Office of Student Engagement

What Is OSE?

Our office knows just how crucial a well-rounded college experience is to developing prepared students to take on the real world after graduation – and those lessons can't all be learned in the classroom. We are here to offer you opportunities to connect with your campus, develop invaluable leadership skills, and create lifelong relationships and memories you will value for years to come.

Did You Know??

Pro Tips from Hawkseeker, Peer Leader, Student Engagement Intern, and College of Pharmacy student Samantha Mercer!

- The ULM library is 7 stories tall. Floors 1 -5 are for student use; floors 6 -7 are administrative offices.
- All freshmen get advised through an advisor in the Student Success Center. After your first year, everyone except pre-health majors get advised through their academic department. Pre-pharmacy/pre-dental hygiene/etc. majors will continue to be advised in the SSC until accepted into their program. Psychology majors are advised in the SSC for their first 2 semesters, then they move to the psychology department. Everyone must be advised to register for classes.
- A list of what you can & cannot have in the dorms is provided on the Res Life webpage: ulm.edu/reslife
- LaCap Bank is on campus & how student workers will be paid and how refunds will be distributed, if you receive one.
- ULM does allow freshmen to have cars on campus. Residents park in yellow curbs (usually near dorms), commuters park in white curbs (scattered), & faculty/staff park in maroon curbs (usually near academic and administrative buildings).
- The Student Success Center offers free tutoring up to 2x per week for math & science courses.
- Get out of your dorm to study! There are study lounges in all dorms, study rooms in the library, & several other spaces available.
- Getting involved on campus is important to your college experience and development. Graduate & professional programs want to see a well-rounded individual and that includes campus and community involvement. Check out all the Office of Student Engagement has to offer!

The History of The Warhawk

After 75 years, ULM retired the Indian mascot at the encouragement of the NCAA. The Warhawk was a semi-finalist in an online poll available to students, faculty/staff, and alumni, but the final decision, which gave us Ace the Warhawk, was left to President James Cofer Sr. The history behind the symbolic mascot is what makes it special: a squadron of fighter pilots in World War II were named the Warhawks and flew in P-40 Warhawk fighter planes. One of these men being war hero Major General Clare Lee Chennault, Franklin Parish native. The Chennault Aviation and Military Museum, located near the Monroe Airport, features historical exhibits about Chennault and the men who flew with him in the American Volunteer Group. Admission is free and the museum is open five days a week.

Alma Mater

By the bayou's tranquil water,
Where friendships thrive and grow,
Proudly stands our alma mater
Ever home for us to go.
Here cypress stands in splendor
And gracefully they touch the breeze.
Though friends my leave and lives may change
Faithful we shall always be.
Shining bright the bayou's gem
Ever loyal to ULM.

Fight Song

Cheer for the Warhawks
With out fighting spirit bold
We will keep our banners waving
The old Maroon and Gold
Our battle cry rings to the sky
Our goal is victory
But win or lose, we'll stand by you
And ever loyal we will be
U-L-M
Go, Warhawks, Go!
