or at the blues education center in Bastrop being planned by Dr. Mable John.
