DID YOU KNOW?

- The ULM library is seven stories tall. Floors 1-5 are for student use; floor 6 is for administrative offices.
- All first-year students get advised through an advisor in the Student Success Center. After your first year, everyone except pre-health majors gets advised through their academic department. Pre-pharmacy/pre-dental hygiene/etc. majors will continue to be advised in the SSC until accepted into their program. Psychology majors are advised in the SSC for their first two semesters and then move to the psychology department. Everyone must be advised to register for classes.
- A list of what you can & cannot have in the dorms is provided on the Res Life webpage: ulm.edu/reslife.
- ULM does allow first-year students to have cars on campus. Residents park in yellow curbs (usually near dorms), commuters park in white curbs (scattered), & faculty/staff park in maroon curbs.
- The Student Success Center offers free tutoring up to 2x per week for math & science courses.
- Get out of your dorm to study! There are study lounges in all dorms, study rooms in the library, & several other spaces available.
- Getting involved on campus is important to your college experience and development. Graduate & professional programs want to see a well-rounded individual, including campus and community involvement. Check out all the Office of Student Development has to offer!

HISTORY OF THE WARHAWK

From the Bayous of Louisiana to the skies over China, Chennault was always determined to keep his mission and vision alive, even when it seemed most difficult. In the words of Chennault himself, “When an old, well-known road is blocked, a new path must be opened.” At ULM, we take pride in celebrating Chennault’s legacy through our own mission and vision. Just as he predicted that his efforts might influence history for hundreds of years, we too are committed to making new paths that lead to success through global collaboration and innovation.

In 2006, when ULM became the Warhawks, it was never just about a name change. The Warhawk is more than a name, or a mascot, or even an aircraft of glories past. The Warhawk is a symbol of our shared cultural heritage and a source of inspiration. The Warhawk is a reminder that, in the face of adversity, we are brave and resilient, committed to standing up for what we believe in by any means necessary. We strive to champion peace, advance knowledge for the betterment of humanity, and live lives of accomplishment. As our nation and our world face new challenges and an uncertain future, we who wear Maroon and Gold proudly stand at the ready to lead and to serve. We all meet at the Bayou and embrace a tradition that inspires us to take flight and soar.

It has been said that those who neglect their past have no future. Our history is well acknowledged, our present is valued, and our future is bright. We are bold. We are united.

We are the Warhawks!

ALMA MATER

By the bayou’s tranquil water,
Where friendships thrive and grow,
Proudly stands our alma mater
Ever home for us to go.
Here cypress stands in splendor
And gracefully they touch the breeze.
Though friends my leave and lives may change
Faithful we shall always be.
Shining bright the bayou’s gem
Ever loyal to ULM.
