NOTES
(1) All music majors must pass proficiency examinations in piano.
(2) Substitute Music Electives - Piano Lessons for Piano Class
Music majors should see Core Curriculum (College of Arts, Education, and Sciences) requirements.
All MUSC coursework must be completed with a grade of "C" or better.
All Music majors must successfully perform in a major ensemble each semester of attendance.
All Music majors must enroll in Recital Class (MUSC 1000/2000/3000/4000) each semester of attendance and pass the class with a grade of "C" or better (NASM accreditation requirement).

OTHER PROGRAM REQUIREMENTS
An audition on the student's primary instrument or voice is required for admission to the program. Prospective students are also required to complete a Music Theory Placement Exam and Piano Placement Exam if they have developed some skill level in that area.
BA students are required to perform in a major ensemble, related to their major instrument or voice, each semester of attendance. Ensemble hours may be counted as free electives with approval from the adviser.
In close consultation with the adviser, the BA student will develop an Individual Study Plan (ISP) that maps and tracks progress from matriculation to completion. An ISP is different from the degree check sheets widely used on the ULM campus in that it is an individual plan for one single student rather than a degree check sheet that applies to many students within a curriculum.
(*) In their final semester, BA students are required to complete a capstone project constructive of their intended career path. The capstone could be a recital, research project, or other scholarly activity as approved by the adviser. The senior project could also be an internship with a local music organization such as the Monroe Symphony Orchestra, local recording studio, music store, or at the blues education center in Bastrop being planned by Dr. Mable John.
