# DR. FIELDS' NOTE

Hello Warhawks,

As we celebrate Women's History Month under the theme set by the National Women's History Alliance for 2024, "Women Who Advocate for Equity, Diversity, and Inclusion," we find ourselves in a pivotal moment of learning and action.

This week, as we engage with the stories of women who shape our world, join them on the field, or partake in an ancient Hindu tradition, we join a larger conversation and build our understanding of what equity, diversity, and inclusion mean in action.

Let us be inspired and reflect on how we each contribute to ensuring that, on the bayou, every individual is valued and empowered to take flight.
