PERPARING THE ANNUAL SECURITY REPORT:

Notice of Availability of Annual Security Report:

A copy of the University of Louisiana at Monroe's Annual Security Report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by the University of Louisiana at Monroe; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters. You can obtain a copy of this report by contacting the University Police Department or by accessing the following web site at <http://www.ulm.edu/police/clery-act.html#reports>

Compilation of information for this report, as well as required statistical data, was accomplished through cooperative efforts with Student Affairs; Resident Life; Deans; Student Services; Title IX; Environmental, Health & Safety; Advisors to Students; Directors; Special projects officers and University Police.

Criminal Statistics for off-campus properties owned or controlled by the University or recognized student organization, and public property immediately adjacent to the campus are obtained from local law enforcement agencies.

ANNUAL SECURITY REPORT (ASR):

The University of Louisiana at Monroe Annual Security Report and Fire Safety Report provides crime and fire statistics representing calendar years 2016, 2017, and 2018. Annual crime statistics are published and the ULM community are notified in September of the publication as well as how and where to access it.

The annual crime statistics reflect the Uniform Crime Reports filed by the University of Louisiana at Monroe Police Department, referrals to the University Student Affairs Office for alcohol, drug, and weapons law violations; and the reports of local law enforcement agencies. The Annual Security Report and Fire Safety Report provides information to assist all members of the community—faculty, administrators, staff, and students—in taking appropriate precautions to enhance their personal safety and security. It includes university policies and procedures related to:

- Reporting Crimes
- Timely Warning Reports
- Emergency Response and Evacuation Procedures
- Security of and Access to University Facilities
- Response to Sexual Assault/Sexual Violence
- Student Conduct Polices, Crime Prevention and Safety Awareness Programs
- Policies governing Alcohol and Other Drugs
- Missing Residential Student Notification Policy
- Fire Safety Report and Fire Statistics for On-Campus Residential

UNIVERSITY POLICE:

Addressing the authority to make arrests:

The University of Louisiana at Monroe Police Department (ULM-PD) has complete police authority to apprehend and arrest anyone involved in illegal acts on campus and in areas immediately adjacent to the campus. All ULM-PD officers are Louisiana POST (Police Officer Standards and Training) certified. If minor offenses involving University rules and regulations are committed by a ULM student, the ULM-PD may also refer the student to University Student Affairs for disciplinary action.

The Department has the ability to call upon additional investigative and forensic services from partnering law enforcement agencies if they are needed. The prosecution of all criminal offenses, both felony and misdemeanor, is conducted through the Ouachita Parish District Attorney's Office.

Addressing the working relationship with State and local police agencies:

ULM-PD personnel work closely with local, state and federal law enforcement agencies and have direct radio communication with the Monroe Police Department and surrounding agencies via the Louisiana Wireless Information Network (LWIN). By mutual agreement with state and federal agencies, the ULM-PD maintains a National Law Enforcement Telecommunications Network (NLETS) terminal. Through this system police personnel can access the National Crime Information Computer (NCIC) system as well as the wants, warrants, driving and vehicle records systems for the State of Louisiana. These computer databases are used for accessing criminal history data, nationwide police records, driver/vehicle identification information, as well as other local, state and federal law enforcement information.

Addressing the jurisdiction of ULM-PD:

The ULM-PD's primary jurisdiction extends to the 238-acre main campus and sports complex, University Farm/Doppler Weather Radar and other University facilities in Ouachita parish. If any property is purchased or leased in outlying surrounding parishes then it will be primarily patrolled by the local agency of jurisdiction and crimes will be jointly investigated with the ULM-PD. There are two campuses located outside of Ouachita Parish. These campuses are leased properties for use by the ULM College of Pharmacy. They are located at 1725 Claiborne Avenue in Shreveport, La. 71103 and at 3849 North Blvd. in Baton Rouge, La. 70806. The Shreveport Campus property is patrolled by the LSU Health Sciences Center Police along with the City of Shreveport Police Department. The Baton Rouge Campus property is patrolled by the City of Baton Rouge Police Department. The aforementioned outside agencies provide law enforcement services to the off campus locations.

ULM-PD provide 24 hour-a-day, seven-days-a-week, and 365 days-a-year police protection to the ULM campus including parking lots, residence halls, the farm and athletic complex that is located in Ouachita Parish. ULM-PD serves approximately 1990 full-time and part-time employees in addition to approximately 9,038 students along with citizens in areas adjacent to the main campus.

The ULM-PD is comprised of:

- 19 Police Officers
- 5 Police Dispatchers
- 1 Administrative Coordinator
- 9 Student Ticket Writers
- 4 Student Workers

Addressing the enforcement authority:

ULM-PD police officers are fully commissioned law enforcement officers vested with all of the powers, authority and responsibilities of any police officer of the state on property owned or operated by the University, including adjacent streets. Police authority is derived from Section 17:1805 of the Louisiana Revised Statutes. Officers have additional policing powers extending off the campus to investigate crimes, make arrests, transport prisoners, are engaged in money transports, dignitary protection or when requested by outside agencies or under the authority of Memoranda of Understanding (Section 17:1805(d)).

Additionally, state law grants university police officer's the authority to carry concealed weapons, to have the power of arrest on and off campus, cross jurisdictional boundaries and to have statewide jurisdiction for the investigation of crimes originating on campus.

Communication dispatchers monitor telephones and the law enforcement radio network on a 24-hour basis, 365 days in a year to give information and respond to emergencies. They can instantly dispatch fire or emergency medical services and communicate with local police agencies when needed. ULM-PD dispatchers also monitor the National Weather Service radio network.

Addressing responding to calls for Police Service:

Calls received by the ULM-PD are checked by an officer. Reported criminal acts or emergencies on campus result in an officer being immediately dispatched to the location of the occurrence. The dispatcher, if needed, will also notify other emergency services, such as fire or ambulance, and other law enforcement agencies. The on-duty or on-call Supervisor may also notify appropriate personnel in University offices, including the Executive Staff, University Services, Counseling Center and/or Facilities who may need to respond.

An assigned officer will investigate and prepare a detailed report of the incident. When necessary, an assigned officer will perform an investigative follow-up. Confidential criminal investigation reports and as such are not required to be disclosed to the public or to university administrators while an investigation is on-going, except when court ordered. The department maintains statistical data from these reports for appropriate use and publishes an Annual Security Report (ASR) that is available to the public along with the daily crime log that is also available to the general public.

Criminal offenses are referred to the Ouachita Parish District Attorney's Office for prosecution. Non-criminal acts and violations of University policy involving students are referred to the University Student Affairs Office for judicial review and action.

Addressing the Police Officer’s Training and Certification:

All ULM-PD officers complete 640 hours of basic training at an approved police academy such as at the North Delta Regional Law Enforcement Academy in Monroe, La. or the North Louisiana Criminal Justice Academy located in Benton, La. The training curriculum is mandated by the Louisiana Peace Officer Standards and Training (POST) Commission and includes such topics as criminal law and procedures, patrol and investigation practices, techniques, firearms, first aid and physical training. ULM-PD officers are certified through Louisiana POST and are commissioned as peace officers through the Louisiana Department of Public Safety and State Police. ULM-PD officers receive a minimum of 20 hours of in-service training each year to maintain their state certification.

Addressing any agreements with local Police Departments regarding investigation of alleged criminal offenses:

LAW ENFORCEMENT MEMORANDUMS OF UNDERSTANDING (MOU)

The University recognizes that laws and rules are necessary for society to function and supports the enforcement of law by governmental agencies and rules by officials of ULM. All persons on the campus are subject to these laws and rules at all times. While the University is public property, and Constitutional protections apply, law enforcement officers may enter the campus to conduct business as needed. Additionally, the officers are invited to patrol the campus to assist ULM-PD in deterring crime. All law enforcement agencies are expected to check in with ULM-PD when investigations lead onto the campus or involve serving arrest warrants or making arrests on campus facilities. The ULM-PD is recognized by the state of Louisiana as a law enforcement agency.

Additionally, all law enforcement agencies with concurrent jurisdiction recognize that ULM-PD is the primary law enforcement unit to handle any crime that occurs on the campus.

ULM-PD enjoys an especially good relationship with the Louisiana State Police (LSP), Ouachita Parish Sheriff’s Office (OPSO), the Monroe Police Department (MPD), the Monroe City Marshal’s Office, and the West Monroe Police Department (WMPD). The response time of the State Police, Sheriff’s Office and Police Department to the university campus averages just a few minutes for emergency calls.

The ULM-PD maintains a close working relationship with local, state and federal law enforcement agencies in an effort to maximize the services provided to the University community. The ULM-PD staff occasionally works with other law enforcement agencies in the metropolitan area. Meetings are held between the leaders of these agencies on both a formal and informal basis. The officers of ULM-PD and surrounding agencies communicate regularly on the scene of incidents that occur in and around the campus area. The ULM Police Staff work closely with the investigative staff of surrounding agencies when incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, as deemed necessary.

There are written memorandums of understanding between the Ouachita Sheriff's Office and the Monroe Police Department; and MOUs are being negotiated with other local law enforcement agencies.

In accordance with new legislation passed by the Louisiana Legislature and signed into law in July 2015 (Senate Bill 255), ULM-PD is in the process of circulating MOU's to all law enforcement agencies in Ouachita Parish to establish protocols on the response to an investigation of sex crimes involving university students.

The ULM-PD is responsible for all crimes occurring on the campus to include our public property areas for reporting of Clery and FBI Uniform Crime Reporting (UCR).

Reporting of Criminal Offenses:

How to Report Crimes and Other Emergencies Occurring On Campus:

If you are involved in an emergency situation, are victims of a crime, witness any criminal activity or you are in need of assistance, you are urged to notify the ULM-PD as soon as possible by dialing 1- 9-1-1; 318-342-5350; 9-1-1 or by using [ULM Safe](#) on your smartphone.

If you are a by-stander to a suspicious circumstance or a crime, immediately take responsibility by calling for help. Off-campus crimes may be reported to the Monroe Police Department (318-329-2600); Louisiana State Police (318-345-0000); Ouachita Parish Sheriff's Office (318-329-1200) or by dialing 9-1-1.

The ULM-PD is located at 3811 Desiard Street in Filhiol Hall. The department operates 24 hours-a-day and is staffed by commissioned police officers. Students have 24-hour access to emergency phone lines to the University Police as well as 9-1-1. ULM-PD can also be contacted by using the Emergency Call Box located throughout the campus in parking lots, near buildings and residential halls. ULM Student can also use ULM Safe on their smartphones.

CAMPUS SECURITY AUTHORITIES (CSA):

1) What makes me a Campus Safety Authority (CSA)?

You are considered a CSA if your job on ULM's campus fits any one of these descriptions:

- an individual who has responsibility for campus security
- an individual specified by the university to which students should report criminal offenses
- a university official with significant responsibility for student and campus activities, including but not limited to student housing, student discipline and campus judicial proceedings.

An official is further defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution. If someone has significant responsibility for student and campus activities, they are a CSA. To determine which individuals or organizations are CSA's, ULM considered job functions that involved relationships with students.

Examples of CSAs include (but are not limited to);

- The Vice-President of Student Affairs,
- Athletics Administrators including the Director, Assistant Directors and coaches,
- Student Affairs Officials
- Advisors of student clubs/organizations.
- Student Life Coordinators and Staff
- Student Judicial Officers
- Faculty and Staff advisors to student organizations
- Administrators at branch centers
- Academic Deans
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employee should report criminal offenses.

2) What are my responsibilities as a CSA?

CSAs must report criminal incidents which occur on ULM's campus or university-affiliated property to the ULM Police Department by using the online [CSA Incident Form](#).

The crime must occur at one of the following locations:

- on-campus, including student housing
- off-campus, but on ULM-affiliated property (e.g. ULM Farm, Pharmacy/Bienville Building, Satellite pharmacy campuses located in Shreveport and Baton Rouge, etc.)
- Public property streets (streets adjacent to the main campus)

3) What crimes do I need to report?

- Homicide
- Aggravated Assault
- Sexual Assault
- Robbery
- Burglary
- Motor Vehicle Theft (Stolen vehicles)
- Arson
- Weapon Violations (e.g. Possession, Brandishing)
- Alcohol Violation (e.g. Minor in possession)
- Drug Violations
- Hate Crimes

Definitions of these crimes [can be found here](#)

4). Why is this necessary?

The [Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act \(Clery Act\)](#) requires the university to collect and report crime statistics as they relate to the campus. Keeping accurate crime statistics helps the ULM Police Department know where to provide prevention programs and safety awareness programs to help keep the campus safe.

The intent of including non-law enforcement personnel such as CSAs is to acknowledge that many individuals, and students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus affiliated individuals.

The university can be sanctioned and fined by the U.S. Department of Education if found to be in non-compliance with the Clery Act reporting requirements.

5). How do I report incidents to the ULM Police Department?

ULM Police provides an online [CSA Incident Form](#) or you can report it in whatever manner is easiest for you. In any situation, you are highly encouraged to immediately call the ULM Police to report any crime or suspicious activity, anytime, 24 hours a day:

- Police Emergency from any university phone: **5350**
- Police Main Line from any university phone: **5350**
- Police Emergency from any university phone: **9-911**
(connects you to the Ouachita Parish 9-1-1 Center - ask for ULM Police)
- Police Business Line: **318-342-5350**

- [ULM Safe](#) on their smartphone

Silent Witness: Program

https://webservices.ulm.edu/wsforms/viewform.php?fid=silent_witness

6) What happens after the police department receives an CSA Incident Form?

The University Police collect all incidents received from CSAs. The incidents are reviewed for duplication and to verify if each incident is Clery Act reportable. The incidents are then classified into their proper crime and geographical categories, then added to ULM's Clery Act statistics database.

7). What if I am unsure if an incident is a crime? Should be reported under the Clery Act?

Please report any crime with as much detail as possible about the incident. The crime analyst will determine if it is a Clery Act reportable crime.

8). If the University Police aren't going to investigate these crimes, what is the purpose of reporting incidents to the police department?

ULM Police will always try to investigate all reports of crime that are received. That is why making a report as quickly as possible is critical. The focus of all reporting is to ensure that crime victims receive aid, protection, police and support services.

Nationally, many crimes do not get reported to the police. By collecting data from other sources, ULM Police can determine a more accurate number of crimes on campus.

9). Are there exemptions to CSA reporting incidents?

Certain individuals who have significant responsibility for student and campus activities are exempt from disclosing information:

- **Pastoral counselor** - a person who is associated with a religious order or denomination, is recognized by that religious order as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.

- **Professional counselor** - a person whose official responsibility includes providing mental health counseling to members of the institutions community and who is functioning within the scope of his or her license or certification. This definition applies even to professional counselors who are not employees of the institution but are under contract to provide counseling at the institution.

Addressing Voluntary Confidential Reporting:

- The identity of the person(s) reporting the incident should only be provided by the CSA if the reporting party is willing to provide it.
- When in doubt, a CSA is to contact ULM-PD and report the incident.
- If the reported Clery Act crime is made "in good faith", meaning that there is a reasonable basis for believing that the information is not a rumor or mere hearsay, then the crime must be reported. CSA's when interacting with the person(s) making the report, need to gather as much pertinent information as possible in order to properly classify the incident.

Reports received by ULM-PD will be documented and investigated. Violations of the law will be referred to law enforcement agencies, and when appropriate, to the Office of Student Affairs for disciplinary investigation and adjudication.

If the victim does not wish to report the crime to the Police Department themselves; the CSA must promptly complete an incident reporting form that can be found at:

<https://publicdocs.maxient.com/incidentreport.php?univofLouisianaMonroe>

If the victim request confidentiality, the report will not include their name, or the names of any other individuals involved. The report will contain only the information the victim wishes to provide.

Anonymous reporting can also occur on-line via the **Silent Witness Program** on the University Police web page at

https://webservices.ulm.edu/wsforms/viewform.php?fid=silent_witness

Confidential Reporting – Pastoral and Professional Counselors:

All student related information will be considered confidential and protected under FERPA (Family Educational Rights and Privacy Act). Records relating to employees and other records that do not include student information are not confidential.

In accordance with FERPA, the University of Louisiana at Monroe (ULM) is prohibited from releasing certain information from your student records to a third party, including your parents, guardians, spouse, or sponsor. However, by voluntarily completing ULM's *FERPA Waiver Form*, you may grant ULM permission to release otherwise federally-protected information to individuals you designate.

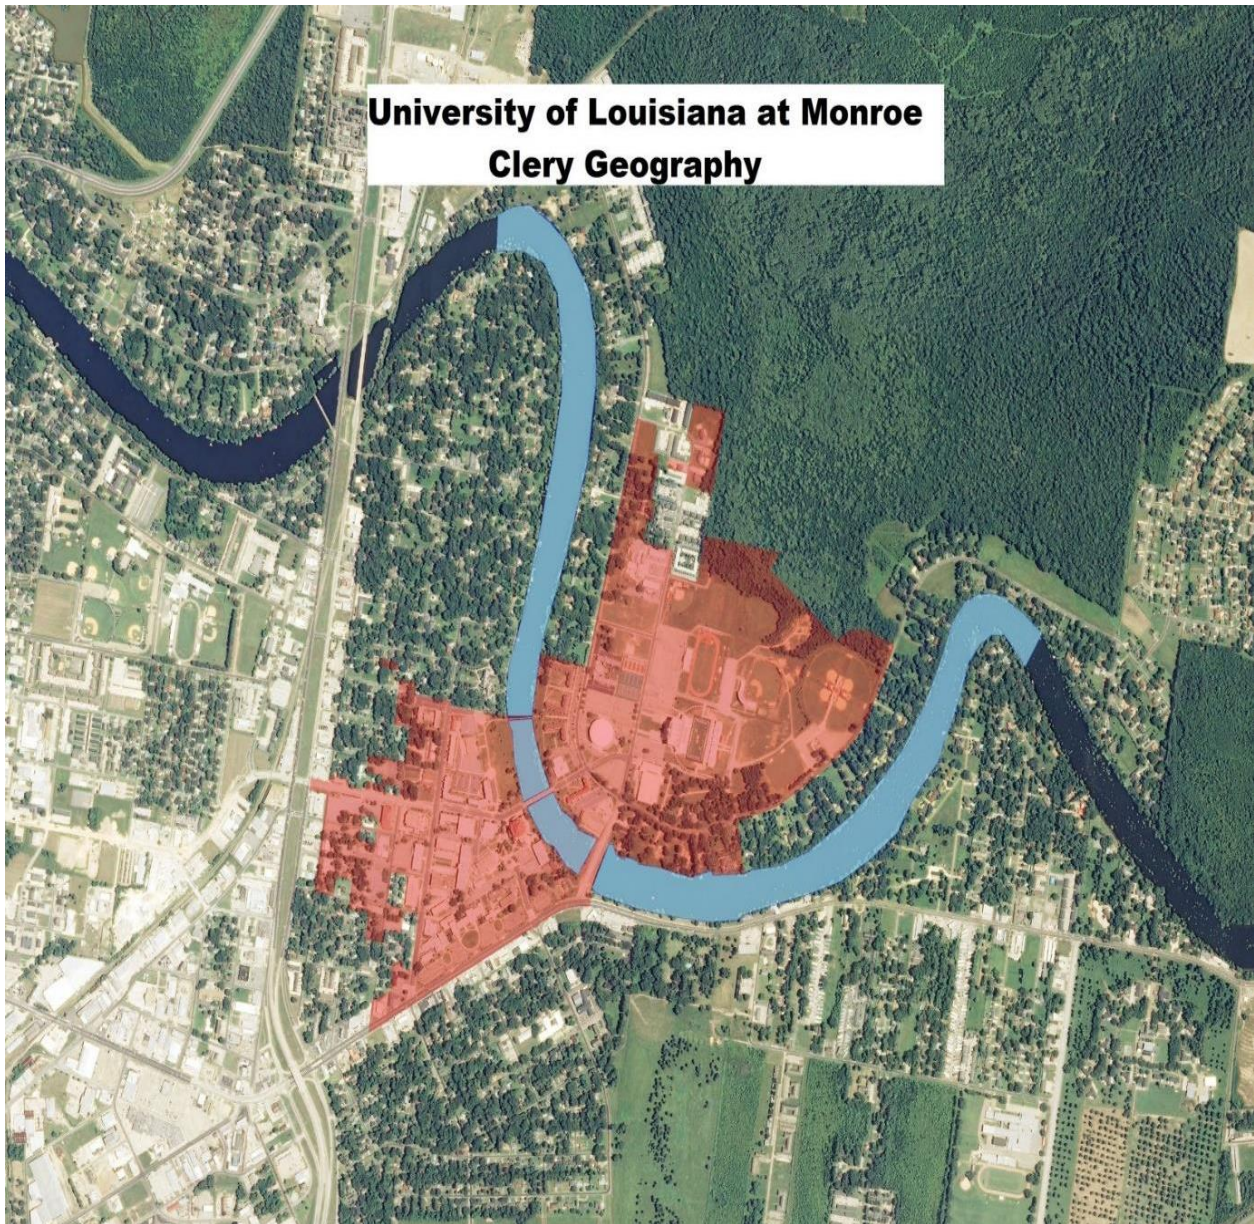

Report to the Office of Student Services (Student Conduct):

The Office of Student Services (Student Conduct) is the custodian of all disciplinary actions on campus. Therefore, all documentation involving student complaints or grievances must be forwarded to this office located in the Student Center, 239.

As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities.

Campus "Pastoral Counselors" and Campus "Professional Counselors," when acting as such are not considered to be a Campus Security Authority (CSA) and are not required to report crimes for inclusion into the annual disclosure of crime statistics.

TIMELY WARNINGS TO THE CAMPUS COMMUNITY:

Regarding the occurrence of crimes in the Clery Act:

In the event that a situation arises, either on or off campus, that, in the judgment of the University Police Director, constitutes a serious or continuing threat (to students, employees); a Clery Act reportable crime; that's within the Clery geographic areas (On-campus, Non-campus, Public property); or reported to CSA's or local law enforcement; a campus wide "timely warning" can be issued; such crimes and incidents include:

- Murder/Non Negligent Manslaughter,
- Sexual Assaults,
- Robbery,
- Aggravated assault,
- Burglary,
- Arson
- Other crimes as determined necessary by the Director, or his designee in his absence.

Some cases are considered on a case-by-case basis, depending on the facts of the case and the information known by ULM-PD; other cases are considered on a case by case basis depending on when and where the incident occurred, when it was reported and the amount information known by the ULM-PD.

Regarding who writes and initiates the notice in a timely manner:

The ULM-PD Director or his Designee is responsible for writing the content of the message and issuing the warning. The notice should be provided to students and employees:

- In a manner that is timely (as soon as pertinent information is available)
- That allows individuals to protect themselves
- Provided information that promotes Safety
- That will aid in the prevention of similar occurrences

Name(s) of victims are confidential when initiating the warning.

The Timely Warning Notice will typically include the following unless issuing any of this information would risk compromising Law Enforcement efforts:

- Date; Time or Time-frame of the incident
- A brief description of the incident
- The location of the incident
- Information that will promote safety and aid in the prevention of similar crimes
- Suspect description(s) when deemed appropriate and if there is sufficient details
- Police/Public Safety agency contact information
- Any information as deemed appropriate by the Director or his designee

A Timely Warning Notice can be distributed when it is determined that the incident may pose an ongoing or serious threat to the ULM community. These warnings can be distributed if the incident is reported either to ULM-PD directly or indirectly through a CSA or local police department(s).

The decision to issue a Timely Warning Notice on off campus crimes, for campus safety, will be made on a case by case basis depending on the assessment of various factors which include but not limited to:

- The nature of the crime
- The exact location
- The time of the incident
- The potential direct effect on the ULM community

Timely warnings to the campus can be issued in varying degrees to target different sectors of the ULM community based on the totality of circumstances that present themselves. A graduated warning could include:

- Email system
- Selected phone usage
- **KXUL-FM** and **KEDM-FM** the University radio station
- [ULM Safe](#)
- Speakers
- Police vehicle public address systems
- Speaker systems that are specific to buildings equipped with such resources
- **RED Tower Phones**, some of which may have individual PA systems built in
- It may also be necessary in some instances for **'runners'** to be used to deliver warnings or directions in-person such as when dealing with a potential explosive device.

Depending on the particular circumstances of the crime, especially in all situations that could pose a serious or continuing threat to the ULM community and individuals, the ULM-PD may also post a notice on the **campus-wide electronic bulletin board** through the Office of Public Information; providing the ULM community with more immediate notification.

Anyone with information warranting a timely warning notice should report the circumstances to the ULM-PD, by phone (318-342-5350) or in person at the ULM-PD located at 3811 Desiard Street, Monroe, LA 71209.

If any of the systems using technology fails, the campus would initiate face-to-face communication using administrative and Residence Life staff members.

Crimes reported to pastoral or professional counselors or exempt; also privileged information protected by law, such as Medical Doctors or Attorney/Client, are exempt cases.

Emergency Notification:

Emergency Response Plan:

The purpose of this Emergency Response Plan for Faculty & Staff is to provide important information in the event an emergency or natural disaster that occurs within the university or the general area and impacts normal operations.

Emergency Evacuation Procedures:

Emergency Evacuation Procedures are coordinated by ULM's Environmental Health and Safety office, in coordination with ULM's Residential Life office each semester for all residential facilities on campus. Thus, the emergency response and evacuation procedures are tested at least twice each year and, for some of the buildings, multiple times a year.

Students learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. ULM's Environmental Health and Safety does not tell residents in advance about the designated locations for long-term evacuations because those decisions are affected by time of day, location of the building being evacuated, the availability of the various designated emergency gathering locations on campus, and other factors such as the location and nature of the threat. In both cases, ULM and ULM's Residential Life staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. At ULM, evacuation drills are used as a way to educate and train occupants on fire safety issues specific to their building.

During the drill, occupants "practice" drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm. Palm cards with educational information are distributed to residents re-entering a facility immediately after an evacuation drill. In addition to educating the occupants of each building about the evacuation procedures during the drills, the process also provides ULM an opportunity to test the operation of fire alarm system components.

Evacuation drills are monitored by ULM Police, ULM's Environmental Health and Safety Office, and ULM's Residential Life to evaluate egress (exit) and behavioral patterns. Reports are prepared by participating departments which identify deficient equipment so repairs can be

made immediately. Recommendations for improvements are also submitted to the appropriate departments/offices for consideration.

Students who live in ULM's Residence Halls receive information about evacuation and shelter-in-place procedures during their First Floor meetings and during other educational sessions they can participate in throughout the year. Residential Life staff are trained in these procedures as well and act as an on-going resource for the students living in residential facilities.

Emergency Building Evacuation Procedures

In the event of a fire or other emergency please remember the following steps to safely evacuate the building:

1. Pull the fire alarm if it has not already sounded, so that everyone will be alerted of the need to evacuate the building. If the fire alarm has sounded, begin evacuation of the building.
2. All building occupants should exit the building at the nearest exit to the room that they are in. If the nearest exit is blocked due to fire or an emergency, the next safest exit should be used.
3. The last occupant of each room should shut the door to the room. This will help prevent fire and smoke damage to the room.
4. Once you have evacuated the building please go to the designated assembly area for your building, if it is safe to do so. Buildings may have more than one designated assembly area.
5. Department heads, directors, and supervisors must account for all of their employees after the evacuation. If a person is thought to be missing, tell emergency personnel (fire, police, safety, etc.) as soon as possible. Tell the emergency personnel the name of the missing person and the probable location in the building. Try to confirm that the person is actually

missing. Make sure that they did not come out of a different exit. If possible make sure that their car is still in the parking lot. If the person is located tell emergency personnel immediately so that they do not risk their lives looking for this person.

6. No one is allowed to re-enter the building until the fire department, police, safety, or other qualified personnel confirm that the building is safe to re-enter.
7. Once the evacuation is completed, the Building Safety Coordinator needs to complete and submit the fire drill/building evacuation report.

NOTE: Tests are performed on fire alarm systems periodically. In these cases an announcement will be made in the building that if the alarm sounds do not evacuate the building because maintenance and testing are being completed on the fire alarm system.

EMERGENCY PROCEDURES IN CASE OF INJURY

Any ULM employee who experiences or witnesses an accident involving personal injury should first determine if the injured person requires assistance.

For any injury or property damage, and in most cases, dial 342-5350 first for ULM Police.

Employees

1. A DA2000 must be filled out whenever someone that receives a paycheck from ULM is injured.
2. Go to the immediate area of the accident.
3. Follow recommended emergency first aid procedures, as outlined. Once the safety of the employee has been assured, a report of the accident must be made.
4. Contact EHS office immediately (342-5177) and then your supervisor.
5. Ask the person or persons involved to describe what happened, if possible. Do not fix blame or find fault; just get the facts.
6. Survey the accident scene for information. Assemble any objects that might have contributed to the accident. **Take multiple pictures of everything.**
7. Determine if there were any witnesses to the accident and get their signed and dated, written accounts of the incident.
8. Take whatever steps are necessary to prevent recurrences until the condition can be permanently corrected.
9. The first employee to reach the accident scene is responsible for initiating the report. A completed report (DA2000) must be returned to EHS office within 24 hours of the accident.
10. A supervisor must fill out lines 16 through 23 and Root Cause Analysis.

Everyone Else

1. If anyone is injured on campus that does not receive a paycheck from ULM, a DA3000 must be filled out.
2. Go to the immediate area of the accident.
3. Follow recommended emergency first aid procedures, as outlined. Once the safety of the student/ non-employee has been assured, a report of the accident will be made.
4. Contact EHS office immediately (342-5177) and then your supervisor.
5. Remind the students/ non-employee that the purpose of the investigation is to determine cause.
6. Talk with the injured person(s) and/or witnesses to get the facts. Ask the student/ non-employee for his or her version. Have witness follow up with written statements of what they saw and heard (Facts only, not opinion or speculation).
7. Listen for clues in the conversation that might reveal accident causes. **Take multiple pictures of everything.**
8. Encourage the discussion of ideas for corrective action.
9. Study the possible causes.
10. Write a complete report, using the accident/ incident form DA3000. The first employee to reach the accident scene is responsible for initiating the report. Completed report must be returned to the EHS office within 24 hours of the accident.
11. Follow up to make sure all of the causes are corrected.

FIRST AID REQUIREMENTS

All employees must report any injury to their supervisor as soon as practical, at least by the end of the shift during which the injury occurred.

Minor injuries will be treated at the Student Health Center and the employee will be returned to work as soon as practical.

In the event of authorized medical treatment, the immediate supervisor will ensure the completion of the "[INCIDENT/ACCIDENT INVESTIGATION FORM DA2000](#)" and will forward a copy via the Department Head to the Human Resources Office.

If services of a physician are needed, the employee will be given authorization for treatment at the local treatment center designated by Health Services personnel. With the exception of an emergency situation, off campus treatment may be at the expense of the employee and not subject for compensation payment.

In case of a serious injury where the victim should not be moved except by trained emergency medical personnel, the University Police Dispatcher should be notified by calling **1-911** and given the details. In situations which might be life-threatening, the person at the scene should call **9-911** direct in order to save time.

The employee will provide his supervisor with the injury diagnosis and return to work will be by authorization by the attending physician.

Note: ULM does support a back-to-work program so that the injured can return to light duty if not able to return to regular duties.

University of Louisiana at Monroe

[Key Policy](#)

Purpose

To ensure that all university keys are accounted for and used appropriately. To implement a tracking system for all university keys. To ensure the safe access and security to all university buildings.

Procedure

In order to obtain a key to a university building the following procedure will be followed:

1. Complete a **key request form** and have the form signed by the department head.
2. Submit the completed form to the physical plant.
3. The physical plant will then make the appropriate key. Once the key is made the physical plant will notify the employee requesting the key that it is ready. The employee will be required to come to the physical plant to receive their key.
4. Before the key is given to the employee, the employee will be required to identify themselves to physical plant personnel by presenting their university identification card. Once they have been positively identified, the employee will be required sign the authorization statement on the bottom of the **key request form**. This authorization will acknowledge that the employee is responsible for the key and will be charged an appropriate fee if the key is lost or if it is not returned upon termination of their employment with the university. The key number and the employee name will be entered into a database in order to track university keys.
5. Upon termination of employment for any reason the employee will be required to turn in all assigned keys to the physical plant. Failure to turn in university keys will result in appropriate deductions from the employee's last paycheck. Upon return of the university keys the physical plant personnel will give the employee a receipt stating that the keys have been turned back in. The employee can then give a copy of this receipt to the human resource personnel to avoid being charged for the keys.

In the event a key is lost:

1. Report the situation to the physical plant immediately.
2. The physical plant **may** provide a copy of the lost key and will charge the employee an appropriate fee. If the physical plant determines that a copy of the key can be made then the employee will be required to follow the procedure above for requesting a new key.
3. For security sensitive areas it may be necessary to change the locks when a key is lost. If deemed necessary the employee will be charged an appropriate fee for this service. The decision to replace the key with a copy or change locks will be determined by the physical plant. If this is necessary all employees who have been issued this key will be issued a new key matching the new lock. These employees will have to come to the physical plant to receive their new keys.

If a key is damaged and no longer works:

1. Notify the physical plant by using the key request form.
2. Submit the damaged key with the key request form to the physical plant.
3. The process for getting a new key will be the same as listed above.

The Warhawk ID Services department is responsible for authorizing electronic access to University facilities in accordance with their Access Control Policy and Procedure.

Your ULM ID Card is the official University of Louisiana at Monroe identification card for students, faculty, staff and affiliates. It is also a meal card, an activities and events card and a stored-value gift card. Once issued, the card remains active as long as you are enrolled or employed at ULM.

Policy and Procedures:

1. The ULM-PD shall unlock and lock main building entrance doors to each main building on campus every day. The schedule for locking and unlocking will vary per building depending upon events, night classes, etc. Typically for most buildings during an active semester, buildings will be open between 6:30 – 10:30 am. Most buildings will be secured for the night between 10:00 – 10:30 pm. University Police shall physically check all entrance doors to ensure buildings are secured and no doors are propped open. The schedules are subject to change on a daily basis in accordance with University needs and requirements.
2. During normal University business hours, all University facilities are open to all faculty, staff, students, and the general public. Areas with restricted access will be locked, secured, and staffed to ensure security.
3. Employees shall lock their offices / work areas when they are not present. Additionally, it is recommended that all valuable items be stored out of sight (in closets, file drawers, desk drawers, etc.).
4. Department heads, Deans, Supervisors, etc. shall ensure that their department is secured at the end of each work day and also at any time when no employees will be present to monitor the security of the department.
5. Surveillance cameras will be used throughout campus facilities to supplement and assist in security. In most buildings all entrances / exits are monitored by a surveillance camera.
6. Electronic access control systems are employed throughout campus facilities to ensure that access of facilities after normal business hours is carefully monitored and controlled. Employees who require access to facilities outside of normal University business hours must have such access authorized by their supervisor in accordance with the ULM Facility Access Control Policy and Procedures. The electronic access control system will log the time and date an employee enters a University facility. Additionally, the surveillance camera will link with the access control system to provide a video of the employee entering the facility.

7. Employees, Department Heads, and Supervisors who are assigned responsibility for University property shall take all measures and precautions to ensure that university property is not stolen or misplaced. All actions regarding University policy shall be in accordance with University Property Control Policy and Procedures.

8. Access to Data on Computers – access to personal and sensitive data on computers shall be limited to only those employees who require access for official university business. Access to this data shall be carefully controlled by the ULM Computing Center in accordance with the University Computing Center Policies and Procedures Manual.

Additional Security Measures – additional security measures are routinely employed to ensure the safety and security of the university community. The ULM-PD are responsible for implementing most of the additional security measures in accordance with their policies and procedures manual.

During business hours, the University (excluding certain housing facilities) will be open to students, parents, employees, contractors, guests and invitees. During non-business hour's access to all university facilities is by key, if issued, or by admittance via the ULM-PD or Residence staff.

In the case of periods of extended closing, the University will admit only those with prior written approval to all facilities. University policy establishes University business hours for all facilities; Monday through Thursday 7:30 am to 5:00 pm and Friday 7:30 am to 11:30 am. Residence halls are secured 24 hours-a-day. Over extended breaks, the doors of all halls will be secured around the clock. Some campus facilities have individual hours, which may vary at different times of the year.

Examples are the Recreation Center, Library and the Student Success Center. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility.

Emergencies may necessitate changes or alterations to any posted schedules. The Crisis Response Team (CRT), http://www.ulm.edu/safety/ulm_erp_rev08262016_rev2.pdf, reviews trends and risk data and examines security issues such as landscaping, locks, alarms, lighting and communications.

Alcohol Policy (General)

University of Louisiana Monroe, Alcohol Policy

The University is committed to the health, safety and well-being of each member of the University of Louisiana at Monroe community. In order to further student learning, development and success and to promote the University's academic mission, ULM fosters an environment of personal and collective responsibility and respectful citizenship. This means that all members of the university community – students, faculty, and staff – have a role in safeguarding a healthy learning environment free of the consequences of alcohol misuse. The University also strives to create a culture that supports students who do not use alcohol and students who use alcohol in a safe, legal and responsible fashion.

Legal Background:

Members of the ULM community are expected to abide by all federal, state and local laws. Including those governing alcohol consumption and distribution. Under Louisiana law, it is illegal for anyone under the age of 21 to purchase alcohol or to possess alcohol in a public space. It is also illegal for anyone to furnish alcohol to an individual under the age of 21.

While it is not the responsibility of most ULM officials to enforce state law, it is the responsibility of the University Police Department, and accordingly they enforce all state alcohol laws when they encounter violations. All community members should understand the law and, as individuals', ensure that they themselves do not violate it.

Furthermore, it is the responsibility of all University community members to ensure that the University does not, through their actions, violate the law.

Accordingly, official University functions, including events held by Recognized Student Organizations, are not allowed to provide alcohol to those under 21 years of age, and no University funds may be used to purchase alcohol for that purpose. Violations of this requirement can result in both criminal prosecution and University disciplinary action.

Responsible Alcohol Use:

ULM students, faculty and staff are expected to behave responsibly, both in the classroom and outside, both on campus and off. The University is especially concerned about the misuse of distilled alcohol products (e.g. hard alcohol) and the dangers that arise from that misuse.

All students should understand the physical and behavioral effects of alcohol misuse, and should avoid such misuse themselves. In addition, they are expected to do their part to ensure the safety of fellow students whom they perceive to be engaged in reckless drinking behavior or to be suffering from its consequences.

The University provides educational resources to assure that students, faculty and staff understand the effects of alcohol misuse and know how to respond when they perceive others to be engaged in dangerous behavior.

Students, faculty and staff are expected to make healthy, responsible choices concerning their personal use of alcohol and the University supports them in this endeavor through education and other resources. The University sponsors activities and programs focused on students who choose not to drink or to drink lightly, as well as resources and services to assist students who need help for themselves or others related to alcohol use.

Residence Halls, Suites and Apartments:

The University do not allow the possession or consumption of alcoholic beverages in the Residence Halls, Suites or Apartments located on University property.

General Provisions:

The University does not allow the possession of open containers of alcoholic beverages on campus or in any parking areas on campus except for designated events and in designated areas.

- Non-Alcoholic beverages (other than water) and non-salty food must be readily available and provided in sufficient quantities throughout the event
- Wrist bands must be provided by UPD for individuals who are 21 years of age or older.

- Alcohol sales must end 45 minutes before the scheduled event is over.

- Alcohol beverages of bulk quantity or common source (kegs, jungle juice, etc.) may not be purchased, accepted as a donation or used under any circumstances. This provision also applies to third-party vendors.

- Open parties (those with unrestricted access) are prohibited.

- ULM student groups may only serve Beer and Wine at their events on campus.

- BYOB events on campus are prohibited.

- Student Organizations must register all on-campus events on “Wingspan”, the on-line organizational website.

- Student Organizations must have their faculty/staff advisor present for the duration of the event at all on-campus events where alcohol is present.

Insurance:

If alcohol is to be served at an event, a general liability policy shall be endorsed to provide liquor liability and coverage for the event. ULM must be named a co-insured on the policy. If alcohol is to be sold, a third party licensed vendor must be retained.

ULM does not have a license to sell alcohol.

Security (University Police):

All (public/non-university) events where alcohol is present will require University Police officer(s) to be present.

Major university events and student events where alcohol is available will be required to have a university police presence. The number of officers needed will be determined by the venue director and UPD.

Intimate university events (by invitation only) may be excluded from this policy with approval from the President or Vice President for Student Affairs.

Recognized Student Organizations will follow

<http://catalog.ulm.edu/content.php?catoid=30&navoid=3746>

Authority, Application and Enforcement:

Responsibility for application for the Student Alcohol Policy resides with the Vice President for Student Affairs. The Dean of Students, The Office of Student Life and Leadership, ULM Counseling Center, Residential Life, Human Resources, University Police and community agencies will work together to coordinate and implement alcohol programming for the university community.

The University Police Department enforces federal, state and local laws for our students, faculty, staff, community members, guests and visitors.

Alcohol and Amnesty Policy for Recognized Student Organizations (RSO's)

OFF CAMPUS PARTIES, FUNCTIONS, RESIDENCES and/or SOCIAL EVENTS (RSO's):

A. Each student organization must have a designated faculty/administrative staff advisor throughout the school year in order to function as a Recognized Student Organization (RSO) All advisors (faculty/staff/alumni) must be registered in the Office of Student Life and Leadership and registered on Wingspan, the on-line RSO web-site.

An advisor is required to be in attendance at all On-Campus after hour social events sponsored by their organization if alcohol is served. The advisor is strongly encouraged to attend any off campus functions as well. It is also the responsibility of the faculty/staff advisor to abide by and to assist in ensuring that all of the members of the organization abide by University, State and Local laws and to assist the organization in maintaining an up to date constitution and officer's list on Wingspan.

B. Student Organizations or groups, and their elected officers will assume complete responsibility for on & off-campus activities, including conduct of any and all participants attending such functions. Failure to accept and/or discharge this responsibility will subject the violating student organization or group to suspension of social privileges and/or revocation of University recognition.

C. All construction affiliated with a student organization, including but not limited to props, walkways, decks and swimming pools, shall be in compliance with city and state building codes.

D. All organizations scheduling activities where alcohol will be present must abide by the following guidelines:

1. The possession, use and/or consumption of alcoholic beverages must be in compliance with any and all applicable laws of the state, parish and city.
2. The elected officers will assume responsibility and/or hire University, City or local parish officers for checking proper ID's (driver's license) and providing wristbands or stamps to individuals who are 21 years of age and eligible to consume alcoholic beverages. These measures help
3. No alcoholic beverages may be purchased through the chapter treasury nor may the purchase of alcoholic beverages for members or guests be undertaken or coordinated by any member in the name of or on behalf of the organization.
4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor. (I.e. those under legal drinking age)
5. No organization may co-sponsor an event with an alcohol distributor, charitable organization, or tavern/bar (defined as an establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold or otherwise provided to those present.
6. No organization may sponsor, co-sponsor or co-finance a function where alcohol is purchased by any of the host groups or organizations.
7. "Open Parties", where alcohol is present; meaning those with unrestricted access by non-members of the organization without specific invitation, shall be PROHIBITED. Private parties can be held on organization property or through leasing an off-campus facility. A guest list should be retained during "private parties" and kept on file through the end of each semester following the party.
8. Organizations whose national policies require members to sponsor activities utilizing BYOB (Bring your own beverage) instead of licensed third-party vendors are required to bring the written policy from their National Office to have on file with the Coordinator of Student Development (SC Room 257) and are advised to strictly adhere to that policy and its mandates. BYOB does not release the organization from checking proper ID's and issuing wristbands. National organizations BYOB policies do not supersede University policies or state, local and city laws.
9. No member shall permit, tolerate, encourage or participate in "drinking games".
10. Organizations cannot require members to be present at an alcohol function.
11. No alcoholic beverages of bulk quantity or common sources (kegs, cases, jungle juice, hard liquor etc.) may be purchased, accepted as a donation or used under any circumstances. Beer and wine only will be allowed. Providing a common source of any alcoholic beverage – be it beer, alcoholic punch, or an open bar – implies that it is provided by or on behalf of the organization, regardless of who actually purchased it. In addition, no alcohol may be served from common

source containers on organization property or at organizational events. This provision also applies to third party vendors.

Alcohol Medical Amnesty Policy:

Purpose: The purpose of the policy is to remove barriers and increase the likelihood that students who require emergency medical assistance as a result of high risk alcohol consumption will receive such assistance. This policy will provide an opportunity for a caring intervention that will not result in a disciplinary action from the Office of Student Services (Student Conduct).

The Medical Alcohol Amnesty Policy is a way for the University of Louisiana Monroe to reduce the harmful consequences caused by the abuse of alcohol. This policy is designed to promote responsible decisions when students are faced with medical emergencies requiring emergency medical attention. Emergency medical attention is defined as admittance to a hospital. This policy is in place to encourage students to not fear seeking the help of others when faced with a high risk alcohol intervention.

Students who qualify for medical amnesty will not receive any sanctions from the Office of Student Services (Student Conduct).

The University of Louisiana at Monroe does not condone under-age drinking but does recognize that it is occurring and has implemented this policy in hopes that it will encourage more students to make the appropriate decision to call for help when emergency medical attention is needed.

Qualifying for Medical Amnesty:

There are three categories for who qualifies for medical amnesty and what is required of them for it to be granted. All categories apply to both on-campus and off-campus in regard to Student Conduct allegations. The three categories are described below:

Persons in need of Emergency Medical Attention:

Students who receive emergency medical attention and are hospitalized directly related to the consumption or use of alcohol may be eligible to receive medical amnesty.

Students will be referred to the Office of Student Services and if the students qualify for medical amnesty, no disciplinary actions will be issued from the Office of Student Services. Students may be referred to additional resources on our campus and will be required to follow through with the requirements in order to receive amnesty, such as meeting with our Substance Awareness Counselor within a short time after being hospitalized.

The Office of Student Services has the authority to notify the parent(s) or legal guardian(s) of students under the age of 21 (who are claimed as dependents for income tax purposes) who receive medical amnesty of the situation which has triggered the use of the medical amnesty policy. Students who receive emergency medical attention may be granted medical amnesty only once while enrolled at the University of Louisiana at Monroe. Any subsequent violation will result in a referral to Student Services

Other Individuals Present:

Students who help seek emergency assistance on behalf of persons experiencing alcohol related emergencies or lend a helping hand to the emergency situation are eligible to receive amnesty. Students may or may not be referred to the Office of Student Services. If students are referred, they may be granted amnesty and will not receive any disciplinary actions from the Office of Student Services. Students may be required to participate in an appropriate educational program or referred to additional resources on our campus in order to receive amnesty. In order to encourage students to be proactive in helping others, the University does not limit the number of times a student can seek amnesty while assisting others during an alcohol-related emergency.

Clubs/Organizations:

A representative of a university recognized club or organization (RSO) hosting an event is required to seek medical assistance in a medical emergency to be eligible for medical amnesty as it applies to clubs/organizations.

Representatives from the organization may be required to meet with the Office of Student Services or the Coordinator of Student Development. Clubs/organizations that qualify for medical amnesty will not be charged or sanctioned for violations of the University's alcohol-related policies, and the incident will not be noted on the club/organization's record.

Organizations may be required to participate or organize an appropriate educational program to the organization and its members. Medical amnesty for a club/organization is granted to the club/organization only. Members of the organization must qualify for medical amnesty as

described previously. Clubs/organizations may only be granted medical amnesty once per academic school year and only for appropriately recognized events of their organization.

Limitations of Medical Amnesty:

Medical amnesty applies to incidents that require emergency medical attention and the student is taken to the hospital directly related to the consumption or use of alcohol. The policy does not apply to any type of drug related behavior including use, possession, or distribution. Additionally, the policy does not apply to other prohibited conduct, such as, but not limited to assault, theft, driving while impaired, property damage etc. If other prohibited conduct occurs, the student(s) will be held responsible by the University and the Office of Student Services (Student Conduct) for those violations.

Nothing in this policy shall prevent an individual who has enforcement obligations under state or federal law to report, charge, or take other action related to the possible criminal prosecution of any student.

SUBSTANCE ABUSE PREVENTION POLICY:

THE DRUG FREE SCHOOLS AND COMMUNITIES ACT:

The Drug-Free Schools and Communities Act (DFSCA) of 1989 - also known as the Drug-Free Schools and Campuses Act - requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program.

All members of the ULM community are encouraged to review the information on the following pages. This information is distributed on an annual basis.

Students, faculty, and staff may request information on the Drug-Free Schools and Campuses Act by contacting the Dean of Students at 318-342-5230.

STANDARDS OF CONDUCT:

Use of illegal drugs, and the illegal use of alcoholic beverages, is identified as “conduct which adversely affects the university community.” University regulations prohibit any unlawful possession, use, distribution, or sale of alcohol and other drugs by University students, faculty, staff, or guests to the University, on University-owned property and at all University sponsored activities.

ULM students are also prohibited from the illegal use of drugs or alcohol whether on or off campus.

The legal age for the consumption of alcohol is 21 years of age. Any underage student consuming alcohol is violating standards for student conduct. Additionally, excessive alcohol use can lead to additional violations, such as driving while intoxicated or public intoxication.

Students living on campus (ULM Housing) should note that “The Office of Residential Life has a zero tolerance policy when it comes to illegal drug use or possession.”

Standards of Conduct for Students:

5.01

Each student and/or guest assumes an obligation to obey all University rules and regulations made by properly constituted authorities.

5.02

The “Standards of Conduct for Students” outlines behavior expected by the University. Standards of conduct covering all aspects of human behavior cannot be written; therefore, omission of an offense from the written “Standards of Conduct for Students” does not prohibit the University from bringing charges for that offense. Municipal, Parish, State and Federal statutes cover many types of behavior not specified in University regulations.

5.03

Conduct regulations for students attending the University of Louisiana at Monroe and for officially recognized student organizations are designed to create and to promote a wholesome educational environment. Student and student organization conduct in the environment of an institution of higher learning is expected to be exemplary at all times.

Conduct regulations at the University require each student and student organization to exercise respect for Federal, State, Parish and Municipal laws and to conduct personal affairs and activities both on and off campus to reflect credit both to the student, to the student organization, and to the University. To promote this goal, the University does not permit the following activities:

LEGAL SANCTIONS UNDER LOCAL, STATE, AND FEDERAL LAW FOR THE UNLAWFUL POSSESSION, USE, OR DISTRIBUTION OF ILLICIT DRUGS AND ALCOHOL:

Legal Sanctions:

Various federal and state laws and regulations apply to employees and students of ULM including Federal Drug Free Work place Act of 1988, the Drug-Free Schools and Communities Acts Amendments of 1989 (Public Law 101-226), and Revised Statutes of the State of Louisiana.

Federal Sanctions:

- 21 U. S. C. 841 makes it a crime (a) to manufacture, distribute, or dispense, or possess with intent to manufacture, distribute, or dispense, a controlled substance; or (b) to create, distribute, or dispense, or possess with intent to distribute or dispense, a counterfeit substance.
- The Controlled Substances Act places all substances which are in some manner regulated into one of five schedules. The CSA provides penalties for unlawful manufacturing, distribution, and dispensing of controlled substances.
- The U. S. Code establishes and authorizes the U. S. Attorney General to revise as needed, classifications of controlled substances. Schedule I is comprised essentially of “street drugs” and Schedule V is comprised of drugs with a “low potential for abuse” when compared with drugs in schedules I-IV. Examples of Schedule I drugs are heroin and marijuana. PCP, for example, is a Schedule II drug. Amphetamine is a Schedule III drug, while Barbital is a Schedule IV drug. An example of a Schedule V drug would be a prescription medication with not more than 200 mg. of codeine per 100 grams.
- The penalties are determined by the schedule of the drug or other substance, and sometimes are specified by drug name, as in the case of marijuana.
- Penalties for first offenses include a fine up to \$10 million and/or a prison term up to life, but no less than 1 year.

- For the Drug Enforcement Agency's complete list of Federal Trafficking Penalties for Schedules I-V and Marijuana, please see: dea.gov

*Penalties for subsequent violations of the above-described provisions are progressively more severe than the initial convictions. Penalties, laws, and statutes may change without notice. This list is not intended to be comprehensive. For a complete list of drug and alcohol related offenses, please contact the appropriate law enforcement agency.

It is unlawful in Louisiana to produce, manufacture, distribute, dispense, or possess illegal drugs. The most common illegal drugs on college campuses are marijuana, opium derivatives, hallucinogens, depressants, cocaine, cocaine derivatives, methamphetamines, and amphetamines. - The offender shall be imprisoned with or without hard labor for not more than five years and, in addition, may be required to pay a fine of not more than five thousand dollars.

Additional guidelines, including federal legal sanctions for violations of drug and alcohol laws are also available in the Office of Office of Student Life and the Office of Human Resources.

Controlled Dangerous Substances, Schedule I – IV (R.S. 40:981.3)

It is unlawful to possess, sell, distribute, or manufacture those drugs listed in the relevant Louisiana statute(s). These drugs include, but are not limited to, marijuana; cocaine; “crack” cocaine; methamphetamines; heroine; “rush” LSD; “and prescription drugs without a valid prescription from a licensed physician. Individuals found guilty of a drug violation are subject to a fine of not less than \$500, imprisonment at hard labor for up to 30 years, or, if found selling illegal drugs on campus, imprisonment at hard labor for up to 45 years.

The Drug-Free Workplace Act of 1988 (“Act”)

It is a U.S. federal legislation that tries to reduce drug use within organizations that have contracts with the federal government. The Workplace Act directly affects federal contractors as well as organizations that receive grants from the federal government. The Act requires organizations and companies to agree to run a drug-free workplace before entering into a contract or grant program with the U.S. government.

The Act established formal guidelines for federal contractors and those who receive federal grants. The Act requires organizations to post antidrug-use policies within the workplace and provide employee awareness training on drug use policies.

All covered contractors and grantees must maintain a drug-free workplace. However, the specific components necessary to meet the requirements of the Act vary based on the type of organization.

Health Risks:

Specific serious health risks are associated with the use of alcohol and illicit drugs. Some of the major risks are listed below.

Alcohol and Other Depressants (barbiturates, sedatives, and tranquilizers)

Addiction and accidents can occur as a result of impaired ability and judgment. Alcohol poisoning and overdose is also possible when used with other depressants. Damage to a developing fetus, heart and liver may also occur.

Marijuana:

Marijuana impairs short-term memory concentration, learning, thinking, and physical coordination. It may exert a toxic effect on brain nerve cells and thus produces euphoria and memory loss. Marijuana joints appear to produce approximately the same lung damage and potential cancer risk as smoking 5 times as many cigarettes. Use can increase the risk of emphysema as well. It also can interfere with judgment, attention span, concentration, and overall intellectual performance. It may cause psychological dependence and compromise the immune system. Marijuana impairs driving ability.

Cocaine:

Use can cause addiction, cardiovascular system damage including heart attack, brain damage, seizures, lung damage, severe depression, paranoia, and psychosis. Similar risks are associated with other stimulants, such as speed and uppers.

Nicotine:

Tobacco smoke contains thousands of chemical compounds, many of which are known to cause cancer. Nicotine, which is a central nervous system stimulant, produces an increase in heart and respiration rates, blood pressure, adrenaline production and metabolism. People can rapidly become physically and psychologically dependent on tobacco. Compromises the immune system. Inhalants:

Inhalants:

Inhalants are a diverse group of chemicals that easily evaporate and can cause intoxication when their vapors are inhaled. Most inhalants are central nervous system depressants. Use of these drugs slows down many body functions. High doses can cause severe breathing failure and sudden death. Chronic abuse of some of these chemicals can lead to irreversible liver damage and other health problems.

Prescription Drug Abuse:

Prescription drug abuse may cause adverse reactions, dependency, withdrawal, and overdose.

Treatment Options: A variety of resources exist for alcohol and other drug prevention education, counseling and referral. For detailed information concerning these resources available from the University and community agencies, students may contact the ULM Counseling Center at 318-342-5220. Faculty and staff members may contact the Department of Human Resources 318-342-5140

Prevention Programs:

The ULM Counseling Center is a comprehensive service that strives to help students identify and solve problems, to enhance personal maturity and integrity, and to provide an atmosphere that will make the student more confident about what lies ahead and more eager to meet the challenge!

In addition, the Counseling Center serves as the point of entry for students with special needs. Accommodations are provided to individuals with documented disabilities.

To Schedule an Appointment

(318) 342-5220

The Counseling Center addresses students' concerns regarding a wide variety of issues. When faced with adversities, individuals are often able to receive the support necessary to overcome their difficulties through communication with their families or friends. However, professional assistance may be necessary for adequate resolution to occur.

Counseling services are offered to all enrolled ULM undergraduate, graduate and professional students. Faculty and Staff counseling services are also available. All counseling services are **FREE OF CHARGE**.

Confidentiality is an essential component in the counseling process. Students are encouraged to feel comfortable in sharing their issues of concern in an environment that is safe and non-threatening.

Personal Counseling:

The Counseling Center's trained professionals assist students who are struggling with difficult life issues. Stress management, anxiety, depression, and relationship concerns are just a few of the topics addressed by clients.

Substance Abuse Recovery Program:

A Counseling Center substance abuse specialist identifies problems relating to the use of alcohol and other drugs and works with students in recovery. Individualized assessment, counseling, referrals, and groups are available.

Educational Counseling:

Students with academic concerns may seek individual counseling in order to address specific situations. Common issues include: test anxiety, time management, note-taking skills, and reading comprehension.

Group Counseling: Group counseling can often be a more curative force than individual therapy. Participants receive mutual identification with and acceptance from others going through similar problems. Each semester, the Counseling Center offers students an opportunity to participate in a group experience which addresses a specific topic.

Emergency Services:

***** IMPORTANT: If you or someone you know has attempted suicide and is in need immediate medical attention, or a suicide attempt is imminent, please call 1-911 (on-campus) or 911 (off-campus) for immediate medical assistance.**

Walk-In Urgent Crisis Services:

During normal business hours, counselors are available to assist students in crisis. If possible, please call ahead (318-342-5220) and let us know that you're coming. Please tell the receptionist that you are in crisis and need to see someone as soon as possible.

After-Hours Urgent Crisis Services:

Counselors are available for after-hours and weekend emergency services. Personnel within the University Police Department (318-342-5350) will contact counselors in an emergency situation. If you are in need of crisis intervention services, please notify the University Police Department. A counselor will respond immediately to students in crisis with an appointment or telephone call.

Examples of urgent crises:

- Thoughts of harming yourself
- Thoughts of harming other people
- Recent victim of sexual assault

Rape and Sexual Assault:

The Counseling Center provides counseling and support services for victims of rape and sexual assault. If you are sexually assaulted:

- Get to a safe place immediately.

CRIME PREVENTION AND PROGRAMS:

The safety and well-being of students, faculty, staff and visitors are a priority at ULM. Through the assistance of several other university departments, every effort is made to better serve the ULM community and provide a safe environment in which the mission of the university may be attained. However, a truly safe campus can only be achieved through the cooperation of all students, faculty and staff.

Crime prevention demands constant interaction and outreach to the community. The ULM-PD sponsors crime prevention programs to stress community awareness and interaction. The department distributes materials and makes presentations upon request in order to familiarize students, faculty and staff with their shared responsibility in reducing criminal opportunity. Such programs range from crime prevention presentations to on-site inspections and may be requested by contacting **ULM-PD at 318-342-5350**.

Crime prevention brochures, posters and handouts are used to inform members of the ULM community about the potential for crime. The ULM-PD works in conjunction with Freshman Orientation to disseminate information about the duties and responsibilities of the ULM-PD as well as security and safety tips. Each semester, the ULM-PD, Office of University Services and Housing and Residence Life present crime prevention and awareness programs. In addition, crime prevention and alert programs are presented to different departments.

Investigations/Crime Prevention:

Information concerning safety and security is regularly provided to students, faculty, and staff by the use of seminars and workshops; crime alert bulletins; crime prevention posters and brochures; KXUL, the University radio station; Smoke Signals, the employee newsletter; and the Hawkeye, the student weekly newspaper.

ULM-PD are full-time investigative officers who have received specialized training in several major crime areas as required. Programs available through this section are Crime Prevention and Awareness, Sexual Assault Presentations, Identify Your Property, and Abuse of Alcohol and Other Drugs and Controlled Substances.

Proper lighting and building security are major factors in determining crime on campus. The University Physical Plant Director maintains the University buildings and grounds with a concern for safety and security. The director, or his representative, inspects campus facilities regularly, authorizes repairs as quickly as possible affecting safety and security, and responds to reports of potential safety and security hazards, such as broken locks and windows.

The ULM-PD assists Physical Plant personnel by reporting potential safety and security hazards on a regular basis. Students, faculty and staff may also report any safety and security hazards by calling 342-5170 or 342-5350. The ULM campus is routinely inspected by a University Safety Committee which walks and inspects the entire campus to review lighting and other environmental concerns for safety and security. Most University facilities are open to the public during the day and evening hours when classes are in session. During the times that the University buildings are closed, only faculty and staff are allowed entry. With proper authorization, students are allowed access.

Blue Light Towers and CCTV:

Dispatchers also monitor the emergency 'Blue Light Station- Red Tower' telephones that are located throughout campus and residence hall parking lots. Emergency telephones are identified by a blue light and can be easily activated by the push of a button. These phones connect directly to the police communication center, where they are identified by their specific location. The dispatcher also monitors approximately 940 closed circuit television cameras (CCTV) that are located in various parking lots and buildings throughout the campus. The cameras capture video data that can be retrieved to assist in criminal investigations.

Safety Escort Program:

To help protect students, faculty, staff and visitors who need to reach a particular destination on campus after dark, the ULM-PD provides a free safety escort service. The service operates seven days-a-week, 24-hours-a-day and is provided by ULM-PD. The program is designed to enable you to travel from one location to another with a greater sense of security. Call ext. 5350 or 318- 342-5350.

If an escort is needed from parking lots please call the ULM-PD at 318- 342-5350, or stop by on your way to the lot, or call from your cell phone. Once in the parking lot, please remain in your vehicle with your engine running, doors locked and your headlights on if it is after dark.

To arrange for an escort, please plan ahead and call the ULM-PD 10 to 15 minutes ahead of time. You will need to provide your name, location, destination, number of people that need an escort, and a call back telephone number.

Escorts will be provided in the order that requests were placed. Please wait for the escorts at the agreed upon location. An officer will be dispatched and respond as soon as possible. In most instances the officer will respond in a timely manner; however, an emergency situation may dictate a longer waiting period for the escort. Please be patient.

Police Segway:

The ULM-PD will introduced the use of a fully marked Segway's in 2016 to further increase the visibility of police officers on campus and for athletic events. The Segway vehicles allow for a quick response in confined and crowded areas for events on campus. Officers are also better able to converse with students, faculty and staff when utilizing the Police Segway.

Silent Witness Program:

The Silent Witness Program is designed to anonymously allow people to report suspicious behavior online. This program is not designed to report emergencies or a crime in progress. Please call 9-1-1 (111 on campus) or 318-342-5350 if you need emergency assistance. The Silent Witness Program is available online at: <http://www.ulm.edu/police/silent>

Crime Stoppers of North Delta:

ULM-PD works in conjunction with the Ouachita Parish Crime Stoppers program. Crime Stoppers serves the community as an informant system whereby the public is invited to provide valuable information that might lead to the arrest and possible conviction of criminals. Participants who call the Crime Stoppers hotline at 318-388-2274 remain anonymous.

Crime Prevention and Security Awareness Programs for Students and Employees:

Orientation sessions are provided throughout the year for new Employees and new incoming freshmen and their parents; one orientation session is provided in the month of August for new incoming transfer students; one orientation session is provided in the month of August for new incoming international students; and one mandatory resident orientation session for students who live in campus housing is provided within the first two weeks of start of the fall term each year.

Information about campus security procedures and practices, crime statistics, emergency notification systems and related issues is provided through in-person presentations, demonstrations of resources available on the University's website, and print materials in welcome packets provided to students upon check-in. The ULM-PD and student affairs administrators are the primary presenters of this information. Additional programs are provided throughout the academic year through information sessions, awareness campaigns; safety and security reminders delivered in association with emergency notification tests and alerts via email. Similar information is presented to new employees. Crime Prevention, Security Awareness and Sexual Assault Prevention Programs are available upon request.

Periodically during the academic year, the ULM-PD, in cooperation with other University organizations and departments, present crime prevention and security awareness sessions. As well as sessions on personal safety and residence hall security.

During these sessions, students and employees are encouraged to be responsible for their own security and the security of others. **The department will also conduct crime prevention talks and presentations on request.**

Public Presentations:

To further our continuing crime prevention and awareness programming at the University of Louisiana Monroe, ULM-PD makes available personnel to any interested university-affiliated groups or organizations. Organizations not connected to the university are also welcome on an as-time-permits basis. We can address any issue on safety or security and custom-tailor the presentation to fit your specific needs.

Presentations can cover issues such as:

- Alcohol/drug awareness
- personal safety issues
- residence hall safety and security
- property theft prevention
- sexual assault awareness issues
- work safety
- fire safety
- other topics upon request.

We will utilize our resources and coordinate with other departments and organizations that may be able to provide assistance.

If you are interested in having a presentation, contact UPD at 318-342-5430.

Violence against Women Act (VAWA):

The **Violence Against Women Act of 1994 (VAWA)** is a United States federal law (Title IV, sec. 40001-40703 of the Violent Crime Control and Law Enforcement Act of 1994, H.R. 3355) signed as Pub.L. 103-322 by President Bill Clinton on September 13, 1994 (codified in part at 42 U.S.C. sections 13701 through 14040).

On March 7, 2013, President Obama signed The Violence against Women Reauthorization Act (“VAWA”), which establishes improved responses to violence against women. VAWA mandates higher education institutions to educate students and/or the university community in helping to prevent gender based violence. This act also imposed that additional rights were provided to campus victims of domestic violence, dating violence, sexual assault, and stalking.

The University of Louisiana at Monroe is committed to fostering a safe environment free from sexual misconduct, including but not limited to:

- Sexual assault,
- Dating violence,
- Domestic violence,
- Stalking.

The University expects all relationships or associations be established upon mutual respect, open communications, and clear consent.

ULM will present primary prevention and awareness programs for new students and new employees, in addition to on-going awareness campaigns related to prevention of:

- Sexual assault
- Dating violence
- Domestic violence
- stalking

For all students and employees associated with the university.

The **Everfi/Haven** was selected as an online interactive awareness learning program to educate students on the topics of sexual assault and interpersonal violence.

The **Green Dot** Bystander program was chosen as the bystander intervention program to educate students on ways to proactively help others while ensuring their own safety and well-being. Training for all University employees will be provided on dating violence, domestic violence, sexual assaults, and stalking. This training will be based on the requirements under VAWA, Title IX and the Clery Act.

ULM strongly encourages all individuals to report incidents of sexual assault, dating violence, domestic violence, and stalking to University officials and police.

Individuals may report incidents to the ULM Campus Police or the Title IX Coordinator, Treina Kimble, tel. (318) 342-5215, email: landrum@ulm.edu, Library 6th floor, Suite 612. Individuals may also make confidential reports to designated Confidential Advisors.

The University will provide resources to support persons who have been victims of sexual assault, dating violence, domestic violence, and stalking. Click [here](#) to view the available resources.

If an individual reports to you that they are a victim of a crime please follow the procedures provided in the [Sexual Misconduct Policy](#) and/or the [Sexual Misconduct Formal Complaint Resolution Procedure](#). Provide the individual with an informational resources brochure and complete the ULM Sexual Misconduct online report. For more information on Title IX and VAWA please refer to the [Title IX website](#).

The University will provide programs that promote awareness and avert domestic violence, dating violence, sexual assault, and stalking on campus and in our community. Initial programming will be directed at all new students and employees, followed by on-going programs directed to all students and employees in culturally relevant training including:

- Awareness programming on dating violence, domestic violence, stalking and sexual assault.
- Risk-reduction strategies designed to promote healthy behaviors/relationships and recognize early warning signs of abusive behavior.
- Prevention programs to avert acts of dating violence, domestic violence, sexual assault and stalking.
- Safe and positive Bystander intervention education and training.
- On-going University prevention and awareness campaigns.

All training provided in the above areas needs to be recorded through the Title IX Coordinator in care of VAWA and is to be reported in the Annual Security Report through the ULM Campus Police Department

UNIVERSITY OF LOUISIANA AT MONROE DEFINITION OF CONSENT AS IT RELATES TO SEXUAL ACTIVITY:

Consent:

Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate consent. Consent must be knowing and voluntary. To give consent, a person must be of legal age. Assent does not constitute consent if obtained through coercion or from an individual whom the alleged offender knows or reasonably should know is incapacitated. The responsibility of obtaining consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving consent. A current or previous consensual dating or sexual relationship between the persons involved does not itself imply consent or preclude a finding of responsibility.

VAWA CRIMES REPORTING:

VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA):

Higher education institutions are expected to make a “good faith effort” to comply with the Campus Sexual Violence Elimination Act (Campus SaVE Act), which became effective in March 2014. Part of the Violence Against Women Reauthorization Act of 2013 (VAWA), the law comes at a time of multiple high-profile government investigations of campus response to sexual misconduct allegations and a recent White House Task Force report on protecting students from sexual assault. University of Louisiana at Monroe State University complies with these requirements.

The Campus Sexual Violence Elimination (SaVE) Act:

The Campus Sexual Violence Elimination (SaVE) Act fosters translucency on campus regarding incidents of sexual misconduct, violence, ensures improved rights of victims, establishes standards for disciplinary proceedings, and requires primary and on-going prevention educational programs. The Campus SaVE Act amends the Clery Act, which mandates campuses to report annual statistics regarding incidents of campus crime, including sexual violence, domestic violence, dating violence, and stalking.

The University of Louisiana at Monroe (ULM) is committed to providing a safe living, learning and working environment. In compliance with federal law, specifically the Jeanne Clery Act (the Clery Act) and the Campus Sexual Violence Elimination Act (SaVE Act), the University has adopted policies and procedures to prevent and respond to incidents of sexual assault, domestic violence, dating violence and stalking. These guidelines apply to all members of the University community (students, faculty, and staff) as well as contractors and visitors.

ULM will not tolerate sexual assault, domestic violence, dating violence, or stalking, as defined in the [ULM Sexual Misconduct Policy](#), in any form. Such acts of violence are prohibited by the University policy, as well as state and federal laws. Individuals who the University determines more likely than not engaged in these type behaviors are subject to penalties up to and including dismissal or separation from the University, regardless of whether they are also facing criminal or civil charges in a court of law.

Definitions:

Sexual assault- a forcible or non-forcible sex offense that meets the definition of rape, fondling, incest or statutory rape as further defined in the Clery Act. Louisiana law defines sexual assault as non-consensual sexual intercourse or sexual contact. A single instance of sexual assault can constitute a hostile environment.

Domestic violence- violence, including but not limited to sexual or physical abuse or the threat of such abuse, committed by a current or former spouse or intimate partner or other person from whom the alleged victim is protected under state or federal law. Includes felony or misdemeanor crime of violence committed by a person with whom the victim shares a child, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Dating violence- violence, including but not limited to sexual or physical abuse or the threat of such abuse, committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship. Dating violence in Louisiana includes any offense against the person as defined in the Louisiana Criminal Code except negligent injury and defamation.

Stalking- Intentional and repeated following OR harassing that would cause a reasonable person to feel alarmed OR suffer emotional distress OR Intentional and repeated uninvited presence at another person's : home, work place, school, or any other place which would cause a reasonable person to be alarmed OR would cause a reasonable person to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping, or any other statutory criminal act to the victim OR any member of the victim's family OR any person with whom the victim is acquainted. For purposes of the Louisiana state definition of "stalking", the term "harassing" means the repeated pattern of verbal communications or nonverbal behavior without invitation which includes but is not limited to making telephone calls, transmitting electronic mail, sending messages via a third party, or sending letters or pictures. "Pattern of conduct" means a series of acts over a period of time, however short, evidencing an intent to inflict a continuity of emotional distress upon the person. Constitutionally protected activity is not included within the meaning of pattern of conduct.

How to Report an Incident:

The University encourages any member of the University community who has experienced sexual assault, domestic violence, dating violence, or stalking, or knows of another member of the community who has experienced any of these violations, to report the incident to University authorities.

If a ULM student, faculty or staff member, visitor, or contractor has experienced sexual assault, domestic violence, dating violence, or stalking, should immediately report the incident to the Title IX Coordinator, Treina Landrum, Library 612, 318.342.5215, landrum@ulm.edu(for students, university employees, contractors or visitors).

The report can be made in person and/or [online](#). Each reporting authority will contact the Title IX Coordinator who will assist the complainant by assessing the incident, advising the complainant on how he or she can seek legal protection, and making the survivor aware of medical, counseling, and other support services. In the case of an emergency or an ongoing threat, a survivor should get to a safe location and call 911 for local police or if on campus dial 1911.

The Title IX Coordinator will also provide survivors of sexual assault, domestic violence, dating violence, and stalking with information about available support services and resources, and also assist any complainant in notifying law enforcement, including the local police, if the complainant elects to do so.

Complainants are not required to report to area law enforcement in order to receive assistance from or pursue any accommodations within the University. Reporting sexual assault, domestic violence, dating violence, and stalking to the police (including Campus Police) does not commit the complainant to further legal action. However, the earlier an incident is reported, the easier it will be for the police to investigate, if the complainant decides to proceed with criminal charges. Confidential advisors have also been designated by the University to assist students. Contact information for these individuals can be found on the [Confidential Resources/Advisors](#) tab on the ULM Title IX web page.

Explanation of Rights:

Any student or employee, who reports an incident of sexual assault, domestic violence, dating violence, or stalking, whether the incident occurred on or off campus, shall receive a written explanation of their rights and options as provided for under this policy. These rights and options include the right(s) of a complainant to:

1. Go to court, and to file a domestic abuse complaint requesting an order restraining the respondent from abusing you, and/or an order directing your attacker to leave your household, building, school, university, or workplace;
2. Seek a criminal complaint for threats, assault and battery, or other related offenses;
3. Seek medical treatment (the police or University Confidential Advisors will assist you in obtaining medical treatment if you wish);
4. Request the assistance of a Confidential Advisor;
5. Request the police remain at the scene until your safety is secured;
6. Request that a police officer assist you by arranging transportation or by taking you to a safe place, such as a friend's residence; and
7. Obtain a copy of the police incident report at no cost from the police department.

Procedures Complainants Should Follow:

If an incident of sexual assault, domestic assault, dating violence, or stalking occurs, it is important to preserve evidence so that successful criminal prosecution remains an option. The survivor of a sexual assault should not wash, shower or bathe, douche, brush teeth, comb hair, or change clothes prior to a medical exam or treatment. If a survivor has removed the clothing he or she was wearing during an assault prior to seeking medical treatment, that clothing should be placed in a brown paper, not plastic, bag and brought to the hospital when treatment is sought. If the complainant is still wearing the clothes that he or she was wearing during an assault, he or she should bring a change of clothes with him or her to the hospital so that the clothes containing possible evidence can be preserved and examined for evidence of the crime.

Evidence of violence, such as bruising or other visible injuries, following an incident of sexual assault, or domestic or dating violence, should be documented by taking a photograph. Evidence of stalking, including any communications such as written notes, email, voice mail, or other electronic communication sent by the stalker, should be saved and not altered in any way.

ON Campus and Off Campus Resources:

ULM, the city of Monroe and neighboring parishes, all offer other important resources to the survivors of sexual assault, domestic assault, dating violence, or stalking, including medical treatment, counseling services, and advocacy that complainants may wish to utilize.

The following University offices can assist members of the University community in considering their options regarding resources or recourse they may elect to pursue. A complainant need not formally report an incident of sexual assault, domestic violence, dating violence, or stalking to law enforcement or the University in order to access the following resources:

Accommodations:

In the event a student or employee reports an incident of sexual assault, domestic violence, dating violence, or stalking to law enforcement or pursues any formal action, if they report such an incident to University authorities, the University is committed to providing them as safe a learning or working environment as possible. Upon request, the University will make any reasonably available change to an alleged victim's academic, living, and working situation. When a reported incident of abuse involves more than one member of the University community, the Title IX Coordinator may issue an institutional "NO CONTACT" order, prohibiting the individual from contacting the other, either on or off campus.

University authorities will advise the complainant of a reported incident of sexual assault, domestic violence, dating violence, or stalking about how to seek a restraining order from a criminal court.

UPD is committed to ensuring that orders of protection issued by courts are fully upheld on all University-owned, used, and controlled property as well as properties immediately adjacent to the University. Therefore, if any member of the University community obtains an order of protection or restraining order, he or she should promptly inform University authorities and provide them with a copy of that order, so that it can be enforced.

The University is also committed to protecting survivors from any further harm, and if the University authorities determine that an individual's presence on campus poses a danger to one or more members of the University community, said authorities and/or the Title IX Coordinator may issue an institutional "NO CONTACT" or "NO TRESPASSING" order barring that individual from University property.

Confidentiality:

ULM recognizes the sensitive nature of sexual assault, domestic violence, dating violence, and stalking incidents. We are committed to protecting the privacy of individuals who report incident of abuse, to the extent that doing so is permitted by law and consistent with the University's need to protect the safety of the community. Different University officials and personnel are able to offer varying degrees or levels of privacy.

The University requires all employees, with the exception of the licensed mental health counselors who work at the ULM Counseling Center and designated Confidential Advisors to share the information with the Title IX Coordinator regarding any report of sexual misconduct.

The Title IX Coordinator will investigate the incident(s), track trends (including multiple reports involving the same assailant) and determine whether steps are needed to ensure safety of the community. It is the complainant's choice whether he or she wishes to participate in the investigation; however, the University may proceed with an investigation with the complainant's participation if there is a concern for the safety of other members of the community.

Reports made to ULM-PD will be shared with the Title IX Coordinator in all cases, and may also be made public (maintaining the complainant's anonymity) and shared with the respondent in cases where criminal prosecution is pursued. Reports received by the University concerning the abuse of a minor or juvenile must be reported to the state officials in compliance with state law

requiring mandatory reporting of child abuse. All members of the ULM community are required by University policy to report any instances of known child abuse or neglect to the University Police Department, and this department will in turn report such information to the appropriate state authorities.

Reports and information received by the licensed mental health counselors and the ULM Health Clinic (Affinity's medical professionals) are considered protected. Information received by designated Confidential Advisors is considered confidential. Thus, those individuals will not share information they learn from alleged victims with others within the institution (including the Title IX Coordinator) or with any third party except in cases of imminent danger to the alleged victim or third parties. Absent such circumstances of imminent danger, the only information that these employees will report to the University's crime reporting statistics that are reported in the University's annual Clery Reports. Such crime reporting statistics are also included in a Title IX trend report maintained by the University.

Incidents of sexual assault, domestic or dating violence, or stalking, which is shared with the University's Title IX Coordinator or other University officials, will be treated with the greatest degree of respect and privacy possible while still fulfilling the University's obligation to investigate and effectively respond to the report. Every effort will be made to limit the scope of information shared to keep it to a minimum of detail, and only when absolutely necessary. It is the complainant's choice whether to participate in the investigation; however, the University may proceed with the investigation without the alleged victim's participation if there is a potential threat to other members of the community.

An individual's ability to speak in confidence and with confidentiality may be essential to his or her recovery. The University thus expects employees to treat information they learn concerning incidents of reported sexual assault, domestic violence, dating violence, and stalking with as much respect and as much privacy as possible. University employees must share information only with those university officials who must be informed of the information pursuant to University policy. Failure by a ULM employee to maintain privacy in accordance with the University policy will be grounds for discipline.

While federal law requires the University to include certain reported incidents of sexual assault, domestic violence, dating violence, and stalking among its annual campus crime statistics, such information will be reported in a manner that does not permit identification of survivors.

Educational Programs:

The University is committed to continued efforts to provide students and employees with educational programming, and strategies intended to prevent rape, acquaintance rape, sexual assault, domestic violence, dating violence, and stalking before they occur. Personal Safety Workshops – In an

effort to educate the University community about safety, the University provides opportunities for all members of the community to learn about safety precautions. Resident Directors, Resident Assistants, and UPD conduct awareness workshops on a wide variety of subjects including but not limited to alcohol awareness, the definition of consent, sexual assault, and wellness.

Crime Bulletins and Alerts:

The University periodically distributes crime bulletins or alerts to inform members of the University community about incidents of crime in the areas surrounding the University that may pose and imminent threat of harm to members of the community. Bulletins and alerts are also circulated at times, not in response to a specific incident, but as a general reminder to community members about measures that members of the community may take to enhance personal and property security.

New Employee Orientation:

All new employees receive training on Sexual Harassment and Title IX through several offices and during annual faculty and staff in-service programs. The University authorities also provide new employees with information concerning issues of safety and personal awareness on such subjects as emergency preparedness.

Resident Hall Programs:

These programs are run through the Office of Residential Life and inform students on a wide variety of topics, such as, alcohol awareness, sexual assault, consent, bystander awareness, personal safety, and fire safety.

Bulletin Board Campaigns:

The Office of Student Services and Residential Life uses passive programming strategies in the residence halls to provide information on crime prevention and safety issues related to University students on and off campus.

Conduct Proceedings:

ULM strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal investigation and prosecution, students, employees, and other affiliates may also face action by the University. When students or employees are accused of having engaged in sexual assault, domestic violence, dating violence, or stalking, the University may, depending on the facts alleged, issue interim safety measures prior to the resolution of the charges. Such interim safety measures might include issuing No Contact orders between the parties, altering an individual's work or class schedule or a student's on-campus housing assignment, placing an employee accused of misconduct on administrative leave, or placing a student accused of misconduct on an interim suspension.

The University's Title IX Coordinator will oversee all investigations of allegations of gender-based violence. Employees who are found responsible for having committed such a violation could face termination of employment, and students who are found responsible for having committed such a violation may face disciplinary probation, deferred suspension, suspension from university housing, dismissal from university housing, suspension from the university, or dismissal from the university. In addition, ULM may issue No Contact Orders and No Trespass Orders to those found responsible.

If a Title IX investigation concludes that a preponderance of evidence exists which suggests a student or employee more likely than not engaged in sexual assault, domestic violence, dating violence, or stalking, the Title IX Coordinator will make the determination of responsibility and accordingly issue sanctions. The complainant or respondent has the right to appeal and go before the Title IX Appeal Committee.

All conduct proceedings, whether the conduct is reported to have occurred on or off campus, shall provide a prompt, fair, and impartial investigation and resolution. All investigations and proceedings shall be conducted by officials who receive annual training on the nature of the types of cases they are handling, how to conduct an investigation, and how to conduct a proceeding in a manner that protects the safety of the complainant and promotes accountability.

The University seeks to investigate and adjudicate any official complaints of sexual assault, domestic violence, dating violence, or stalking that are filed with the University in a fair and prompt manner making efforts to finalize complaints within sixty (60) days of receipt of the complaint, unless mitigating circumstances require the extension of time frames beyond sixty (60) days. Such circumstances may include the complexity of the allegations, the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation, University breaks or vacations that occur during the pendency of an investigation, or other unforeseen circumstances. In these matters the complainant and the respondent shall be notified, provided an explanation, and given information about the amount of additional time required.

In all investigatory and adjudication proceedings conducted by the University concerning charges of sexual misconduct, domestic violence, dating violence, or stalking, including any related meetings or hearings, both the complainant and the respondent will be afforded the same process rights, including equal opportunities to have others present. This includes the right to be accompanied by an advisor of their choice. Both the complainant and respondent will also be afforded an equal opportunity to introduce evidence and identify witnesses.

When a student is accused of any violation of the student conduct code, including but not limited to charges that he or she engaged in sexual assault, domestic or dating violence, or stalking, the charges will be decided using the preponderance of evidence standard, which means that it is more likely than not that the reported misconduct occurred.

When the Title IX Coordinator completes an investigation and/or issues a decision, both the complainant and the respondent shall promptly and simultaneously be informed in writing, usually within seven (7) business days, of the outcome of the investigative or adjudicative proceeding.

Both the complainant and respondent will be given the same procedures and timeframe to appeal the outcome of the proceeding to the Title IX Appeal Committee. Both parties will receive the same process rights if an appeal is granted, and the parties will both receive timely notice when the outcome becomes final. Disclosure of the outcome shall be made to both parties unconditionally, and each shall be free to share or not share the details with any third parties.

- **Sex offenses (forcible and non-forcible)**
- **Robbery**
- **Aggravated assault**
- **Burglary**
- **Motor vehicle theft**

This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. It is not necessary that injury result from an aggravated assault when a gun, knife or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.

Burglary: The unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes: unlawful entry with intent to commit a larceny or a felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

A hate or bias related crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc... The assault is then also classified as a hate/bias crime.

Type of Bias:

Fire Safety Report and Statistics:

Notice of Combined Annual Security Report and Annual Fire Safety Report Availability:

The University is committed to assisting all members of the university community in providing for their own safety and security. The annual security and fire safety compliance document is available on the [ULM-PD website](#).

The University's combined Annual Security Report (ASR) and Annual Fire Safety Report is now available. This report is required by federal law and contains policy statements and crime statistics for the school. The policy statements address the school's policies, procedures and programs concerning safety and security, for example, policies for responding to emergency situations and sexual offenses. Three years' worth of statistics are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school and on public property within or immediately adjacent to the campus. This combined report is available online at www.ulm.edu/police. You may also request a paper copy from the ULM-PD front desk located at 3811 DeSiard Street Monroe, LA 71209, or you can request that a copy be mailed to you by calling 318-342-5350.

The reports contain information regarding campus security and personal safety including topics such as: crime prevention, fire safety, University police law enforcement authority, crime reporting policies, disciplinary procedures and other matters of importance related to security and safety on campus.

They also contain information about crime statistics for the three previous calendar years concerning reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by the University of Louisiana at Monroe and on public property within, or immediately adjacent to and accessible from, the campus.

This information is required by law and is provided by the University of Louisiana at Monroe Police Department.

Notification to the University of Louisiana at Monroe Community about an Immediate Threat:

The University will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or staff occurring in and around ULM facilities. The ULM-PD will confirm an emergency with assistance from various offices/departments on campus or external agencies such as the Monroe Police Department. ULM-PD Director (and in the Director's absence, the Assistant Director, or the Police Lieutenant) will generally determine the content of the message, determine the appropriate segments of the community to receive the notification and distribute it to the ULM community.

The University may limit the message to a particular segment of the ULM community if the threat is limited to a particular building or segment of the population. The University of Louisiana at Monroe will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders, compromise the efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

In the event a serious incident poses an immediate threat to members of the ULM community, the ULM-PD has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated. [ULM SAFE](#) is the primary communication system used to disseminate information about emergencies or dangerous situations to the ULM community.

Students and employees are responsible for keeping their contact information up to date. They may do this on-line by accessing the ULM Portal. Instructions are available on the My ULM portal by clicking on the Emergency Notifications tab located on the top bar.

ULM will use appropriate methods of communication to provide follow-up information to the University community following an emergency on campus.

Parents, neighbors and other interested members of the larger community can receive information regarding an emergency on campus via the University website, official social media sources or local media. The University radio stations KXUL-FM and KEDM-FM will be an additional source for the local community to access information about emergency information on campus.

Emergency Evacuation Procedures:

Evacuation Procedures When an evacuation of a building is ordered, the evacuation will be done in an orderly and safe manner. All employees are to assemble in designated areas. Evacuation orders may be given for multiple purposes.

1. Become familiar with your work area and exit locations.
2. When the fire alarm sounds, prepare to evacuate immediately.
3. Do not panic but walk quickly to the closest emergency exit.
4. Do not use elevators. Do not use cell phones.
5. Walk in a single file to the right through corridors and stairwells.
6. Avoid unnecessary talking and keep the lines moving.
7. Individuals requiring assistance in evacuation should proceed to stairwell entrance area and wait for assistance.
8. If smoke is encountered, drop to the floor and crawl along the wall to the nearest exit.
9. When approaching a closed door, feel the door with the back of your hand. If the door is cool, carefully open the door and (if safe) proceed with the evacuation.

10. Each department/floor should have a designated meeting place and meet in that location for a head count.

No one is to return to the building until the ULM Incident Commander authorizes permission

Special Evacuation Procedures ‘Vertical Evacuation’:

Is a procedure where individuals in lower floors relocate themselves to higher floors. This type of evacuation is conducted when there is a danger on the lower floors and there is either a danger in passing through the lower floors or if the outside environment is also dangerous. The most likely use of vertical evacuation is if there is a chemical spill either outdoors or within the lower floors.

Vertical evacuations are also used as an evacuation of last resort in a flooding or hurricane event. 1/11/18 Emergency Response Plan for Faculty & Staff.

Shelter-in-Place (a/k/a Emergency Lockdown):

There are a number of emergency situations where an evacuation of a building, room and/or office area is not advisable – hostile intruder, hazardous release outside, terrorist attack outside, etc. These threats require Shelter-in-Place procedures to be executed – the exact opposite of a Facility Evacuation. Often Shelter-in-Place situations constitute life-threatening events and conducting a facility evacuation or failing to respond properly could be a fatal mistake.

Shelter-in-Place Procedures – What It Means to “Shelter-in-Place”:

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to seek shelter indoors/ Thus, to “shelter-in-place” means to utilize the building that you are in as shelter from danger that is outside of the building or in other areas of the building.

With a few adjustments, these locations can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance:

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, ULM ID card, etc.) and follow the evacuation procedures for your building. Close your door, proceed to the nearest exit and use the stairs instead of the elevator. Once you have evacuated, proceed to the pre-designated evacuation point or to a safe location. If police (C-CERT) or fire department personnel are on the scene, follow their directions.

How You Will Know to “Shelter-in-Place”

A shelter-in-place notification may come from several sources but will most likely be via the [ULM SAFE](#) system which delivers emergency information to students, faculty and staff via several possible channels, including text, phone and email.

Communications

- A Shelter-in-Place will be announced by siren, intercom or other voice communication.
- If a situation that may require a Shelter-in-Place is discovered, the individual making the discovery shall immediately move to a safe location, contact University Police (1-911) and provide as much information as possible.
- Fire evacuation alarms are not to be sounded.

Campus Fire Safety Report:

The following information is the 2018 Annual Fire Safety Report for student housing facilities at the University of Louisiana at Monroe. The student housing facilities at ULM include Madison Hall, Ouachita Hall, University Commons and University Suites along with the International Student Center that provides temporary housing to International students. The east side of Bayou DeSiard has Masur Halls, Bayou Suites, and the Bayou village apartments.

Fire Drill Procedures:

Two fire drills each semester must be conducted in ULM Residence Halls, one during daytime hours and one at night. The drills should be conducted when the highest number of students can be expected to be inside the residence hall.

A fire drill must be conducted at least once per year in all other buildings and facilities. [Fire Drill Report](#)

Instructions:

Before the Drill

Building Coordinators will be responsible for arranging annual fire drills for their respective buildings.

Building safety coordinator or responsible person conducting the drill should notify the dept. heads, deans, directors, etc. in advance of the drill. This is to avoid confusion and also so important meetings, classroom activities, tests, experiments, etc. can be scheduled appropriately. The university police department and the Environmental Health & Safety Office should also be notified prior to the drill. These notifications need to be made at least one day prior to the drill.

The Building Coordinator should make sure he/she know how to turn the fire alarm on and off. Most pull stations have a screw or key that fits into the top section of the station. This allows you to open the pull station. Once the pull station is open the alarm can be operated manually. If you are unsure of how to operate the system contact the Environmental Health & Safety Office, 342-5177.

Recruit helpers from the building for the drill. Meet with them before the drill is started to make sure that the drill plans are reasonable. Station helpers to monitor and time the evacuation of the building. Make sure they record time and approximate number of people evacuated.

During the Drill

Carefully monitor the evacuation of your building along with your helpers. Use the fire drill / building evacuation report to see what areas should be checked during and after the drill.

Fire Drill Report

Be sure that no one enters the building during the drill.

Make sure that everyone in the building did evacuate the building.

Make sure that everyone is present and accounted for. It may be helpful to designate one person from each floor or area of the building to be responsible for ensuring employees on that floor or area have evacuated.

After the Drill

Make sure that no-one reenters the building until the alarm is turned off and you have deemed the building safe to reenter.

Complete the fire drill / building evacuation report. Submit this report to the Environmental Health & Safety office.

[Fire Drill Report](#)

Meet with building personnel to discuss results and ways to improve the evacuation procedures for your building. This is what the fire drill is for. Carefully and critically identify weaknesses and problems and develop better evacuation procedures.

Train building occupants on the new procedures developed from the drill.

Submit a copy of the detailed building evacuation plans and procedures to the Environmental Health and Safety Office.

Air conditioners, space heaters, halogen lamps with an exposed bulb, or any appliance with an open heating element (including toasters, toaster ovens, hot plates, grilling appliances, sandwich makers, etc.) are not permitted in the residence halls. However, slow cookers that are 3 ½ quarts or less are allowed. Smoking is not permitted in any University building and within 25- feet of a marked entrance, including residence halls. Open flames or any devices that produce an open flame are not allowed in the residence halls. This includes candles, incense and incense burners.

What Students and Employees Should Follow in Case of a Fire:

Your worst enemy during a fire is smoke/ if you're surrounded by smoke, get down on the floor and crawl to safety/ Hold your breath and close your eyes. Close doors behind you as you escape. Always use stairs to escape. **Never** use an elevator. Here are a few simple safety tips:

- Learn the location of fire exits and alarm pull stations near you and know the emergency number for assistance – 9-1-1.
- Sound the fire alarm if you see smoke or detect a burning odor.
- Have a prepared escape plan and know your escape route.
- Remember to remain calm.
- Use exit stairs. **Never** use elevators.
- Close doors behind you as you escape. In most cases, this will prevent smoke damage and fire from entering the room you are exiting.
- Do not re-enter a fire-damaged building until it has been declared safe.
- If you become trapped, seal off cracks around doors and vents with cloth or rugs. (Soak them in water if possible.)
- Shut off fans and air conditioners.
- Signal for help from a window. If a campus phone is still operational, call extension 5350 Or Police Emergency at 9-1-1. If you are using a cell phone, call 318-342-5350.

Fire Safety Education and Training Policies:

Fire safety in student housing facilities is a very serious matter. Students, faculty and staff are expected to learn fire safety policies and guidelines. To assist in this learning process, University of Louisiana at Monroe State University has several training programs and policies for fire safety education including:

- Formal training at the beginning of the fall semester for residential Community Assistants.
- Educational bulletin boards.
- Professional and volunteer staff training on building fire safety systems.
- Training for campus-wide Campus Community Emergency Response Teams (C-CERT) on fire safety, extraction, first aid and traffic control as part of the police department.

Reporting Fires:

In the event of a fire in a student housing facility, the University of Louisiana at Monroe State University Police Dispatch should be contacted immediately by telephone. The Police Dispatch can be reached at either (337) 475-5711 or 9-1-1.

FIRE SAFETY EQUIPMENT, DAMAGE & ABUSE:

The following should be emphasized to all residence hall occupants:

1. Fire safety equipment in the residence halls includes fire alarm pull stations, smoke detectors, fire extinguishers, all stairway doors, as well as hallway fire doors. All fire prevention/protection systems are made available for the safety and welfare of tenants, workers and visitors. Any attempt by anyone to cause damage, malfunction, deface or molest is a violation of the Louisiana State Fire Code and may result in disciplinary action which includes in some extreme cases, criminal prosecution and/or dismissal.
2. It is unlawful for any person to willfully give a false alarm or to pull the lever of any fire alarm except in case of a fire. It is also unlawful for any person to interfere with or malfunction, damage, deface or molest any part of any fire alarm system or other fire safety equipment.
3. Fire extinguishers are first-aid firefighting equipment only and shall be used accordingly:
 - Fire extinguishers are for use only on small and containable fires.
 - Class A: Water extinguishers are to be used on wood, paper, cloth and bedding fires. NOTE: Water extinguishers are never to be used on electrical units or fuel (gasoline, oils or other flammable liquids).
 - Class ABC: Dry chemical extinguishers may be used on all types of small, containable fires.
 - In case of an electrical fire, disconnect the item from its electrical source.

4. A very important point for any building particularly residence halls, concerns stairways and fire doors which separate one building wing from another or one floor from the next to prevent the spreading of fire. Such doors shall not be wired, blocked open or fixed in any way so the door is not closed when not in use.
5. Hallways and stairs leading to exits shall not be blocked for any reason to hinder a smooth flow of traffic in or out of the building.
6. No one shall smoke while sitting on or while in a bed under any circumstances. All smoking materials will be completely extinguished before disposal.
7. Misuse of Halogen lamps has been a major concern of the National Fire Protection Association. These lamps emit an excessive amount of heat and have been proven to be dangerous. They are not allowed on campus.
8. Fire lanes are provided outside all residence halls for the sole purpose of servicing emergency vehicles. These areas are designated as "Tow-away Zones" and will be enforced by University Police.

Every residence hall fire extinguisher shall be checked as least once each month to see if the seal is intact and that the extinguisher has not been discharged. The monthly inspection tag will be completed. Any problems noted should be directed to the Safety Office at extension 5177.

For your safety and the safety of other students the following items are not permitted in the residence halls and the apartments: animals/pets, halogen lamps, any open-coiled cooking appliances, toaster ovens, extension cords, electric fry pans, Christmas/strand lights, candles or incense, Scentsy or other wax warmers, fireworks, any and all types of firearms, knives used as weapons, ammunition, explosives, darts, archery equipment, personal wireless routers, television wall mounts, decorative bottles that once held alcohol, sun lamps, electric heaters, kerosene heaters, air conditioners, water beds, connections to outside aerials or antennas, excessive body building equipment, treadmills, amplifiers, sandwich makers and all grills.

Missing Student Notification:

Missing Persons:

If a member of the ULM community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify the **ULM-PD at 318-342-5350**. ULM-PD will immediately generate a missing person report and initiate an investigation.

Confidential Contact:

Resident students may identify a confidential contact person to be notified in the event the student is determined to have been missing for 24-hours. By providing this information to the housing office during final move-in processes occurring just before the student assumes occupancy.

Continuing resident students are given the opportunity to update this information each August during final move-in processes occurring in association with start of the fall academic term.

A student's confidential contact information will be accessible only by authorized campus officials and law enforcement in the course of a missing person investigation.

After investigating a missing person report, should ULM-PD determine that the student has been missing for 24-hours; ULM-PD will notify the student's emergency contact no later than 24-hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, the University will notify the student's parent or legal guardian immediately after ULM-PD has determined that the student has been missing for 24-hours.

Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, ULM-PD Police will inform the appropriate local law enforcement agency that has jurisdiction in the area that the student is missing within 24 hours of such determination.

Registered Sex Offender Policy Statement:

REGISTERED SEX OFFENDERS:

In accordance with the federal Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the ULM-PD provides a link to the Louisiana Sex Offender and Child Predator Registry (SOCPR). This law requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, or is a student. In Louisiana, convicted sex offenders must register with the Louisiana Sex Offender and Child Predator Registry (SOCPR) maintained by the Louisiana State Police.

The registry for sex offenders is available online. Registry information provided under this section shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children in particular.

Any person who uses information contained in or accessed through the Louisiana State Police Sex Offender and Child Predator Registry Website to threaten, intimidate, or harass any individual, including registrants or family members, or who otherwise misuses this information, may be subject to criminal prosecution or civil liability.

The Louisiana State Police maintain the Louisiana Sex Offender and Child Predator Registry (SOCPR) for the State of Louisiana and are responsible for the enforcement of the applicable sections of law cited above. Information about any individual affiliated with Louisiana State University in regards to this matter may be found at the public [SOCPR](#) website:

APPENDIX A – UNIVERSITY OF LOUISIANA AT MONROE POLICY ON HARASSMENT:

Background

Incidents of harassment often first come to the attention of the ULM -PD even though there are various avenues of addressing these types of issues. The information on this page is provided to assist members of the community in understanding the different types of harassment and how and to whom to report such incidents.

There are two kinds of harassment recognized by civil law: harassment by creation of a hostile environment and sexual harassment which amounts to coercion of an individual. Harassment by creation of a hostile environment is typically not predicated by a single incident unless it is unusually severe. There generally needs to be several incidents, properly documented to include time, place, specific actions and the reactions of the victim. Although these incidents may not be criminal in nature, the ULM-PD can take the necessary information and make sure that the proper referrals are made to appropriate University administrators including the ULM Office of Equal Opportunity.

Some kinds of harassment which are often passed over as just something you have to put up with may actually involve violations of criminal laws and University of Louisiana at Monroe administrative policies. Examples might be:

- epithets shouted on campus
- damage to property or graffiti
- epithets or threats written on dorm property
- threats or epithets made by phone or left as voice mail or e-mail messages
- threats made against individuals or their property
- assaults and/or batteries against a person whether or not there is a serious injury

Any incident that is in progress or that involves danger or threats to a person should be reported immediately. Use any campus emergency phone or dial 9-1-1. The dispatcher will ask for your name and where the incident is occurring. Stay on the line with the dispatcher until the police arrive or the dispatcher terminates the call.

Incidents such as larceny or vandalism should be reported as soon as it comes to your attention. You may use an emergency phone, 9-1-1, or call 318-342-5350 and ask for an officer to take a report.

All information in reports concerning victims or witnesses is kept confidential. That information will not be given to the press or to the suspects unless required by a court proceeding or with the victim/witness' permission. However, this information is made known to certain University administrators with a legitimate need to know (i.e. University Services personnel for matters involving student judicial proceedings) and to other police personnel, as necessary.

If you are especially concerned about your identity being known, you can provide ULM-PD with as much information as you are comfortable. You don't have to provide your name unless you want to.

The ULM Title IX Coordinator and Office of Student Life have the primary responsibility for investigating harassment. Phone 318-342-5215, 318-342-5230

University Policy on Sexual Misconduct Policy:

<http://catalog.ulm.edu/mime/media/view/24/3060/ULM+Sexual+Misconduct+C+omplaint+Policy+August+31+2015.pdf>

Introduction:

Members of the University of Louisiana at Monroe (ULM) community, guests, visitors and authorized users of the University's facilities should be able to enjoy a campus environment free from sexual misconduct. This policy is intended to define community expectations with respect to this right and to establish a mechanism for addressing behavior that violates these expectations. Three forms of sexual misconduct are addressed by this policy: (1) Criminal Sexual Misconduct; (2) Sexual Harassment; and (3) Problematic Consensual Relationships.

All students, faculty, staff, administrators, and contracted personnel will be held accountable for compliance with this policy and any violation of this policy may lead to disciplinary action which, in serious cases, may include suspension, expulsion, termination, and/or removal. Every member of the ULM community is hereby apprised that certain forms of sexual misconduct may subject an individual not only to institutional discipline but also to criminal prosecution or civil liability.

It is incumbent upon all members of the ULM community to report instances of sexual misconduct. Failure to do so could result in disciplinary action up to and including suspension or termination. Any person who receives or becomes aware of a complaint of sexual misconduct or other violation of this policy should report the complaint to their Department Supervisor as soon as possible and preferably within two work days. All complaints of sexual

misconduct, investigation documents, and documents relative to the resolution of the complaint will be maintained in a confidential file in the Office of the Title IX Coordinator; however, the extent to which information can remain confidential may be subject to state and federal laws relating to the required reporting of crimes or other information. In cases where it is determined that sexual misconduct has been committed, the University may take appropriate disciplinary action with or without the concurrence of the victim or person bringing the complaint.

The health, safety, and well-being of students, employees, and campus visitors are the University's primary concern/ if you or someone you know may be the victim of any form of sexual misconduct, you are strongly urged to seek immediate assistance. Assistance can be obtained 24 hours a day, seven days a week from: **The University of Louisiana at Monroe Police Department 9-1-1 or 1-9-1-1 for emergency; Ext. 5350 when calling from a campus Landline; or (318) 342-5350 when calling from other landlines or cellphones.**

1. CRIMINAL SEXUAL MISCONDUCT:

Any sexual conduct prohibited by the Louisiana Criminal Code and committed by a person on the ULM campus or against any ULM student, employee, or visitor shall be considered a violation of this policy and shall be immediately reported to ULM-PD. Such offenses may include various forms of stalking, cyberstalking, rape, attempted rape, sexual battery, incest, and unlawful sexual behavior involving juveniles or adults, and may include other types of behavior prohibited by state law. Failure to report violations of criminal law may result in the individual and/or the University facing sanctions under the federal Clery Act, which, among other things, requires key university employees to report crimes occurring in and around campus and in connection with campus activities.

Many administrative employees fall within the definition of a "**Campus Security Authority**" (CSA) under federal law, and thereby be required to report to ULM-PD specific crimes that are defined in the Clery Act including murder, sex offenses (both forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, and drug, liquor and weapons violations. It is the responsibility of all employees to determine whether they fall within the important definition of being a "Campus Security Authority." The reporting of any crime which comes to the attention of a CSA must be reported to ULM-PD immediately. Federal law may require a timely warning be given to the ULM community if there is the potential of a continuing risk to the university population. Because the classification of an alleged crime requires technical expertise, and since the University Police may be aware of other extenuating factors or incidents of criminal behavior, employees should not try to resolve an issue, delay the reporting of an issue, or mitigate a report on their own. Instead, the ULM-PD should be notified without delay so that they can conduct an investigation, seek support for the victim, and interact with other agencies in accordance with state and federal laws.

The ULM-PD may elect to follow their normal procedures in the investigation and enforcement of offenses within their jurisdiction or they may refer the case to other appropriate local, state, or federal law enforcement authorities. In cases where the facts upon which an alleged

criminal offense are based also constitute a violation of one or more University policies, the Student Code of Conduct, and/or the Faculty/Staff Handbook, the offender may be subject to sanctions under those provisions independent of any sanctions which may be imposed by the criminal justice system.

No provision of this policy shall be construed in any manner which would impede, limit, or delay the legitimate investigatory responsibilities of any agent of law enforcement or the rights of any victim of sexual misconduct.

2. SEXUAL HARASSMENT:

Sexual Harassment means unwelcome conduct, based on sex or gender stereotypes, which is so severe or pervasive that it unreasonably interferes with a person's University employment, academic performance or participation in University programs or activities and creates an atmosphere or environment that a reasonable person would find intimidating, hostile or offensive.

Sexual harassment includes, but is not limited to, unsolicited, deliberate, or repeated:

- Touching, sexual flirtation, advances or propositions which are not welcomed and/or desired;
- Unwelcome jokes, stories, comments, innuendos, or other sexually oriented statements which are specifically designed to embarrass or humiliate through their sexual subject matter content;
- Unwelcome sexual communication such as graphic or degrading comments about one's gender related to personal appearance;
- Unwelcome sexual advances, requests for sexual favors, or other offensive verbal or physical contact of a sexual nature; Unwelcome display of sexually explicit materials, objects or pictures in an individual's place of work or study;
- Creating or arranging situations specifically designed to violate privacy in an unwelcome and undesired manner.

APPENDIX B – UNIVERSITY OF LOUISIANA AT MONROE POLICY STATEMENT PROHIBITING SEXUAL VIOLENCE:

On college campuses, acquaintance and date rape are more apt to occur than rape by strangers. Research on college women indicates as many as 20% of the female population may at some point be sexually coerced by acquaintances.

While some students may not think of forced sexual relations as rape, such action constitutes a serious crime and is a felony under Section 14:42 of the Louisiana Revised Statutes.

If You Are the Victim of Sexual Assault:

Contact a friend to help you collect your thoughts and focus on your needs. If the assault occurred on campus, call the ULM-PD at 318-342-5350 or at 9-1-1. If the assault occurred off campus, call the City of Monroe Police Department (318) 329-2600, the Ouachita Parish Sheriff's Office (318) 329-1200 (911), the nearest law enforcement agency or the Rape Crisis Center 318-387-4357.

Obtain Medical Care - Quickly obtain medical care from a hospital emergency room. Do not bath, shower, douche or change clothes before seeking medical attention. The treatment for rape may require an examination at a designated hospital, testing for sexually transmitted diseases, medication to prevent pregnancy and documenting evidence so you can decide whether to pursue prosecution.

Assist in the Investigation - It is a personal decision whether to report a rape or sexual assault to police, but you are strongly encouraged to do so. The primary concern of the police is your safety and well-being; the second and third concerns are apprehending the assailant and preserving the evidence of the crime.

Seek Counseling - Whether or not you report the assault or pursue prosecution, you should consult a trained counselor for help in dealing with the emotional aftermath of a rape. Trained counselors are available at the ULM Counseling Center and the Wellspring Services Center. Talking with a counselor or psychologist in no way compels a victim to take further action.

A victim may choose to pursue action through the campus judicial system if the offense was committed by another student. The Office of University Services, Campus & Student Affairs, and (318-342-5230) is available to advise victims of their rights under the Student Code of Conduct. Even if you choose not to pursue disciplinary action, you are encouraged to report your experience to the Office of University Services.

Amnesty policy: ULM-PD provides an amnesty policy for any student who reports, in good faith, sexual violence to the institution. Such student shall not be sanctioned by the institution for a nonviolent student conduct violation, such as underage drinking, that is revealed in the course of such a report. The ULM-PD also apply this same amnesty policy for any student who reports any crime of sexual violence or who summons aid for an individual who is injured, the victim of a crime or who has suffered an overdose or medical emergency if the calling student was engaged in a nonviolent student conduct violation, such as underage drinking, that is revealed in the course of such a report. Such amnesty must still be reviewed by a police supervisor and does not mean that documentation is not required. Criminal action cannot automatically be excluded depending on the totality of circumstances and a review by the District Attorney's Office.

APPENDIX C- THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974:

Notification of Rights:

FERPA affords students certain rights with respect to their education records. These rights include:

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. (This right also applies to parents of dependent students, as defined in Section 152 of the Internal Revenue Code.) A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA, a student who wishes to ask the University to amend a record should write the University official responsible for the record, clearly identify the part of the record the student believes is inaccurate or misleading, and specify how and why it should be changed. If the University decides not to amend the record as requested, the University will notify the student in writing of the decision and the Student's right to a hearing regarding the request for amendment/ additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to provide written consent before the University discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The University discloses education records without a student's prior written consent under the FERPA! Exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law

enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a person serving on the governing or management board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University. Upon request, the University also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

They have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202-5901

Directory Information:

Under FERPA, only directory information may be released without a student's written consent, except to the extent that FERPA authorizes disclosure without consent/ Directory information is defined as. a student's name, address, telephone number, and email address; date and place of birth; major field of study and classification; enrollment status (full-time or part-time; undergraduate or graduate); photograph; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance, degrees, awards, and honors received; and previous educational institution most recently attended.

To prevent the release of directory information without written consent, a student may complete a Request to Prevent Disclosure of Directory Information form with the Records Manager in the Office of the Registrar. Requests to withhold information are in effect until the student provides written notification to the Office of the Registrar to rescind the request.

Each year a campus telephone directory is published. Students, faculty, and staff can withhold directory information from this publication by notifying the proper official. The telephone directory is a public document, and it is the only document that the University makes public containing the name, address, and telephone number of students.

APPENDIX D - SELECTIVE SERVICE REQUIREMENT:

In accordance with Louisiana R.S. 17:3151, no person who is required to register for the federal draft under the federal Military Selective Service Act shall be eligible to enroll in any postsecondary educational institution until he has registered for the draft and provides evidence of having done so. The federal Military Selective Service Act requires male U.S. citizens and male aliens living in the United States, who are 18 through 25, to register with the Selective Service.

The Louisiana law provides for two exceptions:

- (1) A veteran of the armed forces of the United States may submit a copy of his discharge papers or his discharge certificate as evidence of compliance with this law.
- (2) A person who has not registered for the federal draft shall be eligible to enroll in the institution if both of the following occur:
