

**University of Louisiana Monroe**  
**Kitty DeGree School of Nursing**  
**Family Nurse Practitioner (FNP) Program**  
**Application Deadline April 1, 2023**

Graduate School Admission Requirements for **ALL** students may be found at the following link:

[https://ulm.edu/gradschool/requirements.html#admiss\\_req](https://ulm.edu/gradschool/requirements.html#admiss_req)

- Each applicant must complete an **application online (no paper applications will be accepted)**, submit **official** transcripts from all colleges or universities attended.
- Applicants must submit an **official** score from either the Graduate Record Examination (GRE) or Graduate Administration Management Test (GMAT) when required by the program.
- **Official transcripts and test scores are sent directly from the issuing institution or evaluation agency** in a sealed envelope or electronically. If a transcript indicates that classes are in progress, the transcript will be deemed incomplete. Once the classes have been completed, another official transcript will need to be provided.
- If any prior graduate coursework has been completed, even if it is unrelated to the major being pursued at ULM, these transcripts will be reviewed. Applicants will need to be eligible for readmission at that college or university and must have no grades lower than a C in any graduate coursework completed at that institution.

Official documentation may be sent by mail to:
