**PLEASE BE ADVISED**

*Publisher-initiated and market-driven title and edition changes outside of anyone's control may occur after this textbook adoption information has been posted. Students are therefore advised to use these data with caution. It is recommended students attend class to receive their syllabus and/or check with their professor first to ensure the accuracy of these adopted titles before placing orders. Furthermore, students need to take special care when ordering from book suppliers who have no direct contact with the University, as there may be problems or discrepancies with respect to book titles, editions, prices, etc.*
