The University of Louisiana at Monroe Annual Security Report and Fire Safety Report provides crime and fire statistics representing calendar years 2014, 2015, and 2016. Annual crime statistics are published and the ULM community are notified in September of the publication as well as how and where to access it.

The annual crime statistics reflect the Uniform Crime Reports filed by the University of Louisiana at Monroe Police Department, referrals to the University Student Affairs Office for alcohol, drug, and weapons law violations; and the reports of local law enforcement agencies. The Annual Security Report and Fire Safety Report provides information to assist all members of the community—faculty, administrators, staff, and students—in taking appropriate precautions to enhance their personal safety and security. It includes university policies and procedures related to:

- Reporting Crimes
- Timely Warning Reports
- Emergency Response and Evacuation Procedures
- Security of and Access to University Facilities
- Response to Sexual Assault/Sexual Violence
- Student Conduct Polices, Crime Prevention and Safety Awareness Programs
- Policies governing Alcohol and Other Drugs

- Fire Safety Report and Fire Statistics for On-Campus Residential Facilities

Compilation of information for this report, as well as required statistical data, was accomplished through cooperative efforts with Student Affairs; Resident Life; Deans; Student Services; Title IX; Environmental, Health & Safety; Advisors to Students; Directors; Special projects officers and University Police.

Criminal Statistics for off-campus properties owned or controlled by the University or recognized student organization, and public property immediately adjacent to the campus are obtained from local law enforcement agencies.
UNIVERSITY POLICE:

Addressing the authority to make arrests:
The University of Louisiana at Monroe Police Department (ULM-PD) has complete police authority to apprehend and arrest anyone involved in illegal acts on campus and in areas immediately adjacent to the campus. All ULM-PD officers are Louisiana POST (Police Officer Standards and Training) certified. If minor offenses involving University rules and regulations are committed by a ULM student, the ULM-PD may also refer the student to University Student Affairs for disciplinary action.

The Department has the ability to call upon additional investigative and forensic services from partnering law enforcement agencies if they are needed. The prosecution of all criminal offenses, both felony and misdemeanor, is conducted through the Ouachita Parish District Attorney’s Office.

Addressing the working relationship with State and local police agencies:
ULM-PD personnel work closely with local, state and federal law enforcement agencies and have direct radio communication with the Monroe Police Department and surrounding agencies via the Louisiana Wireless Information Network (LWIN). By mutual agreement with state and federal agencies, the ULM-PD maintains a National Law Enforcement Telecommunications Network (NLETS) terminal. Through this system police personnel can access the National Crime Information Computer (NCIC) system as well as the wants, warrants, driving and vehicle records systems for the State of Louisiana. These computer databases are used for accessing criminal history data, nationwide police records, driver/vehicle identification information, as well as other local, state and federal law enforcement information.

Addressing the jurisdiction of ULM-PD:
The ULM-PD’s primary jurisdiction extends to the 238-acre main campus and sports complex, University Farm and other University facilities in Ouachita Parish. If any property is purchased or leased in outlying surrounding parishes then it will be primarily patrolled by the local agency of jurisdiction and crimes will be jointly investigated with the ULM-PD. There are two campuses located outside of Ouachita Parish. These campuses are leased properties for use by the ULM College of Pharmacy. They are located at 1725 Claiborne Avenue in Shreveport, La. 71103 and at 3849 North Blvd. in Baton Rouge, La. 70806. The Shreveport Campus property is patrolled by the LSU Health Sciences Center Police along with the City of Shreveport Police Department. The Baton Rouge Campus property is patrolled by the City of Baton Rouge Police Department. The aforementioned outside agencies provide law enforcement services to the off campus locations.

ULM-PD provide 24 hour-a-day, seven-days-a-week, and 365 days-a-year police protection to the ULM campus including parking lots, residence halls, the farm and athletic complex that is located in Ouachita Parish. ULM-PD serves approximately 775 full-time employees and approximately 508 part-time employees in addition to approximately 8,854 students along with citizens in areas adjacent to the main campus.
The ULM-PD is comprised of:

- 17 Police Officers
- 5 Police Dispatchers
- 1 Administrative Coordinator
- 10 Student Ticket Writers
- 4 Student Workers

**Addressing the enforcement authority:**
ULM-PD police officers are fully commissioned law enforcement officers vested with all of the powers, authority and responsibilities of any police officer of the state on property owned or operated by the University, including adjacent streets. Police authority is derived from Section 17:1805 of the Louisiana Revised Statutes. Officers have additional policing powers extending off the campus to investigate crimes, make arrests, transport prisoners, are engaged in money transports, dignitary protection or when requested by outside agencies or under the authority of Memoranda of Understanding (Section 17:1805(d)).

Additionally, state law grants university police officer’s the authority to carry concealed weapons, to have the power of arrest on and off campus, cross jurisdictional boundaries and to have statewide jurisdiction for the investigation of crimes originating on campus.

Communication dispatchers monitor telephones and the law enforcement radio network on a 24-hour basis, 365 days in a year to give information and respond to emergencies. They can instantly dispatch fire or emergency medical services and communicate with local police agencies when needed. ULM-PD dispatchers also monitor the National Weather Service radio network.

**Addressing responding to calls for Police Service:**
Calls received by the ULM-PD are checked by an officer. Reported criminal acts or emergencies on campus result in an officer being immediately dispatched to the location of the occurrence. The dispatcher, if needed, will also notify other emergency services, such as fire or ambulance, and other law enforcement agencies. The on-duty or on-call Supervisor may also notify appropriate personnel in University offices, including the Executive Staff, University Services, Counseling Center and/or Facilities who may need to respond.

An assigned officer will investigate and prepare a detailed report of the incident. When necessary, an assigned officer will perform an investigative follow-up. Confidential criminal investigation reports and as such are not required to be disclosed to the public or to university administrators while an investigation is on-going, except when court ordered. The department maintains statistical data from these reports for appropriate use and publishes an Annual Security Report (ASR) that is available to the public along with the daily crime log that is also available to the general public.
Criminal offenses are referred to the Ouachita Parish District Attorney’s Office for prosecution. Non-criminal acts and violations of University policy involving students are referred to the University Student Affairs Office for judicial review and action.

**Addressing the Police Officer’s Training and Certification:**
All ULM-PD officers complete 360 hours of basic training at an approved police academy such as at the North Delta Regional Law Enforcement Academy in Monroe, La. or the North Louisiana Criminal Justice Academy located in Benton, La. The training curriculum is mandated by the Louisiana Peace Officer Standards and Training (POST) Commission and includes such topics as criminal law and procedures, patrol and investigation practices, techniques, firearms, first aid and physical training. ULM-PD officers are certified through Louisiana POST and are commissioned as peace officers through the Louisiana Department of Public Safety and State Police. ULM-PD officers receive a minimum of 20 hours of in-service training each year to maintain their state certification.

**Addressing any agreements with local Police Departments regarding investigation of alleged criminal offenses:**

**LAW ENFORCEMENT MEMORANDUMS OF UNDERSTANDING (MOU)**
The University recognizes that laws and rules are necessary for society to function and supports the enforcement of law by governmental agencies and rules by officials of ULM. All persons on the campus are subject to these laws and rules at all times. While the University is public property, and Constitutional protections apply, law enforcement officers may enter the campus to conduct business as needed. Additionally, the officers are invited to patrol the campus to assist ULM-PD in deterring crime. All law enforcement agencies are expected to check in with ULM-PD when investigations lead onto the campus or involve serving arrest warrants or making arrests on campus facilities. The ULM-PD is recognized by the state of Louisiana as a law enforcement agency.

Additionally, all law enforcement agencies with concurrent jurisdiction recognize that ULM-PD is the primary law enforcement unit to handle any crime that occurs on the campus.

ULM-PD enjoys an especially good relationship with the Louisiana State Police (LSP), Ouachita Parish Sheriff’s Office (OPSO), the Monroe Police Department (MPD), the Monroe City Marshal’s Office, and the West Monroe Police Department (WMPD). The response time of the State Police, Sheriff’s Office and Police Department to the university campus averages just a few minutes for emergency calls.

The ULM-PD maintains a close working relationship with local, state and federal law enforcement agencies in an effort to maximize the services provided to the University community. The ULM-PD staff occasionally works with other law enforcement agencies in the metropolitan area. Meetings are held between the leaders of these agencies on both a formal and informal basis. The officers of ULM-PD and surrounding agencies communicate regularly on the scene of incidents that occur in and around the campus area. The ULM Police Staff work closely with the investigative staff of surrounding agencies when incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, as deemed necessary. There are written memorandums of understanding between the Ouachita Sheriff’s Office and the Monroe Police Department; and MOUs are being negotiated with other local law enforcement agencies.
In accordance with new legislation passed by the Louisiana Legislature and signed into law in July 2015 (Senate Bill 255), ULM-PD is in the process of circulating MOU’s to all law enforcement agencies in Ouachita Parish to establish protocols on the response to an investigation of sex crimes involving university students.

The ULM-PD is responsible for all crimes occurring on the campus to include our public property areas for reporting of Clery and FBI Uniform Crime Reporting (UCR).

**Reporting of Criminal Offenses:**

**How to Report Crimes and Other Emergencies Occurring On Campus:**

If you are involved in an emergency situation, are victims of a crime, witness any criminal activity or you are in need of assistance, you are urged to notify the ULM-PD as soon as possible by dialing 1-9-1-1; 318-342-5350 or 9-1-1.

If you are a by-stander to a suspicious circumstance or a crime, immediately take responsibility by calling for help. Off-campus crimes may be reported to the Monroe Police Department (318-329-2600); Louisiana State Police (318-345-0000); Ouachita Parish Sheriff’s Office (318-329-1200) or by dialing 9-1-1.

The ULM-PD is located at 3811 Desiard Street in Filhiol Hall. The department operates 24 hours-a-day and is staffed by commissioned police officers. Students have 24-hour access to emergency phone lines to the University Police as well as 9-1-1. ULM-PD can also be contacted by using the Emergency Call Box located throughout the campus in parking lots, near buildings and residential halls.

**CAMPUS SECURITY AUTHORITIES (CSA):**

The Clery Act considers certain campus personnel to be Campus Security Authorities (CSA). In addition to all members of ULM-PD, Campus Security Authorities also include:

- Any individual or individuals who have responsibility for campus security but who are not part of the University Police;
- 2) Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses;
- 3) An official of the University who has significant responsibility for student and campus activities, including (but not limited to) student housing, student discipline, and campus judicial proceedings.
An official is further defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution. If someone has significant responsibility for student and campus activities, they are a CSA. To determine which individuals or organizations are CSA’s, ULM considered job functions that involved relationships with students.

Examples of CSAs include (but are not limited to):

- The Vice-President of Student Affairs,
- Athletics Administrators including the Director, Assistant Directors and coaches,
- Student Affairs Officials
- Advisors of student clubs/organizations.
- Student Life Coordinators and Staff
- Student Judicial Officers
- Faculty and Staff advisors to student organizations
- Administrators at branch centers
- Academic Deans
- Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employee should report criminal offenses.

CSA’s are obligated to report Clery Act qualifying crimes which have occurred in any of the following areas. Reporting crimes that occur outside these areas is not required to be documented under the Clery Act. Clery Act-qualifying locations include:

- On-Campus: ULM buildings and/or property
- Non-Campus: Off-campus buildings/property used or recognized by the institution
- Public property: immediately adjacent to ULM property

If you suspect a crime has been, or is being committed, call the ULM-PD immediately so police can make a timely warning report to the university community, if necessary. ULM students, faculty, staff and visitors are encouraged to notify the ULM-PD about any situation or incident in or around a ULM facility that involves a significant emergency or dangerous situation or that may involve an immediate or ongoing threat. ULM Police provides an online CSA Incident Form or you can report it in whatever manner is easiest for you. In any situation, you are highly encouraged to immediately call the ULM Police to report any crime or suspicious activity, anytime, 24 hours a day:

Silent Witness: Program
https://webservices.ulm.edu/wsforms/viewform.php?fid=silent_witness
**Addressing Voluntary Confidential Reporting:**

- The identity of the person(s) reporting the incident should only be provided by the CSA if the reporting party is willing to provide it.
- When in doubt, a CSA is to contact ULM-PD and report the incident.
- If the reported Clery Act crime is made “in good faith”, meaning that there is a reasonable basis for believing that the information is not a rumor or mere hearsay, then the crime must be reported. CSA’s when interacting with the person(s) making the report, need to gather as much pertinent information as possible in order to properly classify the incident.

Reports received by ULM-PD will be documented and investigated. Violations of the law will be referred to law enforcement agencies, and when appropriate, to the Office of Student Affairs for disciplinary investigation and adjudication.

If the victim does not wish to report the crime to the Police Department themselves; the CSA must promptly complete an incident reporting form that can be found at: [https://publicdocs.maxient.com/incidentreport.php?univofLouisianaMonroe](https://publicdocs.maxient.com/incidentreport.php?univofLouisianaMonroe)

If the victim request confidentiality, the report will not include their name, or the names of any other individuals involved. The report will contain only the information the victim wishes to provide.

Anonymous reporting can also occur on-line via the Silent Witness Program on the University Police web page at [https://webservices.ulm.edu/wsforms/viewform.php?fid=silent_witness](https://webservices.ulm.edu/wsforms/viewform.php?fid=silent_witness)

**Confidential Reporting – Pastoral and Professional Counselors:**

*All student related information will be considered confidential and protected under FERPA (Family Educational Rights and Privacy Act). Records relating to employees and other records that do not include student information are not confidential.*

In accordance with FERPA, the University of Louisiana at Monroe (ULM) is prohibited from releasing certain information from your student records to a third party, including your parents, guardians, spouse, or sponsor. However, by voluntarily completing ULM’s **FERPA Waiver Form**, you may grant ULM permission to release otherwise federally-protected information to individuals you designate.

**Report to the Office of Student Services (Student Conduct):**

The Office of Student Services (Student Conduct) is the custodian of all disciplinary actions on campus. Therefore, all documentation involving student complaints or grievances must be forwarded to this office located in the Student Center, 239. As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities.
Campus “Pastoral Counselors” and Campus “Professional Counselors,” when acting as such are not considered to be a Campus Security Authority (CSA) and are not required to report crimes for inclusion into the annual disclosure of crime statistics. The rulemaking committee defines counselors as:

**PASTORAL COUNSELOR**
An employee of an institution who is associated with a religious order or denomination recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

**PROFESSIONAL COUNSELOR**
An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of the employee’s license or certification. This definition applies even to professional counselors who are not employees of the institution but are under contract to provide counseling at the institution.

**CRIME VICTIM RESOURCES:**
The following Offices provide a variety of resources to victims of crime on campus:

1. Vice President for Student Affairs 318-342-5217

TIMELY WARNINGS TO THE CAMPUS COMMUNITY:

Regarding the occurrence of crimes in the Clery Act:
In the event that a situation arises, either on or off campus, that, in the judgment of the University Police Director, constitutes a serious or continuing threat (to students, employees); a Clery Act reportable crime; that’s within the Clery geographic areas (On-campus, Non-campus, Public property); or reported to CSA’s or local law enforcement; a campus wide “timely warning” can be issued; such crimes and incidents include:

- Murder/Non Negligent Manslaughter,
- Sexual Assaults,
- Robbery,
- Aggravated assault,
- Burglary,
- Arson
- Other crimes as determined necessary by the Director, or his designee in his absence.

Some cases are considered on a case-by-case basis, depending on the facts of the case and the information known by ULM-PD; other cases are considered on a case by case basis depending on when and where the incident occurred, when it was reported and the amount information known by the ULM-PD.

Regarding who writes and initiates the notice in a timely manner:
The ULM-PD Director or his Designee is responsible for writing the content of the message and issuing the warning. The notice should be provided to students and employees:

- In a manner that is timely (as soon as pertinent information is available)
- That allows individuals to protect themselves
- Provided information that promotes Safety
- That will aid in the prevention of similar occurrences

Name(s) of victims are confidential when initiating the warning.

The Timely Warning Notice will typically include the following unless issuing any of this information would risk compromising Law Enforcement efforts:

- Date; Time or Time-frame of the incident
- A brief description of the incident
- The location of the incident
- Information that will promote safety and aid in the prevention of similar crimes
- Suspect description(s) when deemed appropriate and if there is sufficient details
- Police/Public Safety agency contact information
- Any information as deemed appropriate by the Director or his designee
A Timely Warning Notice can be distributed when it is determined that the incident may pose an ongoing or serious threat to the ULM community. These warnings can be distributed if the incident is reported either to ULM-PD directly or indirectly through a CSA or local police department(s).

The decision to issue a Timely Warning Notice on off campus crimes, for campus safety, will be made on a case by case basis depending on the assessment of various factors which include but not limited to:

- The nature of the crime
- The exact location
- The time of the incident
- The potential direct effect on the ULM community

Timely warnings to the campus can be issued in varying degrees to target different sectors of the ULM community based on the totality of circumstances that present themselves. A graduated warning could include:

- Email system
- Selected phone usage
- **KKXUL-FM** and **KEDM-FM** the University radio station
- **Everbridge** (ULM Warhawk Alert)
- Sirens
- Speakers
- Police vehicle public address systems
- Speaker systems that are specific to buildings equipped with such resources
- **RED Tower Phones**, some of which may have individual PA systems built in
- It may also be necessary in some instances for *runners* to be used to deliver warnings or directions in-person such as when dealing with a potential explosive device.

Depending on the particular circumstances of the crime, especially in all situations that could pose a serious or continuing threat to the ULM community and individuals, the ULM-PD may also post a notice on the **campus-wide electronic bulletin board** through the Office of Public Information; providing the ULM community with more immediate notification.

Anyone with information warranting a timely warning notice should report the circumstances to the ULM-PD, by phone (318-342-5350) or in person at the ULM-PD located at 3811 Desiard Street, Monroe, LA 71209.

If any of the systems using technology fails, the campus would initiate face-to-face communication using administrative and Residence Life staff members.
Crimes reported to pastoral of professional counselors or exempt; also privileged information protected by law, such as Medical Doctors or Attorney/Client, are exempt cases.

**Emergency Notification:**

**EVERBRIDGE NOTIFICATION SYSTEM:**
If a serious crime, a natural disaster or a man-made emergency occurs that poses an immediate threat to the health and safety of the ULM community, Federal Law requires that the institution immediately notify the campus community or the appropriate segments of the community that may be affected by the situation. If the University implements a notification to the ULM community for an immediate threat, then they are not obligated to implement the timely warning notice procedures; but the University can, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assists a victim or to contain, respond to, or otherwise mitigate the emergency.

The types of incidents that may cause an immediate threat to the ULM community could include but not limited to emergencies such as:

- Active shooter on campus
- Terrorist attack
- Hostage/Barricade situation
- Riot
- Suspicious package with confirmation of a device
- Tornado
- Fire/Explosion
- Structural damage to the university owned or controlled facility
- Biological threat
- Significant flooding
- Gas leak
- Hazardous materials spill, etc.
- Natural disaster
- Environmental
- Other – as determined by University Authorities

An Emergency Notification can be withheld only if it compromises efforts to:

- Assist a victim(s)
- Contain, respond or mitigate the emergency.

There should be adequate follow-up information after an Emergency Notification.
ULM Emergency Notification System - Warhawk Alert

First Call Interactive Network - Warhawk Alert:

Warhawk Alert is an emergency notification system that is powered by Everbridge, Inc. The system allows the University to send emergency notification messages to all registered faculty, staff and students during a crisis, emergency or weather closure.

As a member of the ULM community, you have been registered with Warhawk Alert through your ULM-issued email account. It is important to log into the system and make sure the contact information is up to date.

To update your information, you can access Warhawk Alert by using your initial log-in information that was sent to your university issued email account.

If your contact information changes, please visit http://www.ulm.edu/ens/ and follow the instructions to update your information. Your information will only be used for contacting you in the event of an emergency and will not be shared.

All University of Louisiana at Monroe E-mail addresses are automatically entered in the Everbridge data base. Students, staff and faculty can add cell and land line phone numbers to receive Everbridge emergency messages to home phones, cell phones and text messages to their smart phone.

Timely Warnings and/or Emergency Notifications can be sent by E-mail to all employees and currently enrolled students; and also to just enrolled students at the university.

Emergency Procedures:

Emergency Response Plan:

ULM's Incident Manual includes information about incident teams; University operating status parameters; incident priorities and performance expectations; shelter-in-place and evacuation guidelines; and local contingency and continuity planning requirements.

University departments are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. ULM conducts emergency response exercises each year, such as tabletop exercises, field exercises, and tests of the emergency notification system on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution.
ULM-PD officers and supervisors are trained in incident command and responding to critical incidents on campus. When a serious incident occurs which causes an immediate threat to the campus, the first responders to the scene are ULM-PD, Monroe Police, and Monroe Fire. Collectively, these first responders work together to manage the incident.

Depending on the nature of the incident, other ULM departments and other local, state or federal agencies could also be involved in responding to the incident.

**Emergency Evacuation Procedures:**

Emergency Evacuation Procedures are coordinated by ULM's Environmental Health and Safety office, in coordination with ULM's Residential Life office each semester for all residential facilities on campus. Thus, the emergency response and evacuation procedures are tested at least twice each year and, for some of the buildings, multiple times a year.

Students learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. ULM's Environmental Health and Safety does not tell residents in advance about the designated locations for long-term evacuations because those decisions are affected by time of day, location of the building being evacuated, the availability of the various designated emergency gathering locations on campus, and other factors such as the location and nature of the threat. In both cases, ULM and ULM's Residential Life staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. At ULM, evacuation drills are used as a way to educate and train occupants on fire safety issues specific to their building.

During the drill, occupants "practice" drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm. In addition to educating the occupants of each building about the evacuation procedures during the drills, the process also provides ULM an opportunity to test the operation of fire alarm system components.

Evacuation drills are monitored by ULM-PD, ULM’s Environmental Health and Safety Office, and ULM’s Residential Life to evaluate egress (exit) and behavioral patterns. Reports are prepared by participating departments which identify deficient equipment so repairs can be made immediately. Recommendations for improvements are also submitted to the appropriate departments/offices for consideration.

EMERGENCY EVACUATION PLAN:

The following guidelines and procedures are minimum actions for assuring the safety and welfare of all concerned in the case of a fire or other emergency and should be implemented as quickly as practical.

CLASSROOM EVACUATION PLAN:

Action: Department Heads are requested to have all instructors include in the syllabus for the first class session procedures to follow in emergency situations which may occur while classes are in session. All fire extinguishers shall be checked at least once a month to ensure the seals are intact and the extinguisher has not been discharged or leaking. The tag will be signed for verification. Problems should be directed to the Safety Office at extension 5177.

Instructors should:

1. Determine most convenient evacuation route and any alternates (other than elevators) for everyone in that classroom when an alarm is sounded
2. Identify students or personnel with disabilities who may require assistance in making an evacuation
3. Assign aides to assist any/all disable who need assistance
4. Determine and note locations of fire extinguishers in the immediate and adjacent areas
5. Make certain that each person is aware that in case of a fire everyone evacuates the building until an all clear is given
6. Determine an assembly point outside the building and assure that everyone knows where to assemble away from firefighting equipment
7. Report anyone unaccounted for to the firefighter in charge of the operation
8. No one should attempt to put out a fire unless that individual feels that the fire can be contained. In all other cases, professional firefighters must take the responsibility for extinguishing the fire.
9. Although it is extremely important that anyone who discovers a fire turn on the alarm, it is imperative that no individual jeopardized his life by not getting out of harm's way as quickly as possible.
10. All alarms must be reported directly to the ULM-PD by dialing 1-911 and giving all pertinent information to the operator.
11. As previously noted, these are minimal requirements and any additional steps which lend to the successful evacuation of all individuals should be executed by the person in charge.
12. In the event of high wind, tornado or other weather emergency, the procedure for evacuation should be abandoned and everyone should assemble near the center of the building away from windows and glass enclosed areas on the first floor.
13. After the crisis, everyone who is not injured, should assist in the care of those who are incapacitated until help arrives.
ASSISTANCE TO PHYSICALLY DISABLE:

To reduce the risk of personal injury, attempts to carry immobilized persons are to be discouraged; however, when absolutely necessary, at least two people may have evacuate victims wherever stairs are a part of the evacuation route, the following procedures are to be applied:

BLIND BUT MOBILE PERSONS should first be moved out of the rush of traffic and then promptly assisted to the nearest exit.

DEAF BUT MOBILE PERSONS may be unaware of the need to evacuate and should be calmly advised and assisted if necessary.

TEMPORARILY IMMobilIZED PERSONS include people wearing casts and/or using canes or crutches. The assistance given such individuals must be based solely upon their ability to maneuver through doorways and up and down stairs.

PERMANENTLY IMMobilIZED PERSONS are those individuals who have either limited or no use of their legs and must rely on crutches, wheelchairs or walkers for transport in buildings.

As soon as an alarm sounds, assigned assistants must remain with disabled individuals to assure proper evacuation. In case any assistant or disabled individual is missing at the evacuation area for roll call, responding firefighters and University Police should be notified by calling 1-911.

RESIDENCE HALLS EMERGENCY PLAN:

The following guidelines and procedures are minimum actions for assuring the safety and welfare of all concerned in the case of a fire emergency and should be implemented as necessary.

It is extremely important that all residents be thoroughly informed of proper evacuation procedures. Resident directors and advisors shall review these procedures with all residents during the first meeting of each semester and for all special occasions when the residence halls are occupied as well as any student who moves into the hall after regular check-in periods. It is also recommended that these procedures be reviewed throughout the semester during regular meetings as a reminder of the significance of the procedures as described. Although it may sound extreme and they may never have to be tested, if an emergency occurs just once, knowing what to do and how to do it could mean the difference between life and death.

Resident Leaders should:

1. Assist residents in determining most convenient escape route and any alternates other than elevators for everyone when an alarm is sounded. It is mandatory that every person evacuate the building when an alarm sounds regardless of cause. Residents should leave lights on, close windows (if time permits), close doors and leave them unlocked.
2. Identify students or personnel with disabilities who may require assistance in making an evacuation

3. Determine and note locations of fire extinguishers in the immediate and adjacent areas

4. Make certain that each person is aware that in case of any fire everyone evacuates the building until an all clear is given

5. Determine an assembly point outside the building and make certain that each individual knows precisely where to meet clear of firefighting equipment

6. Assign aides to assist any/all disabled persons.

7. If time permits, resident assistants assigned to each floor should check every room to assure complete evacuation. The resident assistant will then report the status of that assigned area to the resident director or other person in charge. Names will be noted of persons that ignore the alarm and stay in the building. Violation could cause the individual to be reprimanded.

8. Anyone unaccounted for will be reported to the firefighter in charge of the operation if it can be ascertained that the tenant was in the dorm.

9. No one should attempt to put out a fire unless that individual feels that the fire can be contained. In all other cases, professional firefighters must take the responsibility for extinguishing the fire.

10. Although it is extremely important that anyone who discovers a fire turn in the alarm, it is imperative that no individual be jeopardized by not getting out of harm's way as quickly as possible.

11. All fire reports must be directed to the ULM Police Department by dialing 1-911 giving all pertinent information to the operator.

12. In the event of high wind, tornado or other weather emergency, the procedure for evacuation should not be used. Everyone should be gathered near the center of the building away from windows and glass enclosed areas on the first floor

13. After the crisis, everyone who is not injured should assist in the care of those who are incapacitated until help arrives.

As previously noted, these are minimal requirements and any additional steps which lend to the successful evacuation of all individuals should be included when necessary.
In case any assistant or disabled individual is missing at the evacuation area for roll call, responding firefighters and ULM-PD should be notified by calling 1-911.

Resident Leaders should emphasize the following policy during the Fire Evacuation portion of the first hall meeting so everyone is aware of the importance of following these procedures. Residents who ignore these procedures and take actions which could endanger fellow students or personnel will be dealt with harshly in accordance with local and state laws. The following policy should be posted in the main lobby of each residence hall.

**Residence Halls:**
All residence halls have limited access through main doors only. Procedures for guest visitation have been established in accordance with ULM residence hall guidelines.

Residence halls are equipped with fire safety equipment that includes smoke detectors and/or heat sensors that activate the central fire alarm system. In residence halls, emergency exits are equipped with alarms that sound whenever opened.

Housing and Residence Life offer a number of security features and safety programs to improve safety on campus:

- In the residence halls, an electronic door access system requires the use of a University ID to gain entry into the facilities. Locks and keys are provided for each student room. For security purposes, lock cylinders must be replaced when a room key is lost. **Residents are encouraged to lock their room door and carry a key at all times.**
- Resident Assistants (RA) are periodically available at lobby desks to provide a central contact person in case of emergency and an after-hours and weekend/holiday assistance service is available when dialing 318-342-5350 during these periods. These programs may be initiated by Housing and Residence Life staff or residents.

- Security cameras are strategically located around residence halls and other surrounding university buildings to monitor activity in residence hall parking lots. Panic buttons are installed in the bathrooms of Madison, Masur and Ouachita Halls for emergency situations. Police and Residential Life respond to panic alarms.

Alcohol and Drug Policy:

Alcohol Policy for ULM Sponsored Events

A. University publications or student organizational publications may accept advertisements from alcohol companies or distributors in accordance with the “Guidelines for Campus Marketing of Beverage Alcohol.”

B. Alcoholic beverages may not be distributed free of charge, excluding ticketed events, by an alcohol company or distributor at any University event or under any other circumstances on campus. Any exceptions must be made by the Director of Student Life and Leadership and the Vice President of Student Affairs.

C. Anyone representing ULM off-campus or who reasonably could be construed as doing so (e.g. at conferences, seminars, competitions, performances, other activities/events) must behave legally and responsibly regarding the use of alcohol, abiding by the laws and policies of the states and/or institutions where they are visiting. Additionally, all students must adhere to ULM’s Student Code of Conduct, even when at an off-campus location.

D. The possession and consumption of alcoholic beverages in campus residence halls and apartments is not allowed.

E. Social events sponsored by student organizations must be registered with the Office of Student Life and Leadership.

F. Student organizations will assume complete responsibility for off-campus social events including the conduct of any and all participants attending the event. These events must be officially registered with the Office of Student Life and Leadership.

G. Any student organization sponsoring a social event where alcoholic beverages will be present must comply with the following:

Both On- and Off-Campus Events:

1. The possession, use, and/or consumption of alcoholic beverages must be in compliance with any and all applicable laws of the state, parish, city, and University.

2. No alcoholic beverages may be purchased through an organization’s treasury, nor may the purchase of alcoholic beverages for members or guests be undertaken or coordinated by any member in the name of or on behalf of the organization.

3. No alcoholic beverages of bulk quantity or common sources (kegs, cases, jungle juice, etc.) may be purchased, accepted as a donation, or used under any circumstances. Providing a common source of any alcoholic beverage - be it beer, alcoholic punch, or an open bar - implies that it is provided by or on behalf of the organization, regardless of who actually purchased it. In addition, no alcohol may be served from common source containers on organization property or at organizational events. This provision also applies to third party vendors. In addition, no alcohol may be served from common source containers on organization property or at organizational events.
4. **OPEN PARTIES** where alcohol is present – meaning those with unrestricted access by non-members of the organization without specific invitation - are prohibited. Organization cannot “require” members to be present at an alcohol function.
5. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal “drinking age”).
6. No organization may co-sponsor or co-finance a function where alcohol is purchased by any of the host groups or organizations.
7. No member of an organization shall permit, tolerate, encourage, or participate in “drinking games.”
8. The event must be centered on a theme, not alcohol. Organizations are strongly advised to select themes which are considered in good taste and which are not considered to be insensitive to any group.
9. **Alcoholic beverages cannot be provided as free awards.**
10. Students who are inebriated will not be served alcoholic beverages at the event. University police, university officials, and bar tenders have the authority to turn away any guests that appear intoxicated.
11. Designated drivers are suggested for all social events where alcoholic beverages are present.
12. Signs or leaflets endorsing the use of alcohol or illegal substances are prohibited and shall not promote nor describe the availability of alcoholic beverages (i.e., BYOB, BYOC, ALL YOU CAN DRINK, KEG BUST, etc.)
13. Events must end by 11 p.m. Sunday through Thursday, and events must end by 1:30 a.m. on Friday or Saturday. Any exceptions must be approved by the Director of Student Life and Leadership and the Vice President of Student Affairs.

**On-Campus Events Only**
1. Proper identification (i.e., a driver’s license) is required to be shown and checked by University Police. The identification must stay on the person during the event. A means to distinguish those who can/cannot possess and consume alcohol must be implemented (wrist bands, stamps, etc.). These measures help to insure that only those of legal drinking age are served alcohol.

2. Non-alcoholic beverages (other than water) must be readily available and in sufficient quantities for members and their guests. The non-alcoholic beverages must be displayed in equal prominence along with the alcoholic beverages.

3. An ample supply of non-salty food must be provided at all events where alcohol is present and must be displayed in equal prominence along with the alcoholic beverages.

4. No cover charge (door charge/”walk-up charge“) may be imposed at social events where alcohol is present. Only members and invited guest with “pre-ticket” sales are authorized to attend.

5. Only licensed and insured third-party vendors may sell alcohol to participants at a social event; the organization is prohibited from such sales. A fair market value for the alcoholic beverage must be collected by the vendor for each individual drink served and the student organization is not allowed to subsidize the sale (one price for “all you can drink” is not allowed). Third-party vendors must not be associated with the sponsoring organizations(s) (i.e. the vendor cannot be related to a member of the sponsoring organization).
Organizations whose national policies require members to sponsor activities utilizing BYOB (Bring Your Own Beverage) instead of licensed third-party vendors are advised to strictly adhere to that policy and its mandates.

6. The University requires organizations to hire a minimum of two uniformed police officers to supervise social events where alcoholic beverages are present. Organizations must complete a Request for Police Services Form from the University Police Department well in advance of the event. University Police will determine the final number of officers required, including but not limited to security needs inside of the event, parking, etc. Police (as well as Physical Plant workers) must be paid through university payroll, not cash or check.

7. Alcoholic beverage consumption must cease 45 minutes before the conclusion of the event.

8. No ice chests are allowed inside the university venues by members or guest of an organization.

---

**ULM ALCOHOL EVENT POLICY CHECKLIST**

For a student organization to allow alcohol at an event in a designated on-campus venue on the campus of the University of Louisiana at Monroe, the organization must complete the following checklist:

- Set up a meeting with the Coordinator of Student Development at least three weeks prior to the scheduled major campus event (i.e. formals, balls, dances, etc.).

- An approved outside vendor must be secured.

- A copy of the vendor’s alcohol license to sell alcohol “off premises” (away from their primary business location) must be presented to the facilities coordinator and be placed on file in Student Life and Leadership (if it is not already) at least one week prior to the event.

- Only certified Bar Tenders over the age 21 will be allowed to sell or distribute alcoholic beverages.

- The organization must secure at least one police officer to verify legal age to consume alcohol and issue wristbands. University Police will determine the total number of officers needed to work the event. Officers must be paid via payroll voucher, not cash or check. University Police will have wristbands for all individuals that are 21 years of age or older. UPD will need an estimated number of attendees.

- The Student Organization must have a ULM faculty/staff representative or official alumni advisor present for the duration of the on-campus event.

- Events must be submitted to and approved by Student Life and Leadership.

If this policy is not followed and completed in a timely manner, the event will be canceled. All other policies outlined in the student policy manual must be followed or the organization risks suspension.
**Alcohol Policy:**

The University of Louisiana at Monroe generally permits the legal possession and consumption of alcoholic beverages, in accordance with state and local law, at registered events held at the Alumni Center, Conference Center, Student Union Building and designated university events, and at registered private social events for which only the sponsoring organization’s members and specifically invited guests may attend. The sale of alcoholic beverages (to include beer, light wine, liquor and other beverages containing alcohol) on campus is only permitted through licensed and insured third party vendors. The University is subject to and abides by the state and local laws and ordinances relative to alcoholic beverages, as well as the Drug Free Schools and Communities Act. The Drug Free Schools and Communities Act Amendment of 1989 (Public Law 101-226), signed by President Bush on December 12, 1989, requires the University to sign a certification in order to receive any federal funds. The University is required to certify to the United States Department of Education that it has adopted and implemented a program to prevent the illicit use of drugs and abuse of alcohol by students and employees. This program must include standards of conduct that clearly prohibit, at a minimum, the unlawful possession, use, or distribution of illicit drugs and alcohol.

Louisiana Law (Act No.639, House Bill No.716, approved by the Governor) states that it shall be unlawful for any person under twenty-one (21) years of age to purchase or have public possession of any alcoholic beverage.

The University of Louisiana at Monroe seeks to provide an educational environment that will promote the abilities and opportunities of all students. To achieve this goal the University endorses the Drug Free Schools and Communities Act and adopts the following policy to comply with the requirements of the Act as well as Louisiana Law:

**The University does not allow the possession or consumption of alcoholic beverages or possession of alcoholic beverage containers on campus or in any residence hall or apartment on campus regardless of age, except as designated in University policy. The University will abide by Local and State of Louisiana Laws.**

**The University does not allow the possession of open containers of alcoholic beverages and/or consumption of alcoholic beverages on campus or in any parking area on campus except for designated events and in designated areas.**

Students found in violation of the Alcohol Policy (or if a student is found responsible of unbecoming conduct resulting from the consumption of alcoholic beverage) will be subject to strong disciplinary measures through the Office of Student Services (Student Conduct).

**Enforcement Procedure on Alcohol:**

Although ULM-PD and Residential Life personnel are responsible for enforcing the same alcoholic beverage laws and regulations, their enforcement roles differ. Of the University’s enforcement representatives, ULM-PD has the overall and primary responsibility for enforcement of all applicable alcoholic beverage laws and regulations (i.e., University, City, Parish, State, etc.) on all
ULM owned or controlled property and buildings including residence halls/apartments. University Residential Life personnel have enforcement authority only in residence halls/apartments and their enforcement responsibility is limited to ensuring order and tranquility within the limits of the residence hall/apartment regulations on alcohol.

ULM-PD and Residential Life personnel (ULM’s only enforcement representatives in the residence hall/apartment) shall become mutually or singularly involved in the enforcement of alcoholic beverage law(s) and/or regulation(s) pertaining to a particular alcohol-related offense in a residence hall/apartment only after that offense becomes a public nuisance in a residence hall/apartment or when it violates residence hall/apartment regulations on alcohol. Any alcohol-related offense in a public area of a residence hall/apartment which violates the public order constitutes a public nuisance.

An alcohol-related offense in a residence hall/apartment living space (a resident’s room/private or shared) becomes a public nuisance when excessive noise from that residence hall/apartment living space disturbs the order and tranquility of the residential community outside the limits of that room/apartment or encroaches on the personal rights of individuals both within and without of the aforementioned residential living space. Specific Residential Life regulations prohibit the possession or consumption of alcoholic beverages or possession of alcoholic beverage containers in any residence hall or apartments on campus. The University will abide by State and Local Laws.

ULM-PD, Residential Life personnel and other identified University officials (to include faculty, staff or administrators) are the only ULM representatives authorized to investigate and decide whether a situation or act in a residence hall/apartment or public area on campus constitutes a public nuisance or violates a University or Residential Life regulation suitable for the initiation of disciplinary action. Subsequently, they may initiate the disciplinary action if they mutually or singularly deem such action necessary. Only when a member of ULM-PD, Residential Life personnel or University faculty and/or administration personally observes a public nuisance and/or residence hall/apartment regulation violation or is presented with a personal student complaint shall any investigator measure be initiated, and the investigator process shall be limited in scope to a particular situation or act in question.

**SUBSTANCE ABUSE PREVENTION POLICY:**

**THE DRUG FREE SCHOOLS AND COMMUNITIES ACT:**

The Drug Free Schools and Communities Act Amendment of 1989 (Public Law 101-226), signed by President Bush on December 12, 1989, requires the University to sign a certification in order to receive any Federal funds.
The University is required to certify to the United States Department of Education that it has adopted and implemented a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. At a minimum, this program must include the annual distribution of the following to each student and employee:

Standards of conduct that clearly prohibit, at a minimum, the unlawful possession, use, or distribution of drugs and alcohol by students and employees on University property or as any part of the University’s activities;
A description of the applicable legal sanctions under local, state, and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol;
A clear statement that the University will impose censures on students and employees (consistent with local, state and federal law) and a description of these censures, up to and including expulsion or termination of employment and referral for prosecution for violations of the “Standards of Conduct for Students”;
A description of any drug and alcohol counseling, treatment, or rehabilitation programs that are available to students and employees; and
A description of the health risks associated with the use of illicit drugs and the abuse of alcohol.

The University of Louisiana at Monroe endorses the Drug Free Schools and Communities Act and seeks to provide an educational environment that will promote the abilities and opportunities of all students. To comply with the requirements of the Act and to advance the educational environment of the University the following information is presented.

STANDARDS OF CONDUCT FOR STUDENTS:

This information is an excerpt from *The University of Louisiana at Monroe Student Code of Conduct*, Section Five. Subsections 5.03:34 and 5.03:35 relate directly to the University’s Standards of Conduct that clearly prohibit, at a minimum, the unlawful possession, use, or distribution of drugs and alcohol by students on University property or as a part of University activities. Subsections 5.03:49, 5.03:50, and 5.03:51, may also apply.

Standards of Conduct for Students

Each student and/or guest assumes an obligation to obey all University rules and regulations made by properly constituted authorities.

The “Standards of Conduct for Students” outlines behavior expected by the University. Standards of conduct covering all aspects of human behavior cannot be written; therefore, omission of an offense from the written “Standards of Conduct for Students” does not prohibit the University from bringing charges for that offense. Municipal, Parish, State and Federal statutes cover many types of behavior not specified in University regulations.

Conduct regulations for students attending the University of Louisiana at Monroe and for officially recognized student organizations are designed to create and to promote a wholesome educational environment. Student and student organization conduct in the environment of an institution of higher learning is expected to be exemplary at all times.
Conduct regulations at the University require each student and student organization to exercise respect for Federal, State, Parish and Municipal laws and to conduct personal affairs and activities both on and off campus to reflect credit both to the student, to the student organization, and to the University. To promote this goal, the University does not permit the following activities:

**Acts of Dishonesty, Misuse or Unauthorized Possession**

5.03:34 Violation of University Drug Policy, to include: unauthorized or illegal possession, use, distribution, sale, manufacture, or transportation of narcotics, stimulants, depressants, barbiturates, sedatives, tranquilizers, hallucinogens, marijuana and/or other similarly known drugs and or chemicals, possession of drug paraphernalia.

5.03:35 Violation of University Alcohol Policy, to include: possession or consumption of alcohol beverages or possession of alcohol beverage containers on campus, or during any trip sponsored by the university, except as provided in University policy, underage possession or drinking; or providing alcohol to underage students on or off campus.

Finally, to preserve the education environment of the University community, a student organization may be formally charged with a violation of the ULM Code of Student Conduct and referred to a hearing in the Office of Student Services (Student Conduct) or the appropriate University Unit for possible disciplinary action when as a result of misconduct the student or student organization is:

5.03:49 Convicted of a felony.

5.03:50 Formally charged by civil authorities with the commission of a felony of such nature the student’s or student organization’s continued presence at the University is potentially dangerous to the health, safety, and educational environment of the University community; or

5.03:51 When there is a strong convincing evidence that the student or student organization against whom civil authorities have not brought charges or imposed penalties has committed a felony of such nature that the student’s or student organization’s continue presence at the University is potentially dangerous to the health, safety, and educational environment of the University community.

**Disciplinary Sanctions:**
The penalties for misconduct range from reprimand to expulsion. Typically, students who have violated the Student Code of Conduct will be referred to the ULM Counseling Center to complete an individualized education plan. A Health and Substance Abuse Counselor will meet with the student and complete an assessment covering alcohol and other drug use history, reason for referral, family and personal history, health concerns, safety issues, and the consequences associated with use. The counselor will also assess the student’s readiness for modifications in behavior with established goals.

**Health Risks:**
Specific serious health risks are associated with the use of alcohol and illicit drugs. Some of the major risks are listed below.

**Alcohol and Other Depressants (barbiturates, sedatives, and tranquilizers)**
Addiction and accidents can occur as a result of impaired ability and judgment. Alcohol poisoning and overdose is also possible when used with other depressants. Damage to a developing fetus, heart and liver may also occur.

**Marijuana:**
Marijuana impairs short-term memory concentration, learning, thinking, and physical coordination. It may exert a toxic effect on brain nerve cells and thus produces euphoria and memory loss. Marijuana joints appear to produce approximately the same lung damage and potential cancer risk as smoking 5 times as many cigarettes. Use can increase the risk of emphysema as well. It also can interfere with judgment, attention span, concentration, and overall intellectual performance. It may cause psychological dependence and compromise the immune system. Marijuana impairs driving ability.
**Cocaine:**
Use can cause addiction, cardiovascular system damage including heart attack, brain damage, seizures, lung damage, severe depression, paranoia, and psychosis. Similar risks are associated with other stimulants, such as speed and uppers.

**Nicotine:**
Tobacco smoke contains thousands of chemical compounds, many of which are known to cause cancer. Nicotine, which is a central nervous system stimulant, produces an increase in heart and respiration rates, blood pressure, adrenaline production and metabolism. People can rapidly become physically and psychologically dependent on tobacco. Compromises the immune system.

**Inhalants:**
Inhalants are a diverse group of chemicals that easily evaporate and can cause intoxication when their vapors are inhaled. Most inhalants are central nervous system depressants. Use of these drugs slows down many body functions. High doses can cause severe breathing failure and sudden death. Chronic abuse of some of these chemicals can lead to irreversible liver damage and other health problems.

**Prescription Drug Abuse:**
Prescription drug abuse may cause adverse reactions, dependency, withdrawal, and overdose.

**Treatment Options:**
A variety of resources exist for alcohol and other drug prevention education, counseling and referral. For detailed information concerning these resources available from the University and community agencies, students may contact the ULM Counseling Center at 318-342-5220. Faculty and staff members may contact the Department of Human Resources 318-342-5140.

For off-campus emergencies, call 9-1-1 or go to the nearest emergency room.

**Alcoholic Beverages:**
Alcohol is the most socially acceptable drug in our society. The possession, sale, use or the furnishing of alcohol on the University campus is governed by the ULM Alcohol Policy and Louisiana state law. Laws regarding the possession, sale, use, consumption or furnishing of alcohol are controlled by the Louisiana Alcohol Tobacco and Control (ATC) Board. The regional ATC office contact is: Director Tiffany Daw (225) 773-8079; our agent is Agent Brandon Lampkin (318)-349-7544; However, the enforcement of alcohol laws, including underage drinking laws on-campus, is the primary responsibility of the ULM-PD. The ULM Campus has been designated “Drug free” and only under certain circumstances is the consumption of alcohol permitted. In Louisiana the minimum age to purchase or possess any alcoholic beverages is 21.
It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone less than 21 years of age in a public place or a place open to the public is illegal.

A violation of any law regarding alcohol is also a violation of the University Code of Student Conduct and Academic Integrity and will be treated as a separate disciplinary matter by the University.

**Illegal Drug Possession:**
The possession, sale, use, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the ULM-PD. Violators are subject to University disciplinary action, criminal prosecution, fine and/or imprisonment.

**Legal Consequences of Drug Violations:**
The unlawful manufacture, distribution, possession, or use of a controlled substance or alcohol on university premises or while conducting University business off University premises is absolutely prohibited.

All applicable legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs or alcohol will be applied. The legal consequences of alcohol and other drug violations are described below.

**Censures for Personal Use/Abuse of Drugs/Alcohol:**
Students who are involved with the use and/or abuse of drugs/alcohol will be censured by the University. Censures will include any of the following from the Collegiate Due Process System:

- 6.01:02 University Community Service
- 6.01:03 Discretionary Sanctions
- 6.01:04 Disciplinary Probation
- 6.01:05 Indefinite Disciplinary Probation
- 6.01:06 Counseling
- 6.01:09 Restitution
- 6.01:10 Forfeiture of rights and privileges
- 6.01:11 Suspension of eligibility for official athletic or nonathletic extracurricular activities
- 6.01:19 Suspension from the University
- 6.01:21 Dismissal from the University
- 6.01:22 Expulsion from the University
- 6.01:25 Mandatory off-campus housing
- 6.01:26 Drug testing

A student who has been initially convicted by a Civilian Court (City, Parish, State, Federal) where the offense involves drugs/alcohol and the offense has a maximum penalty of one (1) year or more confinement may be dismissed from the University.

**The ULM Counseling Center’s Policy/Procedures Regarding Alcohol & Drugs:**
Students experiencing drug and alcohol difficulties are encouraged to seek counseling on campus as a beginning step. The abuse of alcohol and drugs is regarded at the ULM Counseling
Center as a personal crisis requiring special services as provided by a trained professional in drug and alcohol treatment.

In the event a student is referred to the ULM Counseling Center due to problem behavior on-campus as a result of drug or alcohol usage, counseling then becomes mandatory and follow-up sessions are held.

The lines of communication between the Office of Student Services and the ULM Counseling Center remain open and are often the source by which students are referred. When it is deemed necessary, based on the counselor’s opinion that outside referral be made, the ULM Counseling Center then takes on the role of secondary caregiver working in conjunction with either the attending counselor, therapist, psychiatrist, or doctor. Some places of referral are local Alcohol Anonymous groups, Monroe Alcohol and Drug Abuse Clinic, Northeast Louisiana Behavioral Health Services and any other sanctioned groups who might meet the student’s needs.

Effort on the part of the ULM Counseling Center is made to help students identify a group they will be comfortable with and to see that a smooth transition is made. Students are encouraged to initiate the additional calls for help and to participate actively in the receiving of treatment. It has been found at the Counseling Center that such action can be both therapeutic and a sign of the client’s acknowledgment of a possible drug problem; this is often the first step toward making a recovery.

At all times a file is kept on the client indicating services the client is receiving and a statement granting the Counseling Center permission to communicate with outside facilities. The Counseling Center operates under the alcohol guidelines set forth in the “Student Policy Manual” and adheres to issues of confidentiality as set forth in the American Counseling Association. Material is made available through outreach presentations, literature placed in the office and an updated listing of community services and support groups.

**University of Louisiana at Monroe Police Bystander Involvement (Medical Amnesty) Policy states:**

**Alcohol Medical Amnesty Policy:**

**Purpose:**

The purpose of the policy is to remove barriers and increase the likelihood that students who require emergency medical assistance as a result of high risk alcohol consumption will receive such assistance. This policy will provide an opportunity for a caring intervention that will not result in a disciplinary action from the Office of Student Services (Student Conduct).

The Medical Alcohol Amnesty Policy is a way for the University of Louisiana at Monroe to reduce the harmful consequences caused by the abuse of alcohol. This policy is designed to promote responsible decisions when students are faced with medical emergencies requiring emergency medical attention.
Emergency medical attention is defined as admittance to a hospital. This policy is in place to encourage students to not fear seeking the help of others when faced with a high risk alcohol intervention.

Students who qualify for medical amnesty will not receive any sanctions from the Office of Student Services (Student Conduct).

The University of Louisiana at Monroe does not condone under-age drinking but does recognize that it is occurring and has implemented this policy in hopes that it will encourage more students to make the appropriate decision to call for help when emergency medical attention is needed.

**Qualifying for Medical Amnesty:**

There are three categories for who qualifies for medical amnesty and what is required of them for it to be granted. All categories apply to both on-campus and off-campus in regard to Student Conduct allegations. The three categories are described below:

**Persons in need of Emergency Medical Attention:**

Students who receive emergency medical attention and are hospitalized directly related to the consumption or use of alcohol may be eligible to receive medical amnesty. Students will be referred to the Office of Student Services and if the students qualify for medical amnesty, no disciplinary actions will be issued from the Office of Student Services. Students may be referred to additional resources on our campus and will be required to follow through with the requirements in order to receive amnesty, such as meeting with our Substance Awareness Counselor within a short time after being hospitalized. The Office of Student Services has the authority to notify the parent(s) or legal guardian(s) of students under the age of 21 (who are claimed as dependents for income tax purposes) who receive medical amnesty of the situation which has triggered the use of the medical amnesty policy. Students who receive emergency medical attention may be granted medical amnesty only once while enrolled at the University of Louisiana at Monroe. Any subsequent violation will result in a referral to Student Services.

**Other Individuals Present:**

Students who help seek emergency assistance on behalf of persons experiencing alcohol related emergencies or lend a helping hand to the emergency situation are eligible to receive amnesty. Students may or may not be referred to the Office of Student Services. If students are referred, they may be granted amnesty and will not receive any disciplinary actions from the Office of Student Services. Students may be required to participate in an appropriate educational program or referred to additional resources on our campus in order to receive amnesty. In order to encourage students to be proactive in helping others, the University does not limit the number of times a student can seek amnesty while assisting others during an alcohol-related emergency.
Clubs/Organizations:

A representative of a university recognized club or organization hosting an event is required to seek medical assistance in a medical emergency to be eligible for medical amnesty as it applies to clubs/organizations. Representatives from the organization may be required to meet with the Office of Student Services or the Coordinator of Student Development. Clubs/organizations that qualify for medical amnesty will not be charged or sanctioned for violations of the University’s alcohol-related policies, and the incident will not be noted on the club/organization’s record. Organizations may be required to participate or organize an appropriate educational program to the organization and its members. Medical amnesty for a club/organization is granted to the club/organization only. Members of the organization must qualify for medical amnesty as described previously. Clubs/organizations may only be granted medical amnesty once per academic school year and only for appropriately recognized events of their organization.

Limitations of Medical Amnesty:

Medical amnesty applies to incidents that require emergency medical attention and the student is taken to the hospital directly related to the consumption or use of alcohol. The policy does not apply to any type of drug related behavior including use, possession, or distribution. Additionally, the policy does not apply to other prohibited conduct, such as, but not limited to assault, theft, driving while impaired, property damage etc. If other prohibited conduct occurs, the student(s) will be held responsible by the University and the Office of Student Services (Student Conduct) for those violations.

Nothing in this policy shall prevent an individual who has enforcement obligations under state or federal law to report, charge, or take other action related to the possible criminal prosecution of any student.

University of Louisiana at Monroe STUDENT CODE OF CONDUCT:

All students are governed by the University of Louisiana at Monroe University Code of Student Conduct and Academic Integrity which prohibits certain activities. ULM-PD respond to and investigate student Code of Conduct violations and refer these violations to the Office of Judicial Affairs for adjudication. The complete conduct code and an overview of the non-academic judicial process can be found at:

CRIME PREVENTION AND PROGRAMS:

The safety and well-being of students, faculty, staff and visitors are a priority at ULM. Through the assistance of several other university departments, every effort is made to better serve the ULM community and provide a safe environment in which the mission of the university may be attained. **However, a truly safe campus can only be achieved through the cooperation of all students, faculty and staff.**

Crime prevention demands constant interaction and outreach to the community. The ULM-PD sponsors crime prevention programs to stress community awareness and interaction. The department distributes materials and makes presentations upon request in order to familiarize students, faculty and staff with their shared responsibility in reducing criminal opportunity. Such programs range from crime prevention presentations to on-site inspections and may be requested by contacting **ULM-PD at 318-342-5350.**
Crime prevention brochures, posters and handouts are used to inform members of the ULM community about the potential for crime. The ULM-PD works in conjunction with Freshman Orientation to disseminate information about the duties and responsibilities of the ULM-PD as well as security and safety tips. Each semester, the ULM-PD, Office of University Services and Housing and Residence Life present crime prevention and awareness programs. In addition, crime prevention and alert programs are presented to different departments.

**Investigations/Crime Prevention:**
Information concerning safety and security is regularly provided to students, faculty, and staff by the use of seminars and workshops; crime alert bulletins; crime prevention posters and brochures; KXUL, the University radio station; Smoke Signals, the employee newsletter; and the Hawkeye, the student weekly newspaper.

ULM-PD are full-time investigative officers who have received specialized training in several major crime areas as required. Programs available through this section are Crime Prevention and Awareness, Sexual Assault Presentations, Identify Your Property, and Abuse of Alcohol and Other Drugs and Controlled Substances.

Proper lighting and building security are major factors in determining crime on campus. The University Physical Plant Director maintains the University buildings and grounds with a concern for safety and security. The director, or his representative, inspects campus facilities regularly, authorizes repairs as quickly as possible affecting safety and security, and responds to reports of potential safety and security hazards, such as broken locks and windows.

The ULM-PD assists Physical Plant personnel by reporting potential safety and security hazards on a regular basis. Students, faculty and staff may also report any safety and security hazards by calling 342-5170 or 342-5350. The ULM campus is routinely inspected by a University Safety Committee which walks and inspects the entire campus to review lighting and other environmental concerns for safety and security. Most University facilities are open to the public during the day and evening hours when classes are in session. During the times that the University buildings are closed, only faculty and staff are allowed entry. With proper authorization, students are allowed access.

**Blue Light Towers AND CCTV:**
Dispatchers also monitor the emergency ‘Blue Light Station- Red Tower’ telephones that are located throughout campus and residence hall parking lots. Emergency telephones are identified by a blue light and can be easily activated by the push of a button. These phones connect directly to the police communication center, where they are identified by their specific location. The dispatcher also monitors approximately 940 closed circuit television cameras (CCTV) that are located in various parking lots and buildings throughout the campus. The cameras capture video data that can be retrieved to assist in criminal investigations.
Safety Escort Program:
To help protect students, faculty, staff and visitors who need to reach a particular destination on campus after dark, the ULM-PD provides a free safety escort service. The service operates seven days-a-week, 24-hours-a-day and is provided by ULM-PD. The program is designed to enable you to travel from one location to another with a greater sense of security. Call ext. 5350 or 318-342-5350.

If an escort is needed from parking lots please call the ULM-PD at 318-342-5350, or stop by on your way to the lot, or call from your cell phone. Once in the parking lot, please remain in your vehicle with your engine running, doors locked and your headlights on if it is after dark.

To arrange for an escort, please plan ahead and call the ULM-PD 10 to 15 minutes ahead of time. You will need to provide your name, location, destination, number of people that need an escort, and a call back telephone number.

Escorts will be provided in the order that requests were placed. Please wait for the escorts at the agreed upon location. An officer will be dispatched and respond as soon as possible. In most instances the officer will respond in a timely manner; however, an emergency situation may dictate a longer waiting period for the escort. Please be patient.

Police Segway:
The ULM-PD will introduced the use of a fully marked Segway’s in 2016 to further increase the visibility of police officers on campus and for athletic events. The Segway vehicles allow for a quick response in confined and crowded areas for events on campus. Officers are also better able to converse with students, faculty and staff when utilizing the Police Segway.

Silent Witness Program:
The Silent Witness Program is designed to anonymously allow people to report suspicious behavior online. This program is not designed to report emergencies or a crime in progress. Please call 9-1-1 (111 on campus) or 318-342-5350 if you need emergency assistance. The Silent Witness Program is available online at: http://www.ulm.edu/police/silent

Crime Stoppers:
ULM-PD works in conjunction with the Ouachita Parish Crime Stoppers program. Crime Stoppers serves the community as an informant system whereby the public is invited to provide valuable information that might lead to the arrest and possible conviction of criminals. Participants who call the Crime Stoppers hotline at 318-388-2274 remain anonymous.

Crime Prevention and Security Awareness Programs for Students and Employees:
Orientation sessions are provided throughout the year for new Employees and new incoming freshmen and their parents; one orientation session is provided in the month of August for new incoming transfer students; one orientation session is provided in the month of August for new incoming international students; and one mandatory resident orientation session for students who live in campus housing is provided within the first two weeks of start of the fall term each year.
Information about campus security procedures and practices, crime statistics, emergency notification systems and related issues is provided through in-person presentations, demonstrations of resources available on the University’s website, and print materials in welcome packets provided to students upon check-in. The ULM-PD and student affairs administrators are the primary presenters of this information. Additional programs are provided throughout the academic year through information sessions, awareness campaigns; safety and security reminders delivered in association with emergency notification tests and alerts via email. Similar information is presented to new employees. Crime Prevention, Security Awareness and Sexual Assault Prevention Programs are available upon request.

Periodically during the academic year, the ULM-PD, in cooperation with other University organizations and departments, present crime prevention and security awareness sessions. As well as sessions on personal safety and residence hall security. During these sessions, students and employees are encouraged to be responsible for their own security and the security of others. The department will also conduct crime prevention talks and presentations on request.

Public Presentations:
To further our continuing crime prevention and awareness programming at the University of Louisiana Monroe, ULM-PD makes available personnel to any interested university-affiliated groups or organizations. Organizations not connected to the university are also welcome on an as-time-permits basis. We can address any issue on safety or security and custom-tailor the presentation to fit your specific needs.

Presentations can cover issues such as:

- Alcohol/drug awareness
- personal safety issues
- residence hall safety and security
- property theft prevention
- sexual assault awareness issues
- work safety
- fire safety
- other topics upon request.

We will utilize our resources and coordinate with other departments and organizations that may be able to provide assistance.

If you are interested in having a presentation, contact UPD at 318-342-5430.

Violence against Women Act (VAWA):

On March 7, 2013, President Obama signed The Violence against Women Reauthorization Act ("VAWA"), which establishes improved responses to violence against women. VAWA mandates higher education institutions to educate students and/or the university community in helping to prevent gender based violence. This act also imposed that additional rights were provided to campus victims of domestic violence, dating violence, sexual assault, and stalking.

The University of Louisiana at Monroe is committed to fostering a safe environment free from sexual misconduct, including but not limited to:

- Sexual assault,
- Dating violence,
- Domestic violence,
- Stalking.

The University expects all relationships or associations be established upon mutual respect, open communications, and clear consent.

ULM will present primary prevention and awareness programs for new students and new employees, in addition to on-going awareness campaigns related to prevention of:

- Sexual assault
- Dating violence
- Domestic violence
- Stalking

For all students and employees associated with the university.

The **Everfi/Haven** was selected as an online interactive awareness learning program to educate students on the topics of sexual assault and interpersonal violence.

The **Green Dot Bystander** program was chosen as the bystander intervention program to educate students on ways to proactively help others while ensuring their own safety and well-being. Training for all University employees will be provided on dating violence, domestic violence, sexual assaults, and stalking. This training will be based on the requirements under VAWA, Title IX and the Clery Act.

ULM strongly encourages all individuals to report incidents of sexual assault, dating violence, domestic violence, and stalking to University officials and police.
Individuals may report incidents to the ULM Campus Police or the Title IX Coordinator, Treina Landrum, tel. (318) 342-5215, email: landrum@ulm.edu, Library 6th floor, Suite 612. Individuals may also make confidential reports to designated Confidential Advisors.

The University will provide resources to support persons who have been victims of sexual assault, dating violence, domestic violence, and stalking. Click here to view the available resources.

If an individual reports to you that they are a victim of a crime please follow the procedures provided in the Sexual Misconduct Policy and/or the Sexual Misconduct Formal Complaint Resolution Procedure. Provide the individual with an informational resources brochure and complete the ULM Sexual Misconduct online report. For more information on Title IX and VAWA please refer to the Title IX website.

The University will provide programs that promote awareness and avert domestic violence, dating violence, sexual assault, and stalking on campus and in our community. Initial programming will be directed at all new students and employees, followed by on-going programs directed to all students and employees in culturally relevant training including:

- Awareness programming on dating violence, domestic violence, stalking and sexual assault.
- Risk-reduction strategies designed to promote healthy behaviors/relationships and recognize early warning signs of abusive behavior.
- Prevention programs to avert acts of dating violence, domestic violence, sexual assault and stalking.
- Safe and positive Bystander intervention education and training.
- On-going University prevention and awareness campaigns.

All training provided in the above areas needs to be recorded through the Title IX Coordinator in care of VAWA and is to be reported in the Annual Security Report through the ULM Campus Police Department

UNIVERSITY OF LOUISIANA AT MONROE DEFINITION OF CONSENT AS IT RELATES TO SEXUAL ACTIVITY:

Consent:
Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate consent. Consent must be knowing and voluntary. To give consent, a person must be of legal age. Assent does not constitute consent if obtained through coercion or from an individual whom the alleged offender knows or reasonably should know is incapacitated. The responsibility of obtaining consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one’s responsibility to obtain consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving consent. A current or previous consensual dating or sexual relationship between the persons involved does not itself imply consent or preclude a finding of responsibility.

VAWA CRIMES REPORTING:

VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA):
Higher education institutions are expected to make a “good faith effort” to comply with the Campus Sexual Violence Elimination Act (Campus SaVE Act), which became effective in March 2014. Part of the Violence Against Women Reauthorization Act of 2013 (VAWA), the law comes at a time of multiple high-profile government investigations of campus response to sexual misconduct allegations and a recent White House Task Force report on protecting students from sexual assault. University of Louisiana at Monroe State University complies with these requirements.

The Campus Sexual Violence Elimination (SaVE) Act:
The Campus Sexual Violence Elimination (SaVE) Act fosters translucency on campus regarding incidents of sexual misconduct, violence, ensures improved rights of victims, establishes standards for disciplinary proceedings, and requires primary and on-going prevention educational programs. The Campus SaVE Act amends the Clery Act, which mandates campuses to report annual statistics regarding incidents of campus crime, including sexual violence, domestic violence, dating violence, and stalking.
The University of Louisiana at Monroe (ULM) is committed to providing a safe living, learning and working environment. In compliance with federal law, specifically the Jeanne Clery Act (the Clery Act) and the Campus Sexual Violence Elimination Act (SaVE Act), the University has adopted policies and procedures to prevent and respond to incidents of sexual assault, domestic violence, dating violence and stalking. These guidelines apply to all members of the University community (students, faculty, and staff) as well as contractors and visitors.
ULM will not tolerate sexual assault, domestic violence, dating violence, or stalking, as defined in the ULM Sexual Misconduct Policy, in any form. Such acts of violence are prohibited by the University policy, as well as state and federal laws.
Individuals who the University determines more likely than not engaged in these type behaviors are subject to penalties up to and including dismissal or separation from the University, regardless of whether they are also facing criminal or civil charges in a court of law.

**ON Campus and Off Campus Resources:**

ULM, the city of Monroe and neighboring parishes, all offer other important resources to the survivors of sexual assault, domestic assault, dating violence, or stalking, including medical treatment, counseling services, and advocacy that complainants may wish to utilize. The following University offices can assist members of the University community in considering their options regarding resources or recourse they may elect to pursue. A complainant need not formally report an incident of sexual assault, domestic violence, dating violence, or stalking to law enforcement or the University in order to access the following resources:

**Confidentiality:**

ULM recognizes the sensitive nature of sexual assault, domestic violence, dating violence, and stalking incidents. We are committed to protecting the privacy of individuals who report incident of abuse, to the extent that doing so is permitted by law and consistent with the University’s need to protect the safety of the community. Different University officials and personnel are able to offer varying degrees or levels or privacy.

The University requires all employees, with the exception of the licensed mental health counselors who work at the ULM Counseling Center and designated Confidential Advisors to share the information with the Title IX Coordinator regarding any report of sexual misconduct.
The Title IX Coordinator will investigate the incident(s), track trends (including multiple reports involving the same assailant) and determine whether steps are needed to ensure safety of the community. It is the complainant’s choice whether he or she wishes to participate in the investigation; however, the University may proceed with an investigation with the complainant’s participation if there is a concern for the safety of other members of the community.

Reports made to ULM-PD will be shared with the Title IX Coordinator in all cases, and may also be made public (maintaining the complainant’s anonymity) and shared with the respondent in cases where criminal prosecution is pursued. Reports received by the University concerning the abuse of a minor or juvenile must be reported to the state officials in compliance with state law requiring mandatory reporting of child abuse. All members of the ULM community are required by University policy to report any instances of known child abuse or neglect to the University Police Department, and this department will in turn report such information to the appropriate state authorities.

Reports and information received by the licensed mental health counselors and the ULM Health Clinic (Affinity’s medical professionals) are considered protected. Information received by designated Confidential Advisors is considered confidential. Thus, those individuals will not share information they learn from alleged victims with others within the institution (including the Title IX Coordinator) or with any third party except in cases of imminent danger to the alleged victim or third parties. Absent such circumstances of imminent danger, the only information that these employees will report to the University’s crime reporting statistics that are reported in the University’s annual Clery Reports. Such crime reporting statistics are also included in a Title IX trend report maintained by the University.

Incidents of sexual assault, domestic or dating violence, or stalking, which is shared with the University’s Title IX Coordinator or other University officials, will be treated with the greatest degree of respect and privacy possible while still fulfilling the University’s obligation to investigate and effectively respond to the report. Every effort will be made to limit the scope of information shared to keep it to a minimum of detail, and only when absolutely necessary. It is the complainant’s choice whether to participate in the investigation; however, the University may proceed with the investigation without the alleged victim’s participation if there is a potential threat to other members of the community.

An individual’s ability to speak in confidence and with confidentiality may be essential to his or her recovery. The University thus expects employees to treat information they learn concerning incidents of reported sexual assault, domestic violence, dating violence, and stalking with as much respect and as much privacy as possible. University employees must share information only with those university officials who must be informed of the information pursuant to University policy. Failure by a ULM employee to maintain privacy in accordance with the University policy will be grounds for discipline.
While federal law requires the University to include certain reported incidents of sexual assault, domestic violence, dating violence, and stalking among its annual campus crime statistics, such information will be reported in a manner that does not permit identification of survivors.

**Hate Crime Reporting:**

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A hate or bias related crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim’s race, sexual orientation, etc... The assault is then also classified as a hate/bias crime.

Type of Bias:

- Race
- Religion
- Ethnicity/National Origin
- Gender
- Sexual Orientation

The University is committed to assisting all members of the university community in providing for their own safety and security. The annual security and fire safety compliance document is available on the ULM-PD website.

The University's combined Annual Security Report (ASR) and Annual Fire Safety Report is now available. This report is required by federal law and contains policy statements and crime statistics for the school. The policy statements address the school’s policies, procedures and programs concerning safety and security, for example, policies for responding to emergency situations and sexual offenses. Three years’ worth of statistics are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school and on public property within or immediately adjacent to the campus. This combined report is available online at www.ulm.edu/police. You may also request a paper copy from the ULM-PD front desk located at 3811 DeSiard Street Monroe, LA 71209, or you can request that a copy be mailed to you by calling 318-342-5350.

The reports contain information regarding campus security and personal safety including topics such as: crime prevention, fire safety, University police law enforcement authority, crime reporting policies, disciplinary procedures and other matters of importance related to security and safety on campus.

They also contain information about crime statistics for the three previous calendar years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by the University of Louisiana at Monroe and on public property within, or immediately adjacent to and accessible from, the campus.

This information is required by law and is provided by the University of Louisiana at Monroe Police Department.

Notification to the University of Louisiana at Monroe Community about an Immediate Threat:

The University will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or staff occurring in and around ULM facilities. The ULM-PD will confirm an emergency with assistance from various offices/departments on campus or external agencies such as the Monroe Police Department. ULM-PD Director (and in the Directors absence, the Assistant Director, or the Police Lieutenant) will generally determine the content of the message, determine the appropriate segments of the community to receive the notification and distribute it to the ULM community.
The University may limit the message to a particular segment of the ULM community if the threat is limited to a particular building or segment of the population. The University of Louisiana at Monroe will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders, compromise the efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

In the event a serious incident poses an immediate threat to members of the ULM community, the ULM-PD has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated. Everbridge (Warhawk Alert) is the primary communication system used to disseminate information about emergencies or dangerous situations to the ULM community.

Students and employees are responsible for keeping their contact information up to date. They may do this on-line by accessing the ULM Portal. Instructions are available on the MyULM portal by clicking on the Emergency Notifications tab located on the top bar.

ULM will use appropriate methods of communication to provide follow-up information to the University community following an emergency on campus.

Parents, neighbors and other interested members of the larger community can receive information regarding an emergency on campus via the University website, official social media sources or local media. The University radio stations KXUL-FM and KEDM-FM will be an additional source for the local community to access information about emergency information on campus.

Emergency Evacuation Procedures:

Emergency Building Evacuation Procedures:

In the event of a fire or other emergency please remember the following steps to safely evacuate the building:

1. Pull the fire alarm if it has not already sounded, so that everyone will be alerted of the need to evacuate the building. If the fire alarm has sounded, begin evacuation of the building.

2. All building occupants should exit the building at the nearest exit to the room that they are in. If the nearest exit is blocked due to fire or an emergency, the next safest exit should be used.
3. The last occupant of each room should shut the door to the room. This will help prevent fire and smoke damage to the room.

4. Once you have evacuated the building please go to the designated assembly area for your building, if it is safe to do so (buildings may have more than one designated assembly area).

5. Dept. Heads, Directors, and Supervisors must account for all of their employees after the evacuation. If a person is thought to be missing then you should tell emergency personnel (fire, police, safety, etc.) as soon as possible. Tell the emergency personnel the name of the missing person and the probable location in the building. Try to confirm that the person is actually missing. Make sure that they did not come out of a different exit. If possible, make sure that their car is still in the parking lot. If the person is located tell emergency personnel immediately so that they do not risk their lives looking for this person.

6. No one is allowed to re-enter the building until the fire dept., police, safety, or other qualified personnel confirm that the building is safe to re-enter.

7. Once the evacuation is completed then the building safety coordinator needs to complete and submit the fire drill / building evacuation report.

NOTE: Tests are performed on fire alarm systems periodically. In these cases, an announcement will be made in the building that if the alarm sounds do not evacuate the building because maintenance and testing are being completed on the fire alarm system.

Shelter-in-Place (a/k/a Emergency Lockdown):

There are a number of emergency situations where an evacuation of a building, room and/or office area is not advisable – hostile intruder, hazardous release outside, terrorist attack outside, etc. These threats require Shelter-in-Place procedures to be executed – the exact opposite of a Facility Evacuation. Often Shelter-in-Place situations constitute life-threatening events and conducting a facility evacuation or failing to respond properly could be a fatal mistake.

Communications
- A Shelter-in-Place will be announced by siren, intercom or other voice communication.
- If a situation that may require a Shelter-in-Place is discovered, the individual making the discovery shall immediately move to a safe location, contact University Police (1-911) and provide as much information as possible.
- Fire evacuation alarms are not to be sounded.
Procedures – Hazardous Release Outside:
- Students in hallways or open areas are to seek shelter in the nearest room
- Close windows & window treatments
- Everyone is to remain quiet and not enter hallways or open areas
- Crouch down in areas that are away from windows
- Air ventilation systems will be shut down
- Should the fire alarm sound, do not evacuate the building unless:
  - You have first-hand knowledge that there is a fire in the building, or
  - You have been advised by ULM-PD to evacuate the building, or
  - You can make contact with reliable sources by cell phone to assess the situation, or
  - There is imminent danger in the immediate area.

Shelter-in-Place Procedures – What It Means to “Shelter-in-Place”:
If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to seek shelter indoors/ Thus, to “shelter-in-place” means to utilize the building that you are in as shelter from danger that is outside of the building or in other areas of the building.

With a few adjustments, these locations can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance:
If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, ULM ID card, etc.) and follow the evacuation procedures for your building. Close your door, proceed to the nearest exit and use the stairs instead of the elevator. Once you have evacuated, proceed to the pre-designated evacuation point or to a safe location. If police (C-CERT) or fire department personnel are on the scene, follow their directions.

How You Will Know to “Shelter-in-Place”
A shelter-in-place notification may come from several sources but will most likely be via the Everbridge system which delivers emergency information to students, faculty and staff via several possible channels, including text, phone and email.

How to “Shelter-in-Place”
No matter where you are, the basic steps of shelter-in-place will generally remain the same. Should the need ever arise; follow these steps, unless instructed otherwise by local emergency personnel:
If you are inside, stay where you are. Collect any emergency shelter-in-place supplies and a phone to be used in case of emergency. If you are outdoors, proceed into the closest building quickly or follow instructions from emergency personnel on the scene.

1. Locate a room to shelter inside. It should be an interior room, above ground level without windows or with the least number of windows.
2. If there is a large group of people inside a building, several rooms may be necessary.
3. Shut and lock all windows and close exterior doors.
4. Turn off air conditioners, heaters and fans, if accessible.
5. Close vents to ventilation systems as you are able.
6. Make a list of the people with you and ask someone to call the ULM-PD at 318-342-5350.
7. If possible, turn on a radio or TV and listen for further instructions.
8. Remain calm and make yourself comfortable.
The following information is the 2017 Annual Fire Safety Report for student housing facilities at the University of Louisiana at Monroe. The student housing facilities at ULM include Madison Hall, Ouachita Hall and Commons 1 and Commons 2 along with the International Student Center that provides temporary housing to International students. The east side of Bayou DeSiard has Masur Halls, Bayou Suites, and the Bayou village. There is also an additional housing facility that will be under construction soon next to the ski team facility that will be a University Sorority Housing facility and the Student Event Center.
Fire Drill Procedures:

Residence Halls - must conduct two fire drills each semester, one during daytime hours, and one fire drill at night. The drills should be conducted when the highest number of students can be expected to be inside of the residence hall.

Other Buildings / Facilities - must conduct a fire drill at least once per year.

Instructions:

Before the Drill

Building Coordinators will be responsible for arranging annual fire drills for their respective buildings.

Building safety coordinator or responsible person conducting the drill should notify the dept. heads, deans, directors, etc. in advance of the drill. This is to avoid confusion and also so important meetings, classroom activities, tests, experiments, etc. can be scheduled appropriately. The university police department and the Environmental Health & Safety Office should also be notified prior to the drill. These notifications need to make at least one day prior to the drill.

Make sure that you know how to turn the fire alarm on and off. Most pull stations have a screw or key that fits into the top section of the station. This allows you to open the pull station. Once the pull station is open the alarm can be operated manually. If you are unsure of how to operate the system contact the Environmental Health & Safety Office.

Recruit helpers from the building for the drill. Meet with them before the drill is started to make sure that the drill plans are reasonable. Station helpers to monitor and time the evacuation of the building. Make sure they record time and approximate number of people evacuated.

During the Drill

Carefully monitor the evacuation of your building along with your helpers. Use the fire drill / building evacuation report to see what areas should be checked during and after the drill.

Be sure that no one enters the building during the drill.

Make sure that everyone in the building did evacuate the building.

Make sure that everyone is present and accounted for (you may want to designate on person from each floor or area of the building to be responsible for ensuring employees in their area have evacuated).

After the Drill

Make sure that no-one reenters the building until the alarm is turned off and you have deemed the building safe to reenter.

Complete the fire drill / building evacuation report. Submit this report to the Environmental Health & Safety office.
Meet with building personnel to discuss results and ways to improve the evacuation procedures for your building. This is what the fire drill is for. Carefully and critically identify weaknesses and problems and develop better evacuation procedures.

Train building occupants on the new procedures developed from the drill.

Submit a copy of the detailed building evacuation plans and procedures to the Environmental Health and Safety Office.

Air conditioners, space heaters, halogen lamps with an exposed bulb, or any appliance with an open heating element (including toasters, toaster ovens, hot plates, grilling appliances, sandwich makers, etc.) are not permitted in the residence halls. However, slow cookers that are 3 ½ quarts or less are allowed. Smoking is not permitted in any University building and within 25-feet of a marked entrance, including residence halls. Open flames or any devices that produce an open flame are not allowed in the residence halls. This includes candles, incense and incense burners.

**Policies Students and Employees Should Follow in Case Of a Fire:**
Your worst enemy during a fire is smoke/ if you’re surrounded by smoke, get down on the floor and crawl to safety/ Hold your breath and close your eyes. Close doors behind you as you escape. Always use stairs to escape. Never use an elevator. Here are a few simple safety tips:

- Learn the location of fire exits and alarm pull stations near you and know the emergency number for assistance – 9-1-1.
- Sound the fire alarm if you see smoke or detect a burning odor.
- Have a prepared escape plan and know your escape route.
- Remember to remain calm.
- Use exit stairs. Never use elevators.
- Close doors behind you as you escape. In most cases, this will prevent smoke damage and fire from entering the room you are exiting.
- Do not re-enter a fire-damaged building until it has been declared safe.
- If you become trapped, seal off cracks around doors and vents with cloth or rugs. (Soak them in water if possible.)
- Shut off fans and air conditioners.
- Signal for help from a window. If a campus phone is still operational, call extension 5350 Or Police Emergency at 9-1-1. If you are using a cell phone, call 318-342-5350.

**Fire Safety Education and Training Policies:**
Fire safety in student housing facilities is a very serious matter. Students, faculty and staff are expected to learn fire safety policies and guidelines. To assist in this learning process, University of Louisiana at Monroe State University has several training programs and policies for fire safety education including:

- Formal training at the beginning of the fall semester for residential Community Assistants.
- Educational bulletin boards.
- Professional and volunteer staff training on building fire safety systems.
- Training for campus-wide Campus Community Emergency Response Teams (C-CERT) on fire safety, extraction, first aid and traffic control as part of the police department.
**Reporting Fires:**
In the event of a fire in a student housing facility, the University of Louisiana at Monroe State University Police Dispatch should be contacted immediately by telephone. The Police Dispatch can be reached at either (337) 475-5711 or 9-1-1.

**FIRE SAFETY EQUIPMENT, DAMAGE & ABUSE:**

The following should be emphasized to all residence hall occupants:

1. Fire safety equipment in the residence halls includes fire alarm pull stations, smoke detectors, fire extinguishers, all stairway doors, as well as hallway fire doors. All fire prevention/protection systems are made available for the safety and welfare of tenants, workers and visitors. Any attempt by anyone to cause damage, malfunction, deface or molest is a violation of the Louisiana State Fire Code and may result in disciplinary action which includes in some extreme cases, criminal prosecution and/or dismissal.

2. It is unlawful for any person to willfully give a false alarm or to pull the lever of any fire alarm except in case of a fire. It is also unlawful for any person to interfere with or malfunction, damage, deface or molest any part of any fire alarm system or other fire safety equipment.

3. Fire extinguishers are first-aid firefighting equipment only and shall be used accordingly:
   - Fire extinguishers are for use only on small and containable fires.
   - Class A: Water extinguishers are to be used on wood, paper, cloth and bedding fires. NOTE: Water extinguishers are never to be used on electrical units or fuel (gasoline, oils or other flammable liquids).
   - Class ABC: Dry chemical extinguishers may be used on all types of small, containable fires.
   - In case of an electrical fire, disconnect the item from its electrical source.

4. A very important point for any building particularly residence halls, concerns stairways and fire doors which separate one building wing from another or one floor from the next to prevent the spreading of fire. Such doors shall not be wired, blocked open or fixed in any way so the door is not closed when not in use.

5. Hallways and stairs leading to exits shall not be blocked for any reason to hinder a smooth flow of traffic in or out of the building.

6. No one shall smoke while sitting on or while in a bed under any circumstances. All smoking materials will be completely extinguished before disposal.
7. Misuse of Halogen lamps has been a major concern of the National Fire Protection Association. These lamps emit an excessive amount of heat and have been proven to be dangerous. They are not allowed on campus.

8. Fire lanes are provided outside all residence halls for the sole purpose of servicing emergency vehicles. These areas are designated as "Tow-away Zones" and will be enforced by University Police.

Every residence hall fire extinguisher shall be checked as least once each month to see if the seal is intact and that the extinguisher has not been discharged. The monthly inspection tag will be completed. Any problems noted should be directed to the Safety Office at extension 5177.

**For your safety and the safety of other students the following items are not permitted in the residence halls and the apartments:** animals/pets, halogen lamps, any open-coiled cooking appliances, toaster ovens, extension cords, electric fry pans, Christmas/strand lights, candles or incense, Scentsy or other wax warmers, fireworks, any and all types of firearms, knives used as weapons, ammunition, explosives, darts, archery equipment, personal wireless routers, television wall mounts, decorative bottles that once held alcohol, sun lamps, electric heaters, kerosene heaters, air conditioners, water beds, connections to outside aerials or antennas, excessive body building equipment, treadmills, amplifiers, sandwich makers and all grills.

**CAMPUS FIRE STATISTICS:**
The following table contains the fire statistics for all on-campus student housing facilities at University of Louisiana at Monroe State University. The information contains the date, time, location, description, and estimated cost of damage for each fire incident in 2016, 2015 and 2014.

FUTURE IMPROVEMENT PLANS there are several future plans and goals for improvement in fire safety in residence life at the University of Louisiana at Monroe.

The Environmental Health and Safety Office of the University wants to expand active and passive educational programs to include more information about fire safety in the residence halls; and we plan to continue to conduct the required fire drills.
FIRE SAFETY SYSTEMS The following tables offer a description of the fire safety systems in each on-campus student housing facility. The tables illustrate if each building has emergency lights, exit signs, fire alarm systems, fire extinguishers, fire-rated corridors and fire doors, fire-rated exit stairs, smoke detection systems, sprinkler systems, and standpipe systems. The ratings are Yes (the entire building has the feature), No (the entire building does not have the feature), Partial (some parts of the building have the feature), or N/A (the feature is not applicable for this building).

**Missing Student Notification:**

**Missing Persons:**
If a member of the ULM community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify the ULM-PD at 318-342-5350. ULM-PD will immediately generate a missing person report and initiate an investigation.

**Confidential Contact:**
Resident students may identify a confidential contact person to be notified in the event the student is determined to have been missing for 24-hours. By providing this information to the housing office during final move-in processes occurring just before the student assumes occupancy.

Continuing resident students are given the opportunity to update this information each August during final move-in processes occurring in association with start of the fall academic term.
A student’s confidential contact information will be accessible only by authorized campus officials and law enforcement in the course of a missing person investigation.

After investigating a missing person report, should ULM-PD determine that the student has been missing for 24-hours; ULM-PD will notify the student’s emergency contact no later than 24-hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, the University will notify the student’s parent or legal guardian immediately after ULM-PD has determined that the student has been missing for 24-hours.

Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, ULM-PD Police will inform the appropriate local law enforcement agency that has jurisdiction in the area that the student is missing within 24 hours of such determination.

**About Title IX Policy and Resources:**

Title IX of the Education Amendment Act of 1972 prohibits discrimination on the basis of sex in all areas of education programs and activities such as admissions, financial aid, housing, facilities, scholastic, intercollegiate, club and intramural athletics.

Sexual harassment, which includes acts of sexual violence and sexual assault, is a form of sex discrimination prohibited by Title IX.

ULM is committed to ensuring all students feel safe and have the opportunity to benefit fully from education programs and activities.

ULM has adopted policies and procedures to be in compliance with the federal and state requirements related to the Title IX Act,

- **Violence Against Women Act (VAWA)**
- **Campus Sexual Violence Elimination (SAVE) Act.**

Students or employees without computer access to file an online complaint may file a written complaint and forward to:

Title IX Coordinator
Treina Landrum
Library Suite 612
(318) 342-5215
landrum@ulm.edu
The U.S. Department of Education’s Office for Civil Rights (OCR) is the division of the federal government charged with enforcing compliance with Title IX. Information regarding OCR can be found at: www.ed.gov/about/offices/list/ocr/index.html.

Registered Sex Offender Policy Statement:

REGISTERED SEX OFFENDERS:

In accordance with the federal Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the ULM-PD provides a link to the Louisiana Sex Offender and Child Predator Registry (SOCPR). This law requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, or is a student. In Louisiana, convicted sex offenders must register with the Louisiana Sex Offender and Child Predator Registry (SOCPR) maintained by the Louisiana State Police.

The registry for sex offenders is available online. Registry information provided under this section shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children in particular.

Any person who uses information contained in or accessed through the Louisiana State Police Sex Offender and Child Predator Registry Website to threaten, intimidate, or harass any individual, including registrants or family members, or who otherwise misuses this information, may be subject to criminal prosecution or civil liability.

The Louisiana State Police maintain the Louisiana Sex Offender and Child Predator Registry (SOCPR) for the State of Louisiana and are responsible for the enforcement of the applicable sections of law cited above. Information about any individual affiliated with Louisiana State University in regards to this matter may be found at the public SOCPR website: http://www.lsp.org/socpr/External
APPENDIX A – UNIVERSITY OF LOUISIANA AT MONROE POLICY ON HARASSMENT:

Background
Incidents of harassment often first come to the attention of the ULM-PD even though there are various avenues of addressing these types of issues. The information on this page is provided to assist members of the community in understanding the different types of harassment and how and to whom to report such incidents.

There are two kinds of harassment recognized by civil law: harassment by creation of a hostile environment and sexual harassment which amounts to coercion of an individual. Harassment by creation of a hostile environment is typically not predicated by a single incident unless it is unusually severe. There generally needs to be several incidents, properly documented to include time, place, specific actions and the reactions of the victim. Although these incidents may not be criminal in nature, the ULM-PD can take the necessary information and make sure that the proper referrals are made to appropriate University administrators including the ULM Office of Equal Opportunity.

Some kinds of harassment which are often passed over as just something you have to put up with may actually involve violations of criminal laws and University of Louisiana at Monroe administrative policies. Examples might be:
- epithets shouted on campus
- damage to property or graffiti
- epithets or threats written on dorm property
- threats or epithets made by phone or left as voice mail or e-mail messages
- threats made against individuals or their property
- assaults and/or batteries against a person whether or not there is a serious injury

Any incident that is in progress or that involves danger or threats to a person should be reported immediately. Use any campus emergency phone or dial 9-1-1. The dispatcher will ask for your name and where the incident is occurring. Stay on the line with the dispatcher until the police arrive or the dispatcher terminates the call.

Incidents such as larceny or vandalism should be reported as soon as it comes to your attention. You may use an emergency phone, 9-1-1, or call 318-342-5350 and ask for an officer to take a report.

All information in reports concerning victims or witnesses is kept confidential. That information will not be given to the press or to the suspects unless required by a court proceeding or with the victim/witness’ permission. However, this information is made known to certain University administrators with a legitimate need to know (i.e. University Services personnel for matters involving student judicial proceedings) and to other police personnel, as necessary.
If you are especially concerned about your identity being known, you can provide ULM-PD with as much information as you are comfortable. You don't have to provide your name unless you want to.

The ULM Title IX Coordinator and Office of Student Life have the primary responsibility for investigating harassment. Phone 318-342-5215, 318-342-5230

**University Policy on Harassment:**

**University Policy on Sexual Misconduct Policy:**

**Introduction:**
Members of the University of Louisiana at Monroe (ULM) community, guests, visitors and authorized users of the University's facilities should be able to enjoy a campus environment free from sexual misconduct. This policy is intended to define community expectations with respect to this right and to establish a mechanism for addressing behavior that violates these expectations. Three forms of sexual misconduct are addressed by this policy: (1) Criminal Sexual Misconduct; (2) Sexual Harassment; and (3) Problematic Consensual Relationships.

All students, faculty, staff, administrators, and contracted personnel will be held accountable for compliance with this policy and any violation of this policy may lead to disciplinary action which, in serious cases, may include suspension, expulsion, termination, and/or removal. Every member of the ULM community is hereby apprised that certain forms of sexual misconduct may subject an individual not only to institutional discipline but also to criminal prosecution or civil liability.

It is incumbent upon all members of the ULM community to report instances of sexual misconduct. Failure to do so could result in disciplinary action up to and including suspension or termination. Any person who receives or becomes aware of a complaint of sexual misconduct or other violation of this policy should report the complaint to their Department Supervisor as soon as possible and preferably within two work days. All complaints of sexual misconduct, investigation documents, and documents relative to the resolution of the complaint will be maintained in a confidential file in the Office of the Title IX Coordinator; however, the extent to which information can remain confidential may be subject to state and federal laws relating to the required reporting of crimes or other information. In cases where it is determined that sexual misconduct has been committed, the University may take appropriate disciplinary action with or without the concurrence of the victim or person bringing the complaint.
The health, safety, and well-being of students, employees, and campus visitors are the University’s primary concern. If you or someone you know may be the victim of any form of sexual misconduct, you are strongly urged to seek immediate assistance. Assistance can be obtained 24 hours a day, seven days a week from: The University of Louisiana at Monroe Police Department 9-1-1 or 1-9-1-1 for emergency; Ext. 5350 when calling from a campus Landline; or (318) 342-5350 when calling from other landlines or cellphones.

1. CRIMINAL SEXUAL MISCONDUCT:
Any sexual conduct prohibited by the Louisiana Criminal Code and committed by a person on the ULM campus or against any ULM student, employee, or visitor shall be considered a violation of this policy and shall be immediately reported to ULM-PD. Such offenses may include various forms of stalking, cyberstalking, rape, attempted rape, sexual battery, incest, and unlawful sexual behavior involving juveniles or adults, and may include other types of behavior prohibited by state law. Failure to report violations of criminal law may result in the individual and/or the University facing sanctions under the federal Clery Act, which, among other things, requires key university employees to report crimes occurring in and around campus and in connection with campus activities.

Many administrative employees fall within the definition of a "Campus Security Authority" (CSA) under federal law, and thereby be required to report to ULM-PD specific crimes that are defined in the Clery Act including murder, sex offenses (both forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, and drug, liquor and weapons violations. It is the responsibility of all employees to determine whether they fall within the important definition of being a "Campus Security Authority." The reporting of any crime which comes to the attention of a CSA must be reported to ULM-PD immediately. Federal law may require a timely warning be given to the ULM community if there is the potential of a continuing risk to the university population. Because the classification of an alleged crime requires technical expertise, and since the University Police may be aware of other extenuating factors or incidents of criminal behavior, employees should not try to resolve an issue, delay the reporting of an issue, or mitigate a report on their own. Instead, the ULM-PD should be notified without delay so that they can conduct an investigation, seek support for the victim, and interact with other agencies in accordance with state and federal laws.

The ULM-PD may elect to follow their normal procedures in the investigation and enforcement of offenses within their jurisdiction or they may refer the case to other appropriate local, state, or federal law enforcement authorities. In cases where the facts upon which an alleged criminal offense are based also constitute a violation of one or more University policies, the Student Code of Conduct, and/or the Faculty/Staff Handbook, the offender may be subject to sanctions under those provisions independent of any sanctions which may be imposed by the criminal justice system.
No provision of this policy shall be construed in any manner which would impede, limit, or delay the legitimate investigatory responsibilities of any agent of law enforcement or the rights of any victim of sexual misconduct.

2. SEXUAL HARASSMENT:
Sexual Harassment means unwelcome conduct, based on sex or gender stereotypes, which is so severe or pervasive that it unreasonably interferes with a person's University employment, academic performance or participation in University programs or activities and creates an atmosphere or environment that a reasonable person would find intimidating, hostile or offensive.

Sexual harassment includes, but is not limited to, unsolicited, deliberate, or repeated:

- Touching, sexual flirtation, advances or propositions which are not welcomed and/or desired;
- Unwelcome jokes, stories, comments, innuendos, or other sexually oriented statements which are specifically designed to embarrass or humiliate through their sexual subject matter content;
- Unwelcome sexual communication such as graphic or degrading comments about one's gender related to personal appearance;
- Unwelcome sexual advances, requests for sexual favors, or other offensive verbal or physical contact of a sexual nature; Unwelcome display of sexually explicit materials, objects or pictures in an individual's place of work or study;
- Creating or arranging situations specifically designed to violate privacy in an unwelcome and undesired manner.

Procedure for the reporting and resolving claims of sexual harassment:
Any claim which may involve a violation of the Louisiana Criminal Code shall be referred in the first instance to the ULM-PD in accordance with the Criminal Sexual Misconduct paragraph, above.

Should any member of the ULM community (student, employee, or visitor) believe that the sexual harassment portion of this policy has been broken by any member of the ULM community, he/she should prepare a written statement detailing the allegations on the University’s Complaint Form in the Office of the Title IX Coordinator, Triena Landrum, Title IX Coordinator University Library 612. This form can also be downloaded from the University’s website and brought to Room 612 of the University Library or mailed to Triena Landrum, Title IX Coordinator 4100 Northeast Drive, Suite 612, Monroe, Louisiana 71209. Phone: (318) 342-1004; (318) 342-5214; Email: tlandrum@ulm.edu Mail: Title IX Coordinator 4100 Northeast Drive, Suite 612, Monroe, Louisiana 71209.
The Chief Title IX Officer may, in his or her professional judgment, attempt to resolve the matter through alternative dispute resolution, which may include attempts to mediate, conciliate, or otherwise resolve differing claims. Information explaining alternative dispute resolution is available from the Office of the Chief Title IX Officer. The Chief Title IX Officer shall determine the appropriateness of alternative dispute resolution methods within ten (10) days of its receipt of the grievance.

If the Chief Title IX Officer determines that the matter is not appropriate for mediation, conciliation, or other less formal methods of dispute resolution, or if, after attempting such methods for a period of time not to exceed sixty (60) days, the Chief Title IX Officer determines that further attempts are not likely to achieve an outcome consistent with the goals of this policy . . . Decisions rendered by the Chief Title IX Officer as described in the above paragraphs shall be delivered in writing to the following parties:

- the person(s) filing the grievance;
- the person(s) against whom the grievance was filed;
- the supervisor(s) of the office or administrative unit(s) most responsible for the environment in which the alleged actions occurred, said supervisor(s) to be charged with keeping a copy of the grievance and its disposition on file and available for appeal; and
- The President of the University.

Any party may, within ten (10) working days of delivery of a notice of a decision by the Chief Title IX Officer, appeal the decision to the Vice President responsible for overseeing the person(s) against whom the original grievance was filed. The Vice President shall render a decision on the appeal within ten (10) working days after receiving the appeal. The Vice President's appeal decision shall be limited to one of the following: (a) to affirm the decision of the Chief Title IX Officer;

(b) to reverse or amend all or any portion of the decision; or (c) to ask the Chief Title IX Officer to reconsider its decision based on reasons given in the Vice President's written decision, in which case reconsideration must be completed and reported to the Vice President within ten (10) working days of the Vice President's request. After any such reconsideration, the Vice President shall render a final decision to affirm, reverse, or amend all or any portion of the reconsidered decision.

Any party may, within ten (10) working days of delivery of notice of the Vice President's final decision, request a reconsideration of the case by the President of the University. The President's reconsideration shall be limited to a determination of whether the Vice President's decision was reached via a process that provided all parties with adequate notice, a fair and unbiased process, and opportunity to be heard. The President shall issue a final ruling on the matter within fifteen (15) business days after the request for reconsideration has been received.

If an employee or student makes an appeal to the Board of Supervisors, the administrative proceedings from the institution will be reviewed in accordance with the Board's rules and procedures. The purpose of this review will be to determine only if appropriate processes has been provided to the grievant, not to conduct a new hearing or review the factual details of the case. Following this review, the grievant will be notified of the Board's decision.
**Problematic Consensual Relationships:**

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions of authority. On a university campus, such unequal positions can occur between a teacher and a student, between a coach and a player, and between a supervisor and an employee. These relationships may be less consensual than initially perceived by the individuals involved or by third parties who may be affected-directly or indirectly-by the relationship. The relationship may also result in negative consequences to third parties. For example, students in a class taught by a professor involved in a romantic relationship with one of the students may believe that the favored student will receive a higher grade than he or she would otherwise deserve. Players on a team where one member of the team is involved in a romantic relationship with a coach or administrator may believe that the favored player will receive better treatment in practice and during games. Likewise, employees aware of a romantic relationship involving their supervisor may come to believe that employee evaluations determined by that supervisor are less than objective.

While ULM has no interest in interfering in the personal matters of its employees, it has no choice but to address situations that impede the legitimate interests and necessary work of innocent students and employees and that cast doubt on the integrity of our academic standards and employee evaluations. For this reason, this policy discourages all romantic relationships between members of the ULM community in cases where one party to the relationship holds, or could potentially hold, a supervisory or evaluative position over the other. The fact that the relationship may have begun innocently or without any apparent negative consequences to third parties will be deemed irrelevant once either party to the relationship knows, or has reason to know, that the relationship has progressed to the point where it could reasonably be perceived by third parties as being in violation of this policy.

Because of the inherent dangers involved in relationships involving members of the ULM community holding positions of unequal positions of authority, and regardless of whether the parties to such a relationship believe the relationship to be secret or confidential in nature, this policy requires that any member of the ULM community who becomes involved in such a relationship must report the existence of the relationship to his or her immediate supervisor. Upon receipt of a self-report, the University may reassign the party in the superior position of authority to other work duties, which may involve a demotion in rank or the elimination of supervisory duties-which may result in corresponding adjustments of salary and benefits-in order to limit or reduce negative consequences to third parties. Failure to self-report such a relationship will result in disciplinary action. For the party in the position of superior authority such disciplinary action may include a warning or other reprimand, reassignment of duties, suspension, or termination, depending on the circumstances.
**Reporting Sanctions under the Clery Act:**
Under federal law, the Clery Act, the University is required to statistically report all allegations of forcible and non-forcible sexual offenses involving students, staff, faculty and/or visitors. The Clery Act goes even further in requiring a statistical report even if only a sanction results and no criminal charges are filed. This would include all forms of employee discipline connected to a forcible or non-forcible sex offense.

**APPENDIX B – UNIVERSITY OF LOUISIANA AT MONROE POLICY STATEMENT PROHIBITING SEXUAL VIOLENCE:**

On college campuses, acquaintance and date rape are more apt to occur than rape by strangers. Research on college women indicates as many as 20% of the female population may at some point be sexually coerced by acquaintances.

While some students may not think of forced sexual relations as rape, such action constitutes a serious crime and is a felony under Section 14:42 of the Louisiana Revised Statutes.

**If You Are the Victim of Sexual Assault:**
Contact a friend to help you collect your thoughts and focus on your needs. If the assault occurred on campus, call the ULM-PD at 318-342-5350 or at 9-1-1. If the assault occurred off campus, call the City of Monroe Police Department (318) 329-2600, the O u a c h i t a Parish Sheriff's Office (318) 329-1200 (911), the nearest law enforcement agency or the Rape Crisis Center 318-387-4357.

Obtain Medical Care - Quickly obtain medical care from a hospital emergency room. Do not bath, shower, douche or change clothes before seeking medical attention. The treatment for rape may require an examination at a designated hospital, testing for sexually transmitted diseases, medication to prevent pregnancy and documenting evidence so you can decide whether to pursue prosecution.

Assist in the Investigation - It is a personal decision whether to report a rape or sexual assault to police, but you are strongly encouraged to do so. The primary concern of the police is your safety and well-being; the second and third concerns are apprehending the assailant and preserving the evidence of the crime.

Seek Counseling - Whether or not you report the assault or pursue prosecution, you should consult a trained counselor for help in dealing with the emotional aftermath of a rape. Trained counselors are available at the ULM Counseling Center and the Wellspring Services Center. Talking with a counselor or psychologist in no way compels a victim to take further action.
A victim may choose to pursue action through the campus judicial system if the offense was committed by another student. The Office of University Services, Campus & Student Affairs, and (318-342-5230) is available to advise victims of their rights under the Student Code of Conduct. Even if you choose not to pursue disciplinary action, you are encouraged to report your experience to the Office of University Services.

Such amnesty must still be reviewed by a police supervisor and does not mean that documentation is not required. Criminal action cannot automatically be excluded depending on the totality of circumstances and a review by the District Attorney’s Office.

APPENDIX C - SUBSTANCE ABUSE PREVENTION POLICY OF UNIVERSITY OF LOUISIANA AT MONROE

ALCOHOL AND DRUG POLICY:
ULM recognizes its responsibility for developing, promulgating and enforcing policy regarding alcohol and drug use among students and employees. The University recognizes that drug and alcohol use can adversely impact its most important concerns: academic excellence, student development, employee job performance and the health and safety of the ULM community. This policy applies to all levels of the University’s community. Its success depends upon the belief that each person has a role in responding to this issue and that substance abuse is a solvable problem which must be addressed systematically, fairly and with due process of law.

DRUG POLICY:
The University of Louisiana at Monroe prohibits the unlawful manufacture, distribution, possession or use of illegal drugs or controlled substances by University students, faculty and staff on university owned or controlled property or at University events as set forth by this policy, the Code of Student Conduct, current personnel policies and procedures and Louisiana Law.

As citizens, students have the responsibility for knowing of and complying with the laws of the community and state. Any student who violates these laws is subject to prosecution and punishment by civil authorities as well as disciplinary action by the University. The
University may proceed against and sanction a person for the same conduct being handled by civil authorities. The University considers any violation of this drug policy a serious offense. Sanctions will be imposed by the University in accordance with disciplinary procedures set forth by the Code of Student Conduct and Academic Integrity.

As a condition of certain types of financial aid; students must certify that they "...will not engage in the unlawful manufacture, distribution, dispensation or use of a controlled substance..." during the period of the grant. Students found in violation of this drug policy jeopardize their ability to receive financial aid for which they might otherwise be eligible.

The Federal Drug-Free Workplace Act of 1988 prohibits the unlawful manufacture, distribution, dispensation, possession or use of illegal drugs in the workplace and provides for sanctions against faculty, staff and student employees, permanent or temporary, who violate this policy. Any employee who violates this Drug-Free Workplace policy is subject to disciplinary actions by the president or his designee which may include referral to civil authorities for prosecution and punishment and termination of employment.

**PHILOSOPHY:**
Each student deserves the best possible opportunity to achieve academic excellence and a quality campus environment in which to develop and mature. Moreover, the safety and welfare of all members of the campus community must be assured. The University of Louisiana at Monroe wants to promote a safe and healthy environment, to maximize the potential of all to make significant contributions in life and to promote the concept of individual responsibility for substance use with all members of its community.

The University recognizes that substance abuse poses specific and serious threats to its mission as an institution of higher education. The appropriate and legal use of drugs or alcohol is a right and privilege, but the inappropriate or illegal use of drugs or alcohol is not.

**PURPOSE:**
The purpose of this policy is to provide a vehicle for accomplishing the following:

- Promote a healthy environment for students, faculty and staff.
- Maximize the opportunities for academic excellence and student development.
- Define University expectations regarding appropriate use of alcohol at sanctioned events.
- Discourage the illegal use of alcohol and drugs and to identify appropriate disciplinary procedures for those who engage in such activities.
- Demonstrate the University's commitment to provide counseling and referral services to each member of the campus community.
PROGRAMS AND SERVICES:
The University of Louisiana at Monroe recognizes its responsibility to educate the campus community about problems associated with drug and alcohol use. Alcohol and drug counseling are provided to students through the ULM Counseling Center located at 1200 University Ave. The counseling center provides services to all ULM students at no charge except for a testing fee. Faculty, staff and their families are also eligible for services through the Employee Assistance Program. Certain assessment, counseling and referral services may be made available at reduced or no cost.

In a variety of settings, numerous prevention and education programs will be offered upon request. Current information about the effects of drug and alcohol use on physiological and psychological health will be made readily available. Students, faculty and staff will be encouraged to participate in all activities which promote alcohol and drug-free experiences. Abstinence will be encouraged and seen as a legitimate and socially acceptable choice for any member of the University community.

Educational programs for campus leaders and other administrators and staff will address the development of skills required for identification of and early intervention with others who demonstrate problems with alcohol or drugs.

ILLEGAL DRUGS AND WEAPONS POLICY:
The entire campus is considered a "Drug Free Zone" and a "Gun Free Zone" under Louisiana law. ULM complies with all federal and state laws which prohibit the use, possession, and sale of illegal drugs. The university will not shield any student, employee, or visitor from action by civil authorities. The use of weapons by university police personnel is governed by state law and departmental regulation. The use or possession of firearms or other weapons by students, employees, or visitors while on campus is prohibited.

APPENDIX D – ALCOHOL POLICY OF THE UNIVERSITY OF LOUISIANA AT MONROE

APPENDIX E- THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974:

Notification of Rights:
FERPA affords students certain rights with respect to their education records. These rights include:

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. (This right also applies to parents of dependent students, as defined in Section 152 of the Internal Revenue Code.) A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA, a student who wishes to ask the University to amend a record should write the University official responsible for the record, clearly identify the part of the record the student believes is inaccurate or misleading, and specify how and why it should be changed. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.
Upon request, the University also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

They have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202-5901

Directory Information:
Under FERPA, only directory information may be released without a student’s written consent, except to the extent that FERPA authorizes disclosure without consent/ Directory information is defined as: a student’s name, address, telephone number, and email address; date and place of birth; major field of study and classification; enrollment status (full-time or part-time; undergraduate or graduate); photograph; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance, degrees, awards, and honors received; and previous educational institution most recently attended.

To prevent the release of directory information without written consent, a student may complete a Request to Prevent Disclosure of Directory Information form with the Records Manager in the Office of the Registrar. Requests to withhold information are in effect until the student provides written notification to the Office of the Registrar to rescind the request.

Each year a campus telephone directory is published. Students, faculty, and staff can withhold directory information from this publication by notifying the proper official. The telephone directory is a public document, and it is the only document that the University makes public containing the name, address, and telephone number of students.
